Staikidis, 2020-07-20 To expand the possibilities of doing arts thinking from a non Eurocentric view Artistic Mentoring as a Decolonizing Methodology An Evolving Collaborative Painting Ethnography with Maya Artists Pedro Rafael Gonz lez

Chavajay and Paula Nicho C mez is grounded in Indigenous perspectives on arts practice arts research and art education

Mentored in painting for eighteen years by two Guatemalan Maya artists Kryssi Staikidis a North American painter and art education professor uses both Indigenous and decolonizing methodologies which involve respectful collaboration and

continuously reexamines her positions as student artist and ethnographer searching to redefine and transform the roles of

the artist as mentor historian activist ethnographer and teacher The primary purpose of the book is to illuminate the Maya artists as mentors the collaborative and holistic processes underlying their painting and the teaching and insights from their

studios These include Imagined Realism a process excluding rendering from observation and the fusion of pedagogy and curriculum into a holistic paradigm of decentralized teaching negotiated curriculum personal and cultural narrative as

thematic content and the surrounding visual culture and community as text The Maya artist as cultural historian creates

paintings as platforms of protest and vehicles of cultural transmission for example genocide witnessed in paintings as

historical evidence The mentored artist as ethnographer cedes the traditional ethnographic authority of the colonizing stance

to the Indigenous expert as partner and mentor and under this mentorship analyzes its possibilities as decolonizing arts based qualitative inquiry For the teacher Maya world views broaden and integrate arts practice and arts research inaugurating possibilities to transform arts education **Swimming in Puddles** Clint Lowe,2020-08-15 Want a meaningful life This innovative story reveals brave methods that will help you build a confident personality and an abundant life Joey is a young man struggling through life when he meets Art an old wise boxing trainer who challenges him to work at his gym and learn to fight for a meaningful life Joey apathetically begins scrubbing Art s gymnasium and carting sloppy spit buckets Gradually Joey is sparked into attempting to start his own business and into trying to woo a girl at the local grocers Both dreams fail With Joey defeated and depressed can he fight hard to change his emotions mentality and actions to start the business win the young girl s affections and create an abundant life Everyone should read it for the important life lessons it contains Reviewer A life guide that will help you achieve better things Reviewer I love the fact how it s a fictional story but also a self help book Reviewer **The Theosophical Quarterly** ,1919

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
