Round About Midnight A Portrait Of Miles Davis:

'Round about Midnight Eric Nisenson,1982 **Round about Midnight** Eric Nisenson,Philippe Carles,1983 Miles Davis - round about midnight Eric Nisenson,1992 *Miles Davis. Round about Midnight.* Eric Nisenson,1992 **Miles Davis** Clarence Bernard Henry,2017-08-15 This research and information guide provides a wide range of scholarship on the life career and musical legacy of Miles Davis and is compiled for an interdisciplinary audience of scholars in jazz and popular music musicology and cultural studies It serves as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field Miles Davis: New Research on Miles Davis & His Circle Masaya Yamaguchi,2019-06-06 Masaya Yamaguchi is Japanese born musician and educator who lives in the US This book grew out of research Yamaguchi did on Miles autobiography which was written by Quincy Troupe from hours of transcribed interviews with Miles Yamaguchi obtained 1200 pages of the transcripts and has meticulously and painstakingly researched and checked the contents He finds various errors and anomalies and corrects the information with strong evidence The book is full of images of transcript pages which include content not seen in the autobiography letters and memos There s plenty of stuff about Miles 1980s music especially on the guitarists Miles used during this era thelastmiles com library_milesdavis_4

Miles Davis, and Jazz as Religion Earnest N. Bracey,2021-10-01 This book about Miles Davis is more psychologically driven than a straight biography but it does cover his musical career as well his spirituality as a jazz musician Davis rocketed to jazz fame as a trumpeter making a plethora of jazz recordings during his life time and his music kept the jazz world on edge for almost fifty years This book also discusses Davis s religion politics civil rights activism and his personal struggles as a Black man in the United States Miles Davis and Jazz as Religion The Politics of Social Music also shows how Miles Davis made a political statement as he challenged racial stereotypes in jazz or social music Artistically Davis was able to integrate rock jazz classical music rap and blues in his music as he had a passion for changing his social music In this regard Miles Davis s music was important to him intellectually spiritually and psychologically because he wanted to make his musical contributions count *Miles Davis, Miles Smiles, and the Invention of Post Bop* Jeremy Yudkin,2007-11-07 Focusing on one of the legendary musicians in jazz this book examines Miles Davis s often overlooked music of the mid 1960s with a close examination of the evolution of a new style post bop Jeremy Yudkin traces Davis s life and work during a period when the trumpeter was struggling with personal and musical challenges only to emerge once again as the artistic leader of his generation A major force in post war American jazz Miles Davis was a pioneer of cool jazz hard bop and modal jazz in a variety of small group formats The formation in the mid 1960s of the Second Quintet with Wayne Shorter Herbie Hancock Ron Carter and Tony Williams was vital to the invention of the new post bop style Yudkin illustrates and precisely defines this style with an analysis of the 1966 classic Miles Smiles Louis Armstrong, Duke Ellington, and Miles Davis Aaron Lefkovitz,2018-06-20 This book examines Louis Armstrong Duke Ellington and Miles Davis as distinctively global symbols of

threatening and nonthreatening black masculinity It centers them in debates over U S cultural exceptionalism noting how they have been part of the definition of jazz as a jingoistic and exclusively American form of popular culture **Miles on Miles** Paul Maher, Michael K. Dorr, 2021-06-15 Miles on Miles collects the thirty most vital Miles Davis interviews Essential reading for anyone who wants to know what Miles Davis thought about his music life and philosophy Miles on Miles reveals the jazz icon as a complex and contradictory man secretive at times but extraordinarily revealing at others Miles was not only a musical genius but an enigma and nowhere else was he so compelling exasperating and entertaining as in his interviews which vary from polite to outrageous from straight ahead to contrarian Even his autobiography lacks the immediacy of the dialogues collected here Many were conducted by leading journalists like Leonard Feather Stephen Davis Ben Sidran Mike Zwerin and Nat Hentoff Others have never before seen print are newly transcribed from radio and television shows or appeared in long forgotten magazines Since Miles Davis s 1991 death his influence has continued to grow But until now no book has brought back to life his inimitable voice contemplative defiant elegant uncompromising and humorous Miles on Miles will long remain the definitive source for anyone wanting to really encounter the legend in print Round about Midnight Eric Nisenson, Miles Davis, 1985 *The Making of Kind of Blue* Eric Nisenson, 2013-09-10 A masterpiece in its own right this work comprehensively covers Miles Davis s 1959 landmark album Kind of Blue valuable and discerning Publishers Weekly From the moment it was recorded more than forty years ago Miles Davis s Kind of Blue was hailed as a jazz classic To this day it remains the bestselling jazz album of all time embraced by fans of all musical genres The album represented a true watershed moment in jazz history and helped to usher in the first great jazz revolution since bebop The Making of Kind of Blue is an exhaustively researched examination of how this masterpiece was born Recorded with pianist Bill Evans tenor saxophonist John Coltrane composer theorist George Russell and Miles himself the album represented a fortuitous conflation of some of the real giants of the jazz world at a time when they were at the top of their musical game The end result was a recording that would forever change the face of American music Through extensive interviews and access to rare recordings Nisenson pieced together the whole story of this miraculous session laying bare the genius of Miles Davis other musicians and the heart of jazz itself Astute and entertaining Booklist Worth reading just for the stories of how one of the greatest albums of all time came into being but it offers so much more a low key but superb education in the way jazz is made and how it comes to mean the things it does Dave Marsh Playboy pop critic and editor of Rock and Rap Confidential Politics and Beauty in America Timothy J. Lukes, 2016-06-28 This book holds classical liberalism responsible for an American concept of beauty that centers upon women wilderness and machines For each of the three beauty components a cultural entrepreneur supremely sensitive to liberalism s survival agenda is introduced P T Barnum s exhibition of Jenny Lind is a masterful combination of female elegance and female potency in the subsistence realm John Muir s Yosemite Valley is surely exquisite but only after a rigorous liberal education prepares for its experience And Harley Earl s 1955 Chevrolet Bel Air is a

dreamy expressionist sculpture but with a practical 265 cubic inch V 8 underneath Not that American beauty has been uniformly pragmatic The 1950s are reconsidered for having temporarily facilitated a relaxation of the liberal survival priorities and the creations of painter Jackson Pollock and jazz virtuoso Ornette Coleman are evaluated for their resistance to the pressures of pragmatism The author concludes with a provocative speculation regarding a future liberal habitat where Emerson's admonition to attach stars to wagons is rescinded

The Baroness Hannah Rothschild, 2013-03-19 Beautiful romantic and spirited Pannonica known as Nica named after her father's favorite moth was born in 1913 to extraordinary eccentric privilege and a storied history The Rothschild family had in only five generations risen from the ghetto in Frankfurt to stately homes in England As a child Nica took her daily walks dressed in white with her two sisters and governess around the parkland of the vast house at Tring Hertfordshire among kangaroos giant tortoises emus and zebras all part of the exotic menagerie collected by her uncle Walter As a debutante she was taught to fly by a saxophonist and introduced to jazz by her brother Victor she married Baron Jules de Koenigswarter settled in a chateau in France and had five children When World War II broke out Nica and her five children narrowly escaped back to England but soon after she set out to find her husband who was fighting with the Free French Army in Africa where she helped the war effort by being a decoder a driver and organizing supplies and equipment In the early 1950s Nica heard Round Midnight by the jazz pianist and composer Thelonious Monk and as if under a powerful spell abandoned her marriage and moved to New York to find him She devoted herself to helping Monk and other musicians she bailed them out of jail paid their bills took them to the hospital even drove them to their gigs and her convertible Bentley could always be seen parked outside downtown clubs or up in Harlem Charlie Parker would notoriously die in her apartment in the Stanhope Hotel But it was Monk who was the love of her life and whom she cared for until his death in 1982 Hannah Rothschild has drawn on archival material and her own interviews in this quest to find out who her great aunt really was and how she fit into a family that although passionate about music and entomology was reactionary in always favoring men over women Part musical odyssey part love story *The Baroness* is a fascinating portrait of a modern figure ahead of her time who dared to live as she wanted finally at the very center of New York's jazz scene

A Change Is Gonna Come Craig Werner, 2021-07-20 extraordinarily far reaching highly accessible Notes No one has written this way about music in a long long time Lucid insightful with real spiritual political intellectual and emotional grasp of the whole picture A book about why music matters and how and to whom Dave Marsh author of *Louie Louie* and *Born to Run* The Bruce Springsteen Story This book is urgently needed a comprehensive look at the various forms of black popular music both as music and as seen in a larger social context No one can do this better than Craig Werner Henry Louis Gates Jr W E B Du Bois Professor of the Humanities Harvard University Werner has mastered the extremely difficult art of writing about music as both an aesthetic and social force that conveys implies symbolizes and represents ideas as well as emotion but without reducing its complexities and ambiguities to merely didactic categories *African American Review* A

Change Is Gonna Come is the story of more than four decades of enormously influential black music from the hopeful angry refrains of the Freedom movement to the slick pop of Motown from the disco inferno to the Million Man March from Woodstock's Summer of Love to the war in Vietnam and the race riots that inspired Marvin Gaye to write What's Going On. Originally published in 1998 *A Change Is Gonna Come* drew the attention of scholars and general readers alike. This new edition featuring four new and updated chapters will reintroduce Werner's seminal study of black music to a new generation of readers. Craig Werner is Professor of Afro American Studies at the University of Wisconsin and author of many books including *Playing the Changes* From Afro Modernism to the Jazz Impulse and *Up Around the Bend* An Oral History of Creedence Clearwater Revival. His most recent book is *Higher Ground* Stevie Wonder Aretha Franklin Curtis Mayfield and the Rise and Fall of American Soul.

Analysis of Jazz Laurent Cugny, 2019-03-20 *Analysis of Jazz* A Comprehensive Approach originally published in French as *Analyser le jazz* is available here in English for the first time. In this groundbreaking volume Laurent Cugny examines and connects the theoretical and methodological processes that underlie all of jazz. Jazz in all its forms has been researched and analyzed by performers, scholars and critics and *Analysis of Jazz* is required reading for any serious study of jazz but not just musicians and musicologists analyze jazz. All listeners are analysts to some extent. Listening is an active process it may not involve questioning but it always involves remembering, comparing and listening again. This book is for anyone who attentively listens to and wants to understand jazz. Divided into three parts, the book focuses on the work of jazz: analytical parameters and analysis. In part one Cugny aims at defining what a jazz work is, precisely offering suggestions based on the main features of definition and structure. Part two he dedicates to the analytical parameters of jazz in which a work is performed: harmony, rhythm, form, sound and melody. Part three takes up the analysis of jazz itself: its history, issues of transcription and the nature of improvised solos. In conclusion Cugny addresses the issues of interpretation to reflect on the goals of analysis with regard to understanding the history of jazz and the different cultural backgrounds in which it takes place. *Analysis of Jazz* presents a detailed inventory of theoretical tools and issues necessary for understanding jazz.

Miles Davis: Grove Music Essentials Jack Chambers, 2015-03-01 Biography of jazz trumpeter Miles Davis. This ebook is a static version of an article from Grove Music Online, a continuously updated online resource offering comprehensive coverage of the world's music written by leading scholars. For more information visit www.oxfordmusiconline.com.

Open Sky Eric Nisenson, 2015-08-04 Sonny Rollins is arguably the most influential tenor saxophonist that jazz has produced. He began his musical career at the tender age of eleven and within five short years he was playing with the legendary Thelonius Monk. In the late forties, before his twenty-first birthday, Rollins was in full swing recording with jazz luminaries such as Charlie Parker, Bud Powell, Max Roach, Art Blakey, Miles Davis and Fats Navarro. He was hailed as the best jazz tenor saxophonist alive during the years 1955 to 1959 when he was credited with pioneering the use of 3/4 time in bop music. Today, forty years later, Rollins's onstage appearances are eagerly anticipated events where his compelling sound

reaches a whole new generation of listeners Renowned jazz writer Eric Nisenson has penned a long overdue look at one of jazz music s brightest and most enduring stars **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **The Oxford Companion to Jazz** Bill Kirchner,2005-07-14 Essays cover major historical trends and figures discuss jazz in different countries review the role of most instruments and consider the place of jazz in other arts like dance literature and film N Y Times Book Rev This work is an effective single volume device leading current listeners to the music while including enough newer scholarship to retain the interest of connoisseurs Libr J

Round About Midnight A Portrait Of Miles Davis Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Round About Midnight A Portrait Of Miles Davis PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Round About Midnight A Portrait Of Miles Davis PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Round About Midnight A Portrait Of Miles Davis free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Round About Midnight A Portrait Of Miles Davis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Round About Midnight A Portrait Of Miles Davis is one of the best book in our library for free trial. We provide copy of Round About Midnight A Portrait Of Miles Davis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Round About Midnight A Portrait Of Miles Davis. Where to download Round About Midnight A Portrait Of Miles Davis online for free? Are you looking for Round About Midnight A Portrait Of Miles Davis PDF? This is definitely going to save you time and cash in something you should think about.
