Program Evaluation And The Management Of Government:

Program Evaluation and the Management of Government Eliot Freidson, Ray Rist, 2020-02-18 This book appears at an opportune time in the history of evaluation Its detailed and up to date account of the organization and use of evaluation in eight Western democratic countries Canada Germany United Kingdom United States Denmark Holland Norway and Switzerland shows how evaluation functions at different levels of development Focusing on the national or federal level of government this volume presents a systematic and comparative view of eight nations at different stages of the development institutionalization and utilization of evaluations All of these original contributions have been written by academics and government officials involved in the production and use of evaluation findings Each shows how their respective country has moved to institutionalize evaluation at the federal level and each explores the reasons for that institutionalization Among them are managerial accountability the increased complexity of the decisions facing policymakers federally sponsored social change that needs to be tracked and assessed and the increasing recognition that political power comes to those who possess such information Program Evaluation and the Management of Government is tightly integrated The contributions share coherence a common analytic framework and use of key terms resulting from the authors three year dialogue as members of the Working Group on Policy and Program Evaluation sponsored by the International Institute for Administrative Sciences located in Belgium Their shared commitment to working together has given us the first systematic effort to assess evaluation across such a large number of countries It will be of interest to applied social scientists and policymakers especially those interested in comparative research

Program Evaluation and the Management of Government ,1990 *Program Evaluation and the Management of Government* Ray C. Rist, 1990-01 This detailed up to date account of the organization use of evaluation in eight Western democratic countries Canada Germany United Kingdom United States Denmark Holland Norway Switzerland shows how evaluation functions at different levels of development Focusing on the national or federal level of government it presents a systematic comparative view of eight nations at different stages of the development institutionalization utilization of evaluations Contributors are academics government officials all of whom are involved in the production use of evaluation findings *Federal Program Evaluations* ,1984 Contains an inventory of evaluation reports produced by and for selected Federal agencies including GAO evaluation reports that relate to the programs of those agencies Program Evaluation and Analysis Public Technology, inc, 1978 *Program Evaluation in State Government*

,1991 *Program Evaluation and Analysis* Public Technology, inc, 1978 **Program Evaluation and Performance Measurement** James C. McDavid, Irene Huse, Laura R. L. Hawthorn, 2018-10-16 Program Evaluation and Performance Measurement offers a conceptual and practical introduction to program evaluation and performance measurement for public and non profit organizations The authors cover the performance management cycle in organizations which includes strategic planning and resource allocation program and policy design implementation and management and the assessment and

reporting of results The Third Edition has been revised to highlight the current economic political and socio demographic context within which evaluators are expected to work and includes dynamic public policy exemplars such as the evaluation of body worn police cameras Finally a text that successfully brings together quantitative and qualitative methods for program evaluation Kerry Freedman Northern Illinois University *Program Evaluation & Performance Measurement* James C. McDavid, Laura R. L. Hawthorn, 2006 Program Evaluation and Performance Measurement An Introduction to Practice offers a conceptual as well as practical introduction to program evaluation and performance measurement for public and non profit organizations This introductory text discusses topics in a detailed fashion making it a useful guide for practitioners who are constructing and implementing performance measurement systems as well as for students *Improving Government Performance* Joseph S. Wholey, Kathryn E. Newcomer, 1989-01-10 An evaluation framework for more effective government Improving Government Performance takes as project management approach to government program evaluation offering clear strategies with real world practicability Expert discussion details crucial guidance on planning implementation and analysis providing a robust framework for quick efficient cost effective evaluations Systematic evaluation of reveals weaknesses before they break allowing timely revision and readjustment that can improve productivity streamline operations and promote high quality management this book provides essential guidance for through effective review and analysis of any government program or agency Public Policy and Program Evaluation Evert Vedung, 2017-07-12 Evaluation is a controversial and little understood strategy of public governance control and decision making As early as classical antiquity scholars were summoned to court to counsel kings Public policy and program evaluation is a recent addition to the great chain of attempts to use the brainpower of scholars and scientists to further the interests of the state Evaluation scholars are asked to provide retrospective assessments of the implementation output and outcome of government measures in order to effect deeper understanding and well grounded decisions on the part of those in charge of government operations Evaluation is the process of distinguishing the worthwhile from the worthless the precious from the useless evaluation implies looking backward in order to be able to steer forward better Written from a political science perspective Public Policy and Program Evaluation provides an overview of the possibilities and limits of public sector evaluation Evert Vedung examines evaluation as a mechanism for monitoring systematizing and grading government activities and their results so that public officials in their future oriented work will be able to act as responsibly creatively and efficiently as possible Topics discussed include Evaluation Rationality and Theories of Public Management Models of Evaluation Internal or External Evaluation Impact Assessment as Tryout and Social Experimentation Process Evaluation and Implementation Theory The Eight Problems Approach to Evaluation and Uses and Users of Evaluation All evaluation rests upon the idea that perceptions opinions intentions judgments in short everything concerned with the world of human consciousness play such interesting roles in political and administrative action that their functions are worth investigating Through experience humans may learn from

past actions The interventions of the modern state are so extensive their execu

Evaluation Kathryn E. Newcomer, Steven W. Mumford, 2024-06-05 In the Research Handbook on Program Evaluation an impressive range of authors take stock of the history and current standing of key issues and debates in the evaluation field Examining current literature of program evaluation the Research Handbook assesses the field s status in a post pandemic and social justice oriented world examining today s theoretical and practical concerns and proposing how they might be resolved by future innovations This title contains one or more Open Access chapters

Handbook of Practical Program Evaluation Joseph S. Wholey, Harry P. Hatry, Kathryn E. Newcomer, 2010-03-11 The second edition of Handbook of Practical Program Evaluation offers managers analysts consultants and educators in government nonprofit and private institutions a valuable resource that outlines efficient and economical methods for assessing program results and identifying ways to improve program performance The Handbook has been thoroughly revised Many new chapters have been prepared for this edition including chapters on logic modeling and on evaluation applications for small nonprofit organizations The Handbook of Practical Program Evaluation is a comprehensive resource on evaluation covering both in depth program evaluations and performance monitoring It presents evaluation methods that will be useful at all levels of government and in nonprofit organizations

Evaluation of World Bank Programs in Afghanistan 2002-11 The World Bank, 2013-08-23 This report evaluates the outcomes of World Bank Group support to Afghanistan from 2002 11 Despite extremely difficult security conditions which deteriorated markedly after 2006 the World Bank Group has commendably established and sustained a large program of support to the country The key messages of the evaluation are While World Bank Group strategy has been highly relevant to Afghanistan s situation beginning in 2006 the strategies could have gone further in adapting ongoing programs to evolving opportunities and needs and in programming activities sufficient to achieve the objectives of the pillars in those strategies Overall Bank Group assistance has achieved substantial progress toward most of its major objectives although risks to development outcomes remain high Impressive results have been achieved in public financial management public health telecommunications and community development substantial outputs have also been achieved in primary education rural roads irrigation and microfinance all started during the initial phase Bank assistance has been critical in developing the mining sector as a potential engine of growth However progress has been limited in civil service reform agriculture urban development and private sector development The Bank Group s direct financial assistance has been augmented effectively by analytic and advisory activities and donor coordination through the Afghanistan Reconstruction Trust Fund Knowledge services have been an important part of Bank Group support and have demonstrated the value of strategic analytical work even in areas where the Bank Group may opt out of direct project financing With the expected reduction of the international presence in 2014 sustainability of development gains remains a major risk because of capacity constraints and inadequate human resources planning on the civilian side To enhance program effectiveness the evaluation

recommends that the Bank Group help the government develop a comprehensive long term human resources strategy for the civilian sectors focus on strategic analytical work in sectors that are high priorities for the government assist in the development of local government institutions and in the interim support the development of a viable system for service delivery at subnational levels assist in transforming the National Solidarity Program into a more sustainable financial and institutional model to consolidate its gains help strengthen the regulatory environment for private sector investment and scale up IFC and MIGA support to the private sector

Program Evaluation And The Management Of Government Introduction

In the digital age, access to information has become easier than ever before. The ability to download Program Evaluation And The Management Of Government has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Program Evaluation And The Management Of Government has opened up a world of possibilities.

Downloading Program Evaluation And The Management Of Government provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Program Evaluation And The Management Of Government has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Program Evaluation And The Management Of Government. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Program Evaluation And The Management Of Government. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Program Evaluation And The Management Of Government, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Program Evaluation And The Management Of Government has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Program Evaluation And The Management Of Government Books
