THE BOYS ON THE ROCK Joanne M. Queenan,2012-08-10 A soup kitchen is not should not be a permanent destination Not for the clients not for the staff Ultimately perhaps a touch altruistic we would love to drum ourselves out of business Kenny Rogers sang You know when to hold em and know when to fold em And that s how it was with me Like Antonio I had the scars to prove my tenure at the kitchen We all did Burns carpel tunnel frozen shoulders the beat goes on In addition to being at the kitchen the cumulative burdens and challenges of going to school doing field work homework papers a thesis some health problems I thought it would be a good point to move on I knew it was time to hang my hat My partner had already left to start her own business The kitchen was moving to an expanded facility a old grocery store a few blocks away The program needed someone in one piece A fresh face would be a healthy way to start in the new space Doing social work there was not like building a house Seeing the fruit of our labor was rare We could only hope that the reason why we didn t see the client come through the line anymore was that the client s life improved I did wonder if any of the services I offered straightened the path on someone s life journey Did any of the support and tools improve conditions for them Was I really able to quench someone s need Did I give our people hope Victor Hugo said the word which God has written on the brow of every man is Hope I hope what I did in those years was meaningful I hope it was enough **The Classic Rock and Roll**
