Profession Of Authorship In America 1800 187:

F. Scott Fitzgerald on Authorship Francis Scott Fitzgerald, 1996 In a substantial introduction to the volume Matthew J Bruccoli positions Fitzgerald as a case history for the profession of authorship approach to American literary history formulated by William Charvat Bruccoli notes that more is known about the professional life of Fitzgerald than about that of any other major American author and drawing on that wealth of information he challenges familiar myths about Fitzgerald's squandering of fortunes and literary genius Bruccoli exposes the error of segregating Fitzgerald's magazine and movie work from his novels suggesting instead that a symbiotic relationship exists among these works and ties them together

The Profession of Authorship in America, 1800-1870 William Charvat, 1968 **Edinburgh Companion to Nineteenth-Century American Letters and Letter-Writing** Celeste-Marie Bernier, 2016-02-15 Provides a wide ranging entry point and intervention into scholarship on nineteenth century American letter writing This comprehensive study by leading scholars in an important new field the history of letters and letter writing is essential reading for anyone interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and strangers and across multiple genres in ways that both make and break social ties Key Features Draws together different emphases on the intellectual literary and social uses of letter writing Provides students and researchers with a means to situate letters in their wider theoretical and historical contexts Methodologically expansive intellectually interrogative chapters based on original research by leading academics Offers new insights into the lives and careers of Louisa May Alcott Charles Brockden Brown Emily Dickinson Frederick Douglass Margaret Fuller Henry James Thomas Jefferson Abraham Lincoln Herman Melville Harriet Beecher Stowe and Edgar Allan Poe among many others

Guide to the Study of United States Imprints George Thomas Tanselle, 1971 *America's Continuing Story* Michael Lund, 1993 Literary History in America has been built around individual names titles and dates such as the years in which significant works of fiction were published Yet most of the fiction published from 1850 to 1900 first appeared in a number of installment formats That books were first made available to the public in parts has been dismissed as an interesting but critically irrelevant fact of literary history but now scholars recognize that modes of production shape literary meanings not just for individual works but in the larger culture as well Lund explains how most American novels were published and read between 1850 and 1900 then provides the titles of several hundred serial works their parts divisions and the dates of publication Lund considers 69 authors and 285 titles making America's

Continuing Story the most complete study of its kind to date **Reconsidering Longfellow** Christoph Irmscher, Robert Arbour, 2014-02-19 Reconsidering Longfellow is the first collection of scholarly essays in several decades devoted entirely to the work and afterlife of the most popular and widely read writer in American literature The essays written by a new generation of Longfellow scholars cover the entire range of Longfellow's work from the early poetry to the wildly successful epics of his middle period *Evangeline* *The Song of Hiawatha* to his Chaucerian collection of stories published after the Civil War *Tales of a Wayside Inn* Separate contributions discuss Longfellow's financial dealings his preoccupation with his children and his interest in the visual arts as well as the tremendous role his poetry did and will once again play in American literature classrooms in the U S All essays were written specifically for the volume Many of them rely on unpublished archival sources from the Longfellow collections at the Longfellow House George Washington National Historic Site and at Houghton Library in Cambridge Massachusetts A Bibliographic History of the Book Joseph Rosenblum, 1995 skillfully compiled should be useful to anyone interested in placing his or her studies in the context of printed and bound literature

ENGLISH LITERATURE IN TRANSITION 1880-1920 *Surveyors of Customs* Joel Pfister, 2016 Introduction the critical work and critical pleasure of American literature Inner self industries soft capitalism's reproductive logic How America works getting personal to get personnel Dress down conquest Americanizing top down as bottom up Afterword payoffs *Dancing in Chains* Rodney D. Olsen, 1991-04-01 *Dancing in Chains* is far more than a sensitive biography though it is surely that it is also a model of psychologically informed social and cultural history Olsen recognizes that psychic conflicts often play themselves out on a higher plane that psychic and intellectual history are intertwined He presents a wonderful nuanced picture of Howells Jackson Lears Rutgers University In this insightful study of the childhood and youth of William Dean Howells *Dancing in Chains* demonstrates how the turbulent social and cultural changes of the early nineteenth century shaped the young Howells's emotional and intellectual life His early diaries letters poetry fiction and newspaper columns are used to illustrate Olsen's argument which also in turn throws light on the dominant tensions in antebellum America Accepting the emergent middle class ethos of civilized morality with its new conceptions of child rearing and gender spheres Howells's parents urged him to achieve self control and individual success while also teaching him to seek the good of others rather than his own glory For Howells the conflicts coalesced at the time of his leaving home an increasing common rite of passage for antebellum youth Trying to affirm his sense of literary vocation he tested his aspirations against the family's Swedenborgian religious convictions and the antislavery commitments of his village while experimenting with competing literary ideologies in the process of meeting the demands of the new mass reading audience For Howells the resulting tensions eased toward the end of his youth but reappeared in his more mature works of fiction and social criticism in later years Portraying the ordeal of coming of age during a momentous period of American history *Dancing in Chains* is a fascinating study with a broad appeal to general readers as well as scholars Longfellow in Love Edward M.

Cifelli, 2018-08-15 After four years traveling through Europe and a yearlong romance with Giulia Persiani in Rome Henry Wadsworth Longfellow came back home in 1829 and fell in love again this time with Mary Storer Potter whom he married in 1831 They traveled together to England and Scandinavia in 1834 but their happiness was cut short when she died in 1835 In 1836 traveling in Switzerland he met the woman who would become the grand passion of his life 18 year old Fanny Appleton of Boston But she a wealthy textile heiress was not interested in settling down with a Harvard professor She rebuffed his advances for six years then suddenly changed her mind and married him on July 13 1843 For the next 18 years they were America's couple and Longfellow became America's poet and then tragedy struck once again *Catalog of the Communications Library, University of Illinois* University of Illinois at Urbana-Champaign. Library, 1975 *American Prose and Criticism, 1820-1900* Elinore Hughes Partridge, 1983 *The American Renaissance in New England* Wesley T.
