heartless killers and the deadly compulsions of greed and power that shatter their outward trappings of material success. They are the admired, trusted neighbor, the affable family man, the sexy charismatic lover, the high achieving professional. Perhaps most frightening of all is that they are heroes in their own minds. But when someone gets in the way of their deluded dreams, they are capable of deadly acts of violence with no remorse. Analyzing the true nature of the sociopathic mind in chilling detail, Ann Rule traces the murderous crimes of seemingly ordinary men, killers who drew their unsuspecting victims into their twisted worlds with devastating consequences.

Ann Rule presents a collection of fascinating and disturbing true crime stories drawn from her real life personal files in this seventeenth volume in the 1 New York Times bestselling Crime Files series. In this gripping collection of investigative accounts from her private archives, America's best true crime writer, Kirkus Reviews exposes the most frightening aspect of the murderous mind: the waiting game. Trusted family members or strangers, these cold-blooded killers select their unsuspecting prey, wait for the perfect moment to strike, then turn normality into homicidal mayhem in a matter of moments. Ann Rule will have you seeing the people and places around you with heightened caution as you read these shattering cases, including:

- New mothers murdered their infants kidnapped in an atrocious baby selling scheme.
- The man who kept his criminal past hidden from his wife and his wife from his mistress until he coldly disposed of one of them.
- The beautiful daughter of a State Department official ran away from the privileged world she knew and hitched a ride with a man she didn't with fatal consequences.
- For months, a vicious rage-filled serial rapist eluded police and terrorized Seattle's women; when would he strike next and how far would his violence escalate?
- A criminal known for his Houdini-like escapes is serving time for murder in a botched robbery; now the convict is being served dinner in a civilian's home where he has one more trick up his sleeve.
- A long lost relative who came home to visit leaving a bloody trail through Washington and Oregon; no one realized how dangerous he and his ladylove were until it was far too late.

With her ability to translate the most complex cases into storytelling as dramatic and chilling as a bedroom window shattering at night, The New York Times' Rule expertly analyzes the thoughts and deeds of the sociopath in this seventeenth essential Crime Files volume.
