Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment

Michael H. Banks, Philip Ullah

Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment:

Professionals in Search of Work Harold G. Kaufman, 1982 Study of the psychological aspects of unemployment and underemployment for professional workers in the USA examines causes of decline in professional employment opportunities discusses mental stress and health effects for the unemployed and job seekers obstacles to reemployment job searching techniques ways of improving employability incl Geographical relocation retraining and continuing education and the role of occupational organization employers etc In reducing unemployment Bibliography tables [The Sociology of Work \(RLE: Organizations\)](#) Parvin Ghorayshi, 2013-08-21 This reference volume reflects the changing world of work It includes research on the various dimensions of work such as the structure of the labour force labour market segmentation technology employment unemployment trade unions and industrial democracy This book provides an integrated view of the various dimensions of work its distinguishing characteristics and issues both peculiar as well as common to industrialized countries By adopting an interdisciplinary and interactional perspective this volume provides the scholar and the lay reader with a range of approaches and debates that have made a significant contribution toward understanding the changing nature of work and its social impact

Growing Up with Unemployment Anthony H. Winefield, Marika Tiggemann, Helen R. Winefield, Robert D. Goldney, 2022-12-29 The transition from school to work is recognized by developmental psychologists as a significant phase in maturation of young people In the 1990s the likelihood that the transition might be delayed by a period of prolonged unemployment was greater than any time since the 1930s The psychological consequences of such a delay need to be understood because they may be damaging to both the individual and to society particularly if they are long lasting Such an understanding is essential for the development of sound policy in relation to youth unemployment Originally published in 1993 *Growing up with Unemployment* describes a major longitudinal study of a large group of South Australian school leavers through the 1980s It assesses the scale and context of the problem and reviews the methods and theories that have been developed to study the psychological impact of unemployment It also looks at those factors which may contribute towards helping young people cope with it such as financial security social support and being involved in constructive activities with other people The authors also examine how we might be able to predict future unemployment and understand the relationship between it and alcohol consumption smoking and drug use This book describes a major study with important implications for employment policy as well as future theory and research This title will be interesting historical reading for students of psychology and social policy policy makers and all those who deal with young people

Research Companion to Organizational Health Psychology Alexander-Stamatios G. Antoniou, Cary L. Cooper, 2005-01-01 The rapid and sweeping changes in the economy technology work practices and family structures mean that organizational health psychology has never been so essential for understanding stress in the workplace This timely *Research Companion* is essential reading to advance the understanding of healthy behaviors within working environments and to identify problems which can be the

cause of illness Containing both theoretical and empirical contributions written by distinguished academics working in Europe North America and Australia the book covers leading edge topics ranging from current theories of stress stress management and stress in specific occupational groups such as doctors and teachers to the relationship of stress with well being It provides systematic approaches towards practical actions and stress interventions in working environments and a solid theoretical framework for future research It will be an essential companion to research on psychology and medicine as well as stress

The Scourge of Unemployment in India and Psychological Health Lal Bahadur Singh,2006 This book analyse the impact of unemployment on psychological well being and coping styles of unemployed educated people with special reference to India It presents a comparative account of psychological well being of the educated unemployed young peop

Handbook of Work and Organizational Psychology: Work psychology Pieter Johan Diederik Drenth,Henk Thierry,Charles Johannes Wolff,1998 Volume two of a four volume set This second edition has been extensively rewritten and should be of interest to both practitioners and students of organizational psychology

The Cambridge Handbook of Social Problems: A. Javier Treviño,2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

ORGANIZATIONAL DOWNSIZING: AN IMPACT OF GLOBAL MELTDOWN Dr. Vivek Singh Sachan,2015-09-01 The inexorable and worldwide tide of deregulation and privatization of markets has resulted in cut throat competition coupled with pressure for improvement in cost quality cycle time and performance The global competition in industries has created new pressure for efficiency Firms are now required to transcend local standards and attain global standards that are relatively stringent

American Idle Annette Nierobisz,Dana Sawchuk,Dana Sawchuck,Annette Marie Nierobisz,2025-05-13 In American Idle sociologists Annette Nierobisz and Dana Sawchuk report their findings from interviews with sixty two mostly white collar workers who experienced late career job loss in the wake of the Great Recession Without the benefits of planned retirement or time horizons favorable to recouping their losses these employees experience an array of outcomes from hard falls to soft landings Notably the authors find that when reflecting on the effects of job loss fruitless job searches and the overall experience of unemployment participants regularly called on the frameworks instilled by neoliberalism Invoking neoliberal rhetoric these older Americans deferred to businesses need to prioritize bottom lines accepted the shift toward precarious employment or

highlighted the importance of taking initiative and maintaining a positive mindset in the face of structural obstacles. Even so, participants also recognized the incompatibility between neoliberalism's one-size-fits-all solutions and their own situations. This disconnect led them to consider their experiences through competing frameworks and to voice resistance to aspects of neoliberal capitalism. Employing a life course sociology perspective to explore older workers' precarity in an age of rising economic insecurity, Nierobisz and Sawchuk shed light on a new wrinkle in American aging.

The Psychological Impact of Unemployment Norman T. Feather, 2012-12-06 This book is concerned with the psychological effects of unemployment. In writing it, I had two main aims: 1) to describe theoretical approaches that are relevant to understanding unemployment effects, and 2) to present the results of studies from a program of research with which I have been closely involved over recent years. In order to meet these aims, I have organized the book into two main parts. I discuss background research and theoretical approaches in the first half of the book, beginning with research concerned with the psychological effects of unemployment during the Great Depression and continuing through to a discussion of more recent contributions. I have not attempted to review the literature in fine detail. Instead, I refer to some of the landmark studies and to the main theoretical ideas that have been developed. This discussion takes us through theoretical approaches that have emerged from the study of work, employment, and unemployment to a consideration of wider frameworks that can also be applied to further our understanding of unemployment effects.

Youth Unemployment in the 1980s Michael H. Banks, Philip Ullah, 2024-09-18 Youth unemployment is one of the most critical problems generated by any recession. Widespread changes in the structure of the youth labour market, together with the increasing affluence amongst the employed, meant that the experience of unemployment for young people in the 1970s and 1980s was quite different from that of previous decades. Originally published in 1988, this book examines the psychological consequence of prolonged periods of joblessness among a national cohort of 16-19 year olds. It places the problem in a historical context and then examines evidence for the effect of unemployment on the work ethic, motivation to work, the search for jobs, psychological health, political views, lifestyles, and early careers. Particular attention is paid to gender and ethnic group differences. Original research was integrated with existing literature with the aim of bringing together a wide variety of studies and theoretical positions previously dispersed throughout the literature.

A Company of One Carrie M. Lane, 2011-03-15 Being laid off can be a traumatic event. The unemployed worry about how they will pay their bills and find a new job. In the American economy's boom and bust business cycle since the 1980s, repeated layoffs have become part of working life. In *A Company of One*, Carrie M. Lane finds that the new culture of corporate employment changes to the job search process, and dual income marriage has reshaped how today's skilled workers view unemployment. Through interviews with seventy-five unemployed and underemployed high-tech white collar workers in the Dallas area over the course of the 2000s, Lane shows that they have embraced a new definition of employment in which all jobs are temporary and all workers are or should be independent contractors. Following the

experiences of individual jobseekers over time Lane explores the central role that organized networking events working spouses and neoliberal ideology play in forging and reinforcing a new individualist pro market response to the increasingly insecure nature of contemporary employment She also explores how this new perspective is transforming traditional ideas about masculinity and the role of men as breadwinners Sympathetic to the benefits that this company of one ideology can hold for its adherents Lane also details how it hides the true costs of an insecure workforce and makes collective and political responses to job loss and downward mobility unlikely

A Handbook of Work and Organizational Psychology Charles J. De Wolff, P J D Drenth, Thierry Henk, 2013-05-13 Work Psychology the second volume of the Handbook of Work and Organizational Psychology concentrates on issues related to the direct relationship between the worker and the organization and on his or her task or function This could be termed the classical tradition of work psychology including human factors psychology and ergonomics This volume provides a comprehensive update on new issues and studies in this core area Subjects like safety occupational stress workload and absenteeism due to sickness are tackled Chapters discuss particular types of workers on whom psychologists have focused attention more recently the older worker the unemployed and the foreign worker Moving away somewhat from the micro world of the individual worker models of human economic behaviour and the development of social indicator systems are also explored

The Incompetent Teacher Edwin M. Bridges, 2013-10-28 A revised edition of this book on teacher incompetence which using research information offers an analysis of the types of administrative response tolerance of poor performance salvage attempts and induced exits

Poverty and Psychology Stuart C. Carr, Tod S. Sloan, 2012-12-06 Although poverty is a global issue profoundly affecting millions of human beings the psychology literature rarely focuses on this problem Poverty and Psychology From Global Perspective to Local Practice seeks to remedy that by bringing together academics community practitioners and clinicians who are actively involved in studying the ramifications of poverty in groups and individuals as well as outlining successful methods of participant intervention With a focus on positive and critical psychology and the resilience of the human spirit the book brings the psychology of poverty up to date with current thinking and scientific approaches and will inspire and encourage those working in the field Covering a wide range of settings from the shanty towns of Brazil and Venezuela to the inner cities of England and Scotland to indigenous communities of the Australian outback noted contributors share their direct experiences and a positive message for working toward progressive solutions

Routledge Library Editions: Organizations (31 vols) Various, 2021-12-02 Re issuing volumes originally published between 1949 and 1995 this 31 volume set examines the theory and behaviour of organizations Topics covered include the sociology of work leadership and organizations politics at work theory and practice of company organization patterns of business organization company strategy and organizational design

The SAGE Handbook of Organizational Behavior Julian Barling, Cary L. Cooper, 2008-07-24 This milestone handbook brings together an impressive collection of international contributions on micro

research in organizational behavior Focusing on core micro organizational behaviour issues chapters cover key themes such as individual and group behaviour The SAGE Handbook of Organizational Behavior Volume One provides students and scholars with an insightful and wide reaching survey of the current state of the field and is an indispensable road map to the subject area The SAGE Handbook of Organizational Behavior Volume Two edited by Stewart R Clegg and Cary L Cooper draws together contributions from leading macro organizational behaviour scholars After the Cold War United States. Congress. Office of Technology Assessment, 1992 **Management Development** Rosemary Hill, Jim Stewart, 2007-02-09 Recognizing a significant need to continually update the current body of knowledge on management development with the latest innovations in high quality research and practice in various parts of the globe this book provides the most comprehensive and up to date work on the state of research and practice in management development Hill and Stewart p

Unemployment in Southern Europe Nancy G. Bermeo, 2014-02-04 Unemployment is one of Southern Europe s most serious political problems Though much has been written about unemployment s causes and cures systematic attention to its consequences is lacking This collection of original essays deals with the effects of unemployment on regimes parties immigrants economies and families highlighting the differences and the similarities among Southern European states and offering lessons about the profound human consequences of unemployment in general

Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment Books

1. Where can I buy Professionals In Search Of Work Coping With The Stress Of Job Loss And Unemployment books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
