Profile Of Horace

**United States. National Historical
Publications and Records Commission**

Profile Of Horace:

Profile of Horace David Roy Shackleton Bailey, 1982 This volume offers new insight into the poetry of Horace In a reading of all the poetry but focusing especially on problematic areas the author examines Horace s art of self presentation A variety of themes are elucidated from the poet s relations with his patron to Roman sexual attitudes Close scrutiny is given to about 30 passages which the author claims have been misread

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

A Translation and Interpretation of Horace's Sermones, Book I Andy Law, 2021-03-15 Horace s book of Sermones also called Satires was his first published work Rather than a collection of satirical sideswipes as the genre might have dictated the book is a wiry tight muscular interlaced hexameter artwork of enormous originality and as far removed from the legacy of satirical writing he inherited as one can imagine It is the work of a 29 year old grappling with issues of personal and poetic identity during one of the most important and pivotal times in European history Geographically socially and genetically an outsider Horace earned himself a seat at Rome s top creative table close to the heart of the political engine that was to change Rome forever His book details a transformational journey from nobody to somebody and is a simultaneous invention of poet and reinvention of poetic genre Horace s Sermones have floated in and out of fashion ever since they first appeared regularly eclipsed by his Odes Today rehabilitated they find space in the higher levels of the school curriculum This book provides unique insights and will be of interest to all classicists as well as students studying core influences on European literature

A Translation and Interpretation of Horace's Iambi Andy Law, 2024-03-25 Horace s book of seventeen iambi by convention called Epodes contains some of the most complex and controversial poetry of his entire career This new interpretation exposes a poet in the throes of the torment of writing Horace crafts an artwork which reveals the agony of expressing agony He struggles to find the words as he gives voice to the anticipation of grief The poet s inner demons conspire against him Anything that could go wrong does go wrong At the end we realise that Horace might have never wanted to write this book in the first place But the fate of this writer is to be forever persecuted by his own writing Horace s iambi are methodically stitched together Meter intertextuality wordplay and theme combine strategically to provide an utterly compelling and vivid watercolor in words It is a work of art which is able to hold its place amongst any top tier poetry in any language in any era

Horace's Odes

Richard Tarrant, 2020-05-15 Oxford Approaches to Classical Literature introduces individual works of Greek and Latin literature to readers who are approaching them for the first time. Each volume sets the work in its literary and historical context and aims to offer a balanced and engaging assessment of its content, artistry, and purpose. A brief survey of the influence of the work upon subsequent generations is included to demonstrate its enduring relevance and power. All quotations from the original are translated into English. Horace's body of lyric poetry, the Odes, is one of the greatest achievements of Latin literature and a foundational text for the Western poetic tradition. These 103 exquisitely crafted poems speak in a distinctive voice, usually detached, often ironic, always humane, reflecting on the changing Roman world that Horace lived in and also on more universal themes of friendship, love, and mortality. In this book, Richard Tarrant introduces readers to the Odes by situating them in the context of Horace's career as a poet and by defining their relationship to earlier literature, Greek and Roman. Several poems have been freshly translated by the author; others appear in versions by Horace's best modern translators. A number of poems are analyzed in detail, illustrating Horace's range of subject matter and his characteristic techniques of form and structure. A substantial final chapter traces the reception of the Odes from Horace's own time to the present. Readers of this book will gain an appreciation for the artistry of one of the finest lyric poets of all time.

Horace's Ars Poetica Jennifer Ferriss-Hill, 2019-11-12 A major reinterpretation of Horace's famous literary manual. For two millennia the *Ars Poetica* (Art of Poetry), the 476-line literary treatise in verse with which Horace closed his career, has served as a paradigmatic manual for writers. Rarely has it been considered as a poem in its own right, or else it has been disparaged as a great poet's baffling outlier. Here Jennifer Ferriss Hill, for the first time, fully reintegrates the *Ars Poetica* into Horace's oeuvre, reading the poem as a coherent, complete, and exceptional literary artifact intimately linked with the larger themes pervading his work. Arguing that the poem can be interpreted as a manual on how to live, masquerading as a handbook on poetry, Ferriss Hill traces its key themes to show that they extend beyond poetry to encompass friendship, laughter, intergenerational relationships, and human endeavor. If the poem is read for how it expresses itself, moreover, it emerges as an exemplum of art in which judicious repetitions of words and ideas join disparate parts into a seamless whole that nevertheless lends itself to being remade upon every reading. Establishing the *Ars Poetica* as a logical evolution of Horace's work, this book promises to inspire a long overdue reconsideration of a hugely influential yet misunderstood poem.

Horace's Poetic Journey David H. Porter, 2014-07-14 David Porter's approach to Horace's most important lyric collection is through a close sequential reading of the eighty-eight poems in Odes 1-3. Taking into account the way an ancient book was read or recited, this view of the work as a continuously unfolding creation reveals a strong sense of forward movement and of thematic development at times almost a narrative flow. Originally published in 1987, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while

presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Horace's Villa Project, 1997-2003: The reports Bernard Frischer, Jane W. Crawford, Monica De Simone, 2006 Horace's Villa is the name given to the site of a Roman country house near the hill town of Licenza Roma which is located approximately 30 miles from the centre of Rome The site remains in quotation marks as although the identification is traditional and possible it is by no means certain The Horace's Villa Project 1997-2003 was initiated with the main goal of adding to the knowledge of the site in terms of time and space There were two main areas to be investigated which could be called the meta archaeological and the archaeological The former entailed looking afresh at earlier investigations while the latter offered opportunities to look at new discoveries such as the baths entrance and the rural hinterland This volume is part of a two volume set ISBN 9781407300023 Volume I ISBN 9781407300030 Volume II ISBN 9781407300016 Volume set

Unity and Design in Horace's Odes Matthew S. Santirocco, 2015-01-01 Horace's first three books of Odes published together in 23 B C are a masterpiece of Augustan literature and the culmination of classical lyric Matthew Santirocco provides the first new critical approach to them in English in more than two decades Drawing on recent works on ancient and modern poetry books and using several contemporary critical methodologies Santirocco reveals the Odes both as individual poems and as components in a larger poetic design His reading of Horace demonstrates that the ensemble is itself an important context for understanding and appreciating the poetry Reconstructing the history of the ancient poetry book both Greek and Roman Santirocco challenges certain common assumptions about its origin and development He argues that true parallels for the Odes are not to be found in the other Augustan books which are relatively homogeneous in content and form but in the heterogeneous collections of Hellenistic writers Odes I-III comprise eighty-eight poems in twelve different meters and in tone and topic they vary widely Avoiding the two extremes of past scholarship which either has searched for a single underlying unity or else has denied any meaningful design Santirocco uncovers a variety of both static and dynamic structures and shows their relevance to the literary interpretation of the poems at all levels Ultimately the composition of a poem and the disposition of the group are shown to be analogous activities Odes I-III do not constitute a medley of discrete

poems but instead approximate the unity of a single ode **Annual Report of the City Engineer** Boston (Mass.). Engineering Department, 1903 *Catalogue of the Engraved Gems and Cameos* British Museum. Department of Greek and Roman Antiquities, Henry Beauchamp Walters, 1926 Technical Note - National Advisory Committee for Aeronautics United States. National Advisory Committee for Aeronautics, 1956 **The Philadelphia Lawyer** Robert R. Bell, 1992 One focus of this book is to look at the interrelationship between the old Philadelphia upper class and the legal profession The upper class refers to a group of old Philadelphia families whose members are descendants of financially successful individuals Through their families those men have had the means to enter train in and practice law While over the two centuries covered here the percentage of upper class lawyers decreased their influence for many years continued to surpass their numbers In 1944 about 10 percent of all lawyers were listed in the Social Register In the eight largest law firms in the city they accounted for 37 percent of the partners and 23 percent of the associates But by 1990 their influence was waning they represented only about two percent of all lawyers in the city Moreover in the eight largest law firms in the city 12 percent of the partners were in the Social Register but only one percent of the associates Indeed with the twenty first century approaching the old upper class was and is becoming increasingly irrelevant to Philadelphia law In each chapter an examination is made of the emerging American legal system and the training and practice of law in a given historical period Before the Revolution most American law was British law After the Revolution there were often bitter struggles over the continued use of British common law Rapidly the British common law was modified giving way to American common law and that was the major focus of law up until the Civil War Following the Civil War and well into the twentieth century the major thrust of law was related to business and industry especially corporations By the 1930s there was an increasing focus on Federal Commissions and statute law Over the decades the training of lawyers underwent change Until the twentieth century most lawyers were trained in law offices and it was only slowly that law schools became the accepted means of legal training For most of American history the lawyer practiced alone and often appeared as an advocate in court where his forensic skills were highly valued For the various historical eras this study attempts to show how the Philadelphia lawyer lived some of his values how he learned the law and how he practiced it Anecdotal material is used to illustrate these points whenever possible Forty two Philadelphia lawyers were interviewed who for the most part had first entered the bar in the 1920s and 1930s Six modern day Philadelphia lawyers were interviewed at length and their insights are presented in the epilogue Following each chapter there is a profile of a Philadelphia lawyer contemporary to the period discussed Most of the profiles are of men who considered outstanding lawyers in their own time have come to be regarded as outstanding in the history of Philadelphia law

Annual Report United States. National Historical Publications and Records Commission, Annual Report - National Historical Publications and Records Commission United States. National Historical Publications and Records Commission, Bulletin. B. Oklahoma Agricultural Experiment Station, 1928 **Stephen Crane - Ultimate Collection: 200+ Novels,**

Stephen Crane: Complete Short Stories Stephen Crane, 2022-05-17 Stephen Crane Complete Short Stories showcases a remarkable body of work that captures the essence of human experience against the backdrop of the late 19th century America Renowned for its vivid imagery and pioneering use of naturalism and impressionism this collection presents stories that delve into themes of war survival and the complexities of human emotion Crane's masterful prose is marked by its brevity and poignant symbolism reflecting the existential struggles faced by his characters Through innovative narrative techniques he paints a stark portrait of life that transcends time and resonates with readers today Stephen Crane an eminent figure in American literature was profoundly influenced by his own experiences as a war correspondent and the tumult of the Civil War Born in 1871 Crane's short yet impactful career was characterized by a deep empathy for the human condition His explorations of fate desire and the inner workings of the human psyche stem from a rich tapestry of historical and personal narratives all of which are evident in this comprehensive collection of short stories Crane's understanding of the gritty realities of life informs his poignant storytelling making his work timeless Given its rich thematic depth and stylistic innovation Stephen Crane Complete Short Stories is essential reading for anyone interested in American literature and the short story form This collection not only showcases Crane's literary genius but also invites readers to engage with profound existential questions shaped by society's tumultuous landscape It is a compelling journey into the heart of humanity that should not be missed

Poetic Autonomy in Ancient Rome Luke Roman, 2014-01-30 In *Poetic Autonomy in Ancient Rome* Luke Roman offers a major new approach to the study of ancient Roman poetry A key term in the modern interpretation of art and literature aesthetic autonomy refers to the idea that

the work of art belongs to a realm of its own separate from ordinary activities and detached from quotidian interests While scholars have often insisted that aesthetic autonomy is an exclusively modern concept and cannot be applied to other historical periods the book argues that poets in ancient Rome employed a rhetoric of autonomy to define their position within Roman society and establish the distinctive value of their work This study of the Roman rhetoric of poetic autonomy includes an examination of poetic self representation in first person genres from the late republic to the early empire Looking closely at the works of Lucilius Catullus Propertius Horace Virgil Tibullus Ovid Statius Martial and Juvenal Poetic Autonomy in Ancient Rome affords fresh insight into ancient literary texts and reinvigorates the dialogue between ancient and modern aesthetics

The Complete Short Stories and Sketches of Stephen Crane Stephen Crane, 2013-04-03 For the first time all 112 of Stephen Crane's short stories and sketches including several that have not been included in any previous collection and two that are now in print for the first time have been brought together in one volume Critics call Stephen Crane who is best known for his Civil War novel *The Red Badge of Courage* the first modern American writer Crane was only twenty eight when he died but his work had a profound influence on American letters He helped to kill sentimentality in American writing giving this country's fiction renewed strength and dignity as an art form Crane is considered the American counterpart of such European Nationalists as Zola Tolstoy and Flaubert He refused to bow to the conventions of the day or to popular taste but wrote about life as he saw it in the closing years of the nineteenth century And honest vision of life was the foundation stone of his artistic aims and so he sought first hand experiences and personal involvement in his themes He lived the life of *The Open Boat* before he wrote the story His stories of war and conflict such as *A Mystery of Heroism* and *Virtue in War* reflect his experiences as a war correspondent Crane strove for originality in his writing his style tense darting abrupt ironic blends perfectly with an impressionistic technique to give emotional psychological and symbolic significance to a series of astutely observed and richly colored episodes The stories and sketches that were a product of his one man literary revolution are as modern today as ever This collection includes an authoritative introduction by the editor in which he evaluates the artistic significance of Crane's work The stories and sketches are presented in chronological order and have been carefully edited to ensure that they are in their original form

The Top Books of the Year Profile Of Horace The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Profile Of Horace : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Profile Of Horace : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Profile Of Horace : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
