This book is a biography of my father who died in 1998 He has left many notes in anticipation of writing a book or books himself primarily to highlight his heritage upbringing and the history of the area in BC in which he lived namely Mount Lehman Due to his death I had to step up try to marshal all his notes and attempt to write his story as I perceive it In the process I had to conduct my own genealogical research as well as historical research of my relatives to confirm Dad s notes and to ensure my account is accurate I also researched the various organizations in Mount Lehman which were prominent in Dad s and my ancestor s lives as I believed that the book will also be important to the history of this area There is a dearth of comprehensive writing about the history of Mount Lehman The book is intended to tell the story of my father and our ancestors to those who had never met them or knew Dad and don t know all his stories I am especially proud of our family s heritage and ancestry and want to encourage my children and grandchildren to be aware of their ancestry and add to this story if they feel inclined to do so      *The Medical circular [afterw.] The London medical press & circular [afterw.] The Medical press & circular* ,1873      **The Lancet** ,1891      **The Parliamentary Gazetteer of England and Wales, Adapted to the New Poor-law, Franchise, Municipal and Ecclesiastical Arrangements, and Compiled with a Special Reference to the Lines of Railroad and Canal Communication as Existing in 1845-6** ,1848      *The Lancet London*
