Délibérations Et Mémoires de la Société Royale Du Canada Royal Society of Canada, 1928 True Tales Mikel B. Classen, 2022 What Were Pioneer Days Really Like in the U P The combination of mining maritime and lumbering history created a culture in the U P that is unique to the Midwest Discover true stories of the rough and dangerous times of the Upper Peninsula frontier that are as enjoyable as they are educational You ll find no conventional romantic or whitewashed history here Instead you will be astonished by the true hardships and facets of trying to settle a frontier sandwiched among the three Great Lakes These pages are populated by Native Americans and the European immigrants looking for their personal promised land whether to raise families avoid the law start a new life or just get rich no matter what it took Mineral hunters outlaws men of honor creating civilization out of wilderness and the women of strength that accompanied them the Upper Peninsula called to all Among the eye opening stories you ll find True Tales includes Dan Seavey the infamous pirate based out of Escanaba Angelique Mott who was marooned with her husband on Isle Royale for 9 months with just a handful of provisions and no weapons or tools Vigilantes who broke up the notorious sex trafficking rings protected by stockades gunmen and feral dogs in Seney Sac Bay Ewen Trout Creek Ontonagon and Bruce Crossing Klaus L Hamringa the lightkeeper hero who received a commendation of valor for saving the crews of the Monarch and Kiowa shipwrecks The strange story of stagecoach robber Reimund Black Bart Holzhey The whimsical tale of how Christmas Michigan got its moniker The backstories of famous pioneers such as Peter White George Shiras III Governor Chase Osborn and many others This book is a gold mine of vacation possibilities providing dozens of fascinating little known facts about many of the innumerable attractions found in Michigan s Upper Peninsula With the aid of a near countless parade of carefully selected historical images Mikel paints a picture the reader will not ever forget Michael Carrier author of Murder on Sugar Island Jack Handler mysteries Learn more at [www MikelBClassen com](http://www.MikelBClassen.com) From Modern History Press **Park Science** ,2012

Journal de la Société Royale D'astronomie Du Canada Royal Astronomical Society of Canada, 1917 Library catalogue in 1911 31 p appended to v 4 **Screenwriting Down to the Atoms: Digging Deeper Into the Craft of Cinematic Storytelling** Michael Welles Schock, Many books on screenwriting claim to have all the answers Yet quite often the more an aspiring writer reads the more confused they become by contradictory statements incomplete perspectives and methods that fail to do more than scratch the surface Screenwriting Down to the Atoms was written to end the confusion It picks up where the best leave off and makes up where the rest fall short by looking closer and digging deeper to reveal the true principles behind great cinematic storytelling Screenwriting Down to the Atoms takes the basics far beyond the basics Rather than the superficial approaches found in many guides Screenwriting Down to the Atoms explores screencraft from the inside out It boils the craft down to its simplest elements and then builds upon those fundamentals in a step by step manner clear enough for anyone to understand Most importantly rather than command writers to imitate WHAT tends to work in this or that movie

Atoms explains HOW movie structures work and WHY they are so effective revealing flexible principles that may be applied to any story Structure should adapt to the needs of the story not the other way around Whether you are working on your first screenplay or your fifteenth Screenwriting Down to the Atoms provides knowledge found in no other source You will discover storytelling's golden key an elegantly simple structure residing behind all other structures You will learn to satisfy viewers by fulfilling their wants needs and expectations You will understand how the most entertaining story experience arises from the creative control of information Most writers toil for years to learn these principles With Atoms you may take a giant leap forward from the very start Why remain stuck in the dusty short sighted methods of the past century Screenwriting Down to the Atoms offers the next generation screenwriting guide for the next generation of screenwriters

Welcome to Florida Craig Pittman, 2025-03-11 A much loved Florida writer chronicles the quirky touching and thought provoking stories of the Sunshine State today In *Welcome to Florida* award winning investigative journalist and New York Times bestselling author Craig Pittman introduces readers to the people creatures places and issues that make up the Florida of today Through lively stories told with cutting insight and always with a joke at the ready Pittman captures the heart of what he calls The Most Interesting State From threats to Florida's environment to a hippo that became an official state citizen these tales range from the moving to the bizarre Pittman follows the escapades of crime writers hungry predators politicians and developers across the state At the core of this collection is a deep sense of admiration for the resilience of those who live here Again and again this book showcases the power of ordinary Floridians fighting to save some part of the state that they hold dear Often that means folks rallying to protect the state's unique natural landscape sometimes it means former CIA agents incorporating their own island community *Welcome to Florida* is both a love letter to and hilarious deep dive into the nation's fastest growing state Imbued with Pittman's characteristic humor and undeniable fondness for both the weird and wonderful parts of his home this book shows why despite some of its reputations Florida continues to prove irresistible

Wilderness in National Parks John C. Miles, 2011-07-01 *Wilderness in National Parks* casts light on the complicated relationship between the National Park Service and its policy goals of wilderness preservation and recreation By examining the overlapping and sometimes contradictory responsibilities of the park service and the national wilderness preservation system John C Miles finds the National Park Service still struggling to deal with an idea that lies at the core of its mission and yet complicates that mission nearly one hundred years into its existence The National Park Service's ambivalence about wilderness is traced from its beginning to the turn of the twenty first century The Service is charged with managing more wilderness acreage than any government agency in the world and in its early years frequently favored development over preservation The public has perceived national parks as permanently protected wilderness resources but in reality this public confidence rests on shaky ground Miles shows how changing conceptions of wilderness affected park management over the years with a focus on the tension between the goals of providing recreational spaces for the American people and leaving lands pristine and

undeveloped for future generations **Asian Horror** Andy Richards,2010-08-01 Since Japanese horror sensations *The Ring* and *Audition* first terrified Western audiences at the turn of the millennium there's been a growing appreciation of Asia as the hotbed of the world's best horror movies Over the last decade Japan South Korea Thailand and Hong Kong have all produced a steady stream of stylish supernatural thrillers and psychological chillers that have set new benchmarks for cinematic scares Hollywood soon followed suit producing high profile remakes of films such as *The Ring* *Dark Water* *The Grudge* and *The Eye* With scores of Asian horror films now available to Western audiences this guide helps viewers navigate the eclectic mix of vengeful spooks yakuza zombies feuding warlocks and devilish dumplings discussing the grand themes of Asian horror cinema and the distinctive national histories that give the films their special resonance Tracing the long and noble tradition of horror stories in eastern cultures it also delves into some of the folktales that have influenced this latest wave of shockers paying tribute to classic Asian ghost films throughout the ages **Mountain of My Dreams** Richard T. Antony,2007-07 In the late 1970s Richard convinced his wife Sandra they should leave their promising professional careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the Blue Ridge Mountains With no horticultural training or business experience few mechanical skills and absolutely no idea what they were getting themselves into numerous adventures followed In the third book in the planned four book series Richard continues the couple's colorful story a story of triumph and despair of high expectations and harsh reality and of the people who touched their lives along the way In the tradition of Laura Ingalls Wilder's *Little House* series *Mountain of My Dreams* shares the true story of one family's memorable often remarkable 30 year journey Much more than just another back to the land chronicle this is a heartwarming tale of a man a woman and their belief in each other If you've ever wondered why the less traveled road is less traveled you need to read their story **The Pop Culture Parent** Theodore A. Turnau, III,E. Stephen Burnett,Jared Moore,2020-05-04 Knowing how to deal with popular culture as a parent can be overwhelming How can you enter into your children's lives and connect with their interests but still point them toward Jesus Most parents fear the influence of popular culture or ignore it altogether This guide equips parents to raise grace oriented disciples and cultural *The Storymakers* ,2000 Explore the lives of 83 of the most talented children's authors writing today Told in the authors own words these lively biographies describe the creative process and offer advice to today's young writers Learn how they create wonderful books where they get their ideas what their desks look like and what their favourite books were when they were growing up
