Speaking for Leaders Apoorva Bharadwaj, Pragyana Rath, 2021-06-23 This book studies the art of public speaking as oration instead of just ornamentation. It repositions public speaking as a fundamental business leadership act and a solution enabling and problem solving communication approach. Drawing on in-depth case studies it considers various situations that a managerial leader encounters and delivers speech solutions as strategic manoeuvres for attaining desired targets. The volume deals with public speaking exclusively from a business perspective. Produces a workable manual of managerial public speaking that introduces the concept of oration as Oratory that leads to desired action. Presents a variegated analysis of speech texts from history, politics, fiction, social media, film, industry, platform, content and business product presentations. Customises speeches into unique speech clusters where readers can readily find the type of speech texts they require for their own specific content development. The first of its kind, this book will be a key text for entrepreneurs, corporate managers, academic practitioners and executives. It will also be of interest to students and researchers of behavioural economics, rhetoric, strategy, communication studies, business communication, fiction, theory, generation studies and virtual reality studies.

Advanced Public Speaking Dr. Ruth Livingston, 2015-01-23 The text provides instruction on how to give different types of presentations and how to improve upon other communication skills including listening. Topics include harnessing the fear of public speaking, applying immediacy, storytelling, motivating others, listening actively, interviewing successfully, lecturing and conducting workshops effectively, speaking off the cuff, selling yourself and your business and presenting for special occasions. Aristotle's Canons of Rhetoric are also discussed as a foundation to organizing and delivering dynamic presentations. The book is ideal as a text for an Advanced Public Speaking course.

Resources in Education, 1997

Contemporary Public Speaking Courtland L. Bovée, 2003 Contemporary Public Speaking includes all the traditional fundamentals as well as the hottest issues in public speaking today. Featuring a conversational style and an extensive photo and illustration program, this comprehensive coverage provides students with the tools they need to analyze and apply public speaking principles. Examples, exercises and boxed features offer insights into major themes such as speaking across cultures, developing creativity, improving critical thinking, overcoming speech anxiety, focusing on ethics and learning from real world speaking situations. Students will also explore how to speak on the job and in small groups, develop persuasive strategies and use audio visual aids from flip charts to multimedia presentations and will learn basic ways to become more effective speakers and listeners.
