## **Roundabout Ransom:**

Roundabout Ransom ,1996      **The Fugitive Legacy** Charlotte H. Beck,2001-01-01 Previously the protagonists of John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In *The Fugitive Legacy* Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition *The Fugitive Legacy* fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature      **Soldiers Of Christ** Thomas F.X. Noble,Thomas Head,1995-01-02 To understand European culture and society in the Middle ages it is essential to understand the role of Christianity And there is no better way to understand that role than to study that religion's greatest human heroes the saints For if medieval Christians regarded God as their king then the saints were the Christian nobility human members of the divine court The purpose of *Soldiers of Christ* Saints and Saints Lives from Late Antiquity and the Early Middle Ages is to present some of the most significant records of the lives of those people considered to be saints In exploring these works the reader will be presented with rich evidence about the development of religion and society in western Europe from the late Roman empire to the great changes that transformed European society around the year 1000 Each text is newly annotated and prefaced by the editors and a general introduction on saints and saints lives makes this volume ideal for students and general readers alike Included are lives of Martin of Tours Augustine of Hippo Germanus of Auxerre Boniface of Crediton Willibrord Benedict of Aniane Leoba Willehad of Northumbria and Gerald of Aurillac as well as the Hodeporicon of Saint Willibald      **The Works of William Makepeace Thackeray: Round-about papers. Little travels and roadside sketches** William Makepeace Thackeray,1904      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975      **Dreams of Victory** Sean Michael Chick,2022-05-31 Chick does a good job of portraying General Beauregard as the first real hero of the Confederacy who at times proved his own worst enemy The NYMAS Review Few Civil War generals attracted as much debate and controversy as Pierre Gustav Toutant Beauregard He combined brilliance and charisma with arrogance and histrionics He was a Catholic Creole in a society dominated by white Protestants which made him appear exotic next to the likes of Albert Sidney Johnston and Robert E Lee He was reviled by Jefferson Davis and mocked by Mary Chesnut in her diary Yet he was popular with his soldiers and subordinates Outside of Lee he was the

South's most consistently successful commander winning at Bull Run defending Charleston in 1863 and defeating Benjamin Butler at Bermuda Hundred and Ulysses Grant and George Meade at Petersburg Yet he lived his life in the shadow of his one major defeat Shiloh Beauregard's career before and after the war was no less tumultuous He was born among the Creole elite of Louisiana but rejected the life of a planter in favor of the military inspired by tales of Napoleon He was considered a shining light of the antebellum army and performed superbly in the Mexican American War Yet he complained about a lack of promotion and made a frustrating stab at being mayor of New Orleans in 1858 After the war he was a successful railroad executive and took a stand against racism violence and corruption during Reconstruction but he was ousted from both railroads he oversaw and his foray into Reconstruction politics came to naught And though he provided for his family and left them a hefty sum after his death the money was mostly gained by working for the corrupt Louisiana Lottery In Dreams of Victory General P G T Beauregard in the Civil War Sean Michael Chick explores a life of contradictions and dreams unrealized in a biography of one of the most fascinating figures of the Civil War
