The Woman Who Could Not Forget Ying-Ying Chang,2012-07-01 The poignant story of the life and death of world famous author and historian Iris Chang as told by her mother Iris Chang s bestselling book The Rape of Nanking forever changed the way we view the Second World War in Asia It all began with a photo of a river choked with the bodies of hundreds of Chinese civilians that shook Iris to her core Who were these people Why had this happened and how could their story have been lost to history She could not shake that image from her head She could not forget what she had seen A few short years later Chang revealed this second Holocaust to the world The Japanese atrocities against the people of Nanking were so extreme that a Nazi party leader based in China actually petitioned Hitler to ask the Japanese government to stop the massacre But who was this woman that single handedly swept away years of silence secrecy and shame Her mother Ying Ying provides an enlightened and nuanced look at her daughter from Iris home made childhood newspaper to her early years as a journalist and later as a promising young historian her struggles with her son s autism and her tragic suicide The Woman Who Could Not Forget cements Iris legacy as one of the most extraordinary minds of her generation and reveals the depth and beauty of the bond between a mother and daughter
