and *Self-Publishing A Successful Magazine* J. K. Spencer, 2012-05-15 A comprehensive step by step guide to the business of magazine publishing It will help you turn a successful magazine idea into a profitable publishing business whether your goal is to create a magazine on a topic you are passionate about to grow a magazine into an independent publishing business or to launch a magazine to eventually sell to a large publishing house Unfortunately magazines and newsletters don't work like books For one thing a magazine idea by itself has very little value until somebody invests money to prove that the readers and advertisers like the idea as much as you hope they will Today six companies own about 80% of the magazine market share Instead entrepreneurs can find opportunities the big players are not likely to exploit on their own special interest titles or quirky ones that appeal to a unique audience or mission driven publications that have social rather than commercial value In the magazine publishing world you can easily lose your business while learning how to manage subscriptions sell advertising and keep up a regular production schedule not to mention all the other administrative details that challenge all publishers Writing and Self Publishing A Successful Magazine teaches you the ropes Publishers who succeed have the following attributes they offer a superior product that is responsive to the needs of readers their product falls in a growing niche market and they run an efficient business operation Unfortunately very few people master these big three creativity marketing and business which explains the many failures Successful publishers establish themselves quickly and without wasting energy or capital They are always looking for ways to get the best possible monetary return from the smallest possible investment
