Wilson,2021-09-14 Nazar tells the story of a peasants revolt in the polyglot city of Balaal The story begins with a miracle A homeless boy sees a whale washed up on the beach He alerts the local fishermen and soon the whole town is trying and failing to push it back into the ocean With just the boy left to accompany the whale now in its dying throes a freak wave pulls the creature back into the sea This is an omen Change is coming The boy and the washerwoman who adopts him cobbles together a ramshackle army of fishermen shopkeepers lapsed nuns anarchist bats and an itinerant camel They attempt to end the reign of the dictator who rules over Balaal Their attempt involves pitched battles farcical trials rooftop escapes and sun parched wanderings in the wilderness Looming over the disparate cast of characters is the legend of the giant wave Nazar that will one day annihilate everyone and everything in the city Nazar is an adventure and a parable that pits the oppressed against the oppressor The work has been likened to that of Gabriel Garcia Marquez and Mario Vargas Llosa in its use of language its inventiveness its humor and its examination of issues of justice Chinese Revolution in Practice Guo

Wu,2023-10-24 This book employs multiple case studies to explore how the Chinese communist revolution began as an ideology oriented intellectual movement aimed at improving society before China's transformation into a state that suppresses dissenting voices by outsourcing its power of coercion and incarceration The author examines the movement's methods of early self organization grass roots level engagement creation of new modes of expression and popular art forms manipulation of collective memory and invention of innovative ways of mass incarceration Covering developments from 1920 to 1970 the book considers a wide range of Chinese individuals and groups from early Marxists to political prisoners in the PRC to illustrate a dynamic interactive process in which the state and individuals contend with each other It argues that revolutionary practices in modern China have created a regime that can be conceptualized as an ideology military propaganda state that prompts further reflection on the relationships between revolution and the state the state and collective articulation and memory and the state and reflective individuals in a global context Illustrating the continuity of the Chinese revolution and past decades socialist practices and mechanisms this study is an ideal resource for scholars of Chinese history politics and twentieth century revolutions When Texas Prison Scams Religion Michael G.

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in

falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
