Roses With Prickley Thorns:

The Care and Handling of Roses with Thorns Margaret Dilloway, 2013-07-02 Winner of the ALA Reading List Award
Difficult and obstinate Thriving under a set of specific and limited conditions That pretty much describes me Maybe that's why I like these roses so much Roses are Galilee Garner's passion An amateur breeder she painstakingly cross pollinates her plants to coax out new better traits striving to create a perfect strain of her favorite flower the Hulthemia Her dream is to win a major rose competition and one day have her version of the bloom sold in the commercial market Gal carefully calibrates the rest of her time to manage the kidney failure she's had since childhood going to dialysis every other night and teaching high school biology where she is known for her exacting standards The routine leaves little room for relationships and Gal prefers it that way Her roses never disappoint her the way people have Then one afternoon Riley the teenaged daughter of Gal's estranged sister arrives unannounced to live with her turning Gal's orderly existence upside down Suddenly forced to adjust to each other's worlds both will discover a resilience they never knew they had and a bond they never knew they needed Roses with Prickly Thorns Ronda Faircloth, 1996-06-01 Roses Without Chemicals Peter E. Kukielski, 2015-03-15 I wish I had this when I planted my rose garden twenty five years ago I am now about to plant another garden full of wonderful rose varieties and I intend to follow Peter's advice wholeheartedly Martha Stewart Have you tried to grow roses only to give up once you realized how dependent on pesticides they are In this lush guide rose expert Peter Kukielski highlights 150 rose varieties that excel in gardens without the use of chemicals Roses Without Chemicals features information on planting pruning and pests plant profiles that include a color photo and details on color growth habit and fragrance and helpful lists of roses organized by color growing habit and region The Buddha and His Teachings Venerable Nārada Mahāthera, 2024-04-29 Many valuable books have been written by Eastern and Western scholars Buddhists and non Buddhists alike to present the life and teachings of the Buddha to those who are interested in Buddhism Amongst them one of the most popular works is still *The Light of Asia* by Sir Edwin Arnold Many Western truth seekers were attracted to Buddhism by this world famous poem Congratulations of Eastern and Western Buddhists are due to the learned writers on their laudable efforts to enlighten the readers on the Buddha Dhamma This new treatise is another humble attempt made by a member of the Order of the Sangha based on the Pāli Texts commentaries and traditions prevailing in Buddhist countries especially in Ceylon *Buddha and His Teachings*, The Ven. Narada Thera, 2017-06-10 This is one of the clearest and most detailed introductions to the fundamental teachings of Buddhism available in English In simple and lucid language the author explains the doctrines and concepts which form the common bedrock of Buddhism as they have been preserved by the Theravada school The first part of the work is devoted to the life of the Buddha The remainder of the book explains in detail the Buddha's teachings the final chapter showing the relevance of Buddhism to the problems of modern life
