Send Me Your Journey To The Nations:

Send Me! Steve Hoke, William Taylor, 1999-06-01 This hands on workbook has been designed for two kinds of people those who have a deep desire to serve God overseas and those who want to help them It has not been designed to persuade people to become missionaries Rather it assumes an initial interest an early indication or drive somewhere inside that God may have more for you than you previously thought It is aimed at two primary readers college university students and young career persons as well as committed older adults facing the challenge of an early retirement or career change The information this workbook presents will also help churches campus groups schools missionary training centers and agencies to think and pray through short term and long term plans with those responding to God's call Global Mission Handbook Steve Hoke, Bill Taylor, 2012-04-25 Veteran mission professionals Steve Hoke and Bill Taylor offer a practical guide for preparing for intercultural missions They provide resources for personal spiritual preparation as well as crosscultural skills and hands on missionary training Noticing God Richard Peace, 2012-05-25 Where is God How do we encounter God How do we know it is God we encounter and not some figment of our imagination Is it possible to know God in some sort of relational way Richard Peace believes it is But it requires a certain level of awareness a certain discipline of the heart Peace calls it the spiritual discipline of noticing God In this book he unpacks what it means to make a conscious practice noticing God in daily life He explores the various ways people experience and recognize God's presence including mystical encounters ordinary daily life within our hearts through other people through Scripture nature and the church Throughout he returns to the question of discernment helping you understand how you can know that it is indeed God you are meeting in each of these places not just some fanciful figment of the imagination God is deeply present in our world and you can actually encounter him Here's how **Worth Keeping** Rob Hay, Valerie Lim, Detlef Blocher, 2007-06-01 Worth Keeping is more than worth just reading I urge church and missional leaders to reflect on the research and absorb the principles contained in this important volume I am convinced if we put into practice its recommendations we will see more effective missionaries who feel valued as servants of the living God Worth Keeping should be required reading for all mission leaders and local church mission teams Geoff Tunnicliffe International Director World Evangelical Alliance Canada This book was published in partnership with the World Evangelical Alliance Pipeline David J. Wilson, Lorane Wilson, 2018-05-01 What would it look like if your church really took the last words of Jesus seriously The Great Commission was not just a suggestion by our Lord but an imperative mandate given to his followers Missionary sending agencies are deploying workers to the field but many of them come from disengaged churches that are not producing well equipped disciples We need a fully integrated global supply chain a pipeline that has disciples as the precious commodity as well as an effective infrastructure to distribute and replicate them around the globe Pipeline seeks to re engage the church in mobilizing the next generation of workers for the harvest This is a collaboration of forty different authors from churches agencies and cross cultural servants As people in distant places wait

for a messenger of hope and salvation will your church venture into the pipeline *To Timbuktu and Beyond* Marsha Woodward, 2009-06-01 Timbuktu has become a metaphor for remote and inaccessible locations However it is a real place with real people Like much of the world s population few of Timbuktu s residents have had the opportunity to hear the Gospel While the task may seem daunting the Church is not sitting still Each year hundreds of Christians are joining the vast force of cross cultural missionaries flung around the globe *To Timbuktu and Beyond* serves as a practical step by step guide for those getting ready to go into missions It begins with the basic question of knowing and confirming your calling working through the various steps of preparation training and logistics and carrying you through your first few months on the field Each chapter has a series of tasks for you to prayerfully complete Missions is the most fulfilling career path you could possibly embark on not to mention an incredible adventure *To Timbuktu and Beyond* will help you in preparation for your journey because what you do before you go will have a significant impact on your future success **Authentic Managerial**

Orr, 2011-07 Robert A Orr lives a fulfilling life which began with his birth in Argentina his boyhood and teenage years in Brazil and his college education and pilot s training in Canada He served as a trainer and pilot for seventeen years in Brazil and returned to Canada where he and his wife Adriana now live With a passion burden and commitment to address and meet the blatant need for authentic leadership and management training Robert continues to teach and mentor Christian leaders and leaders in the making around the world Three of his objectives are 1 Provide this resource material in many languages 2 Make this resource tool widely available to Christian workers missions ministries and the Church 3 Assist in meeting the crying need for a new strong youthful motivated energetic and visionary authentic managerial leadership characterized by godly principles and learned managerial skills What a massive amount of research has gone into this very fine guide I wish I could have had a copy of something like this 30 years ago I trust that it is getting into the hands of a large number of leaders and managers in our Christian community who can certainly use the guidance and direction you supply I was most pleased to note the number of times you quoted me and my writings in the manual I m complemented I was pleased to note that it is being translated into other languages for leaders in other cultures I trust that God will continue to use you and this type of training material to His glory for many years to come Dr Ted W Engstrom President Emeritus World Vision

Journey of the Innocent Aida Payton, 2012-06 My name is Aida Payton and this is my true story Find out the true word of God inside this book based on my life experiences here in the United States of America and the Philippines I am the person that never went to school or tutorial and yet Jesus himself taught me the holy family Angels and all saints Find out Gods or Jesus name in more than 500 translations into different names The reason I wrote this book is because a lot of people misinterpreted the word of God and use God s name for war Example like for Christians and Muslims killing each other for nothing I would say I am going to correct this the way God Jesus teaches me We re supposed to treat each other like Brothers and Sisters Uncles and Aunts Niece and Nephews Grand Father s and Grand Mother s We are supposed to respect each

other We are not supposed to be fighting each other because of different religions or because we were raised differently That is beyond God s Imaginations so here I am he sent me to deliver his message to all kinds of people in this world That s why I have to write his name into different languages because we speak different languages That s why we call God Jesus in different names In my next Book I will write how People got deceived by bad spirit I say this because it happened to me and because of God Almighty s Jesus Christ help bad spirit no place in his Distractions He can never win over me We worship the same God in different names

My Journey from Islam to Christianity Kenny Abdulsalam,2015-05-29 This book is about my life growing up as a Muslim boy and young Islamic scholar in West Africa In search for answers I arrived at the truth through objective study of the Bible and the Quran I began to discover the errors in the Quran Many Muslims have been misled which will be demonstrated in this book and some have become extremists as a result For those who have the potential to become Islamic extremists and terrorists and for the Christian reader this book is my attempt as a former Muslim to create a bridge between the Islamic and Christian world Without judgment or condemnation this is my way of reaching out to my Muslim brethren so that we can at least have a conversation about Jesus Christ and Mohammed

Too Valuable to Lose William David Taylor,1997 Does God really care about His servants Yes Do we care for our people who are serving the Lord in cross cultural ministry The Reducing Missionary Attrition Project ReMAP launched by World Evangelical Fellowship Missions Commission seeks to answer that question in this important study This book utilizes the findings of a 14 nation study done by ReMAP and will help supply some very encouraging answers This book was published in partnership with the World Evangelical Alliance
