Proceedings of the 2004 Northeastern Recreation Research Symposium Kelly Bricker, Sarah J. Millington, 2005

Leisure Services Hanson Douglas Sessoms, 1984

Controversial Issues in Adventure Programming Bruce Martin, Mark Wagstaff, 2012-05-04 Controversial Issues in Adventure Programming offers an engaging approach to the consideration of enduring current and emerging issues in the field Written primarily for upper level undergraduate and graduate students the text presents 20 issues in a debate format challenging students to participate in critical discourse concerning these issues as practitioners in the field of adventure programming Respected authors Bruce Martin and Mark Wagstaff have assembled a team of more than 50 contributors from around the globe to reassess some of the underlying assumptions on which adventure programming is based They have critically examined implications of new developments for emerging practice and discussed how best to position the field of adventure programming in addressing broader societal concerns To set the stage for the debate each issue is prefaced with a general overview including the evolution of the issue and its significance in light of broader social concerns Then contributors present the pros and cons of each issue A debate format helps students develop an understanding of the key points around each issue while also becoming familiar with current research pertinent to these issues This approach also encourages students to grapple with these issues and begin to develop their own informed thoughtful perspectives as they prepare for careers in adventure programming Controversial Issues in Adventure Programming is divided into two parts Part I begins by discussing issues of ongoing concern in the field including the certification debate motorized versus nonmotorized forms of outdoor recreation and

program accreditation In part II contemporary and emerging issues are presented such as the use of online educational programming in the field of adventure programming As a reference for practitioners and policy makers **Controversial Issues in Adventure Programming** offers new and updated perspectives on enduring and emerging issues as well as a synthesis of the most recent related scholarly literature In addition the text serves as a resource in understanding how the adventure programming industry can contribute to addressing issues of broad concern in society such as public health global climate change stewardship of public lands and waterways and education reform **Controversial Issues in Adventure Programming** encourages readers to participate in some of the central debates occurring in the field In particular this timely resource will help students broaden their understanding of the field as they critically examine and respond to a range of enduring contemporary and emerging topics in adventure programming

The SAGE Handbook of Hospitality Management Roy C Wood,Bob Brotherton,2008-06-05 At last a comprehensive systematically organized Handbook which gives a reliable and critical guide to all aspects of one of the world s leading industries the hospitality industry The book focuses on key aspects of the hospitality management curriculum research and practice bringing together leading scholars throughout the world Each essay examines a theme or functional aspect of hospitality management and offers a critical overview of the principle ideas and issues that have contributed and continue to contribute within it Topics include The nature of hospitality and hospitality management The relationship of hospitality management to tourism leisure and education provision The current state of development of the international hospitality business The core activities of food beverage and accommodation management Research strategies in hospitality management Innovation and entrepreneurship trends The role of information technology The SAGE Handbook of Hospitality Management constitutes a single comprehensive source of reference which will satisfy the information needs of both specialists in the field and non specialists who require a contemporary introduction to the hospitality industry and its analysis Bob Brotherton formerly taught students of Hospitality and Tourism at Manchester Metropolitan University He has also taught Research Methods to Hospitality and Tourism students at a number of international institutions as a visiting lecturer Roy C Wood is based in the Oberoi Centre of Learning and Development India
