## **Seneca Thanksgiving Rituals:**

**Seneca Thanksgiving Rituals** Wallace L. Chafe,1982-02-01      **Seneca Thanksgiving Rituals (Classic Reprint)**

Wallace L. Chafe,2018-12-13 Excerpt from Seneca Thanksgiving Rituals The word thanksgiving seems no worse a choice than any other and has been used by most previous writers When confronted with the Seneca words involved some speakers balk at any attempt to give an English equivalent Others translate to some extent according to context as thank be thankful or grateful to or for rejoice in bless greet The trouble is that the Seneca concept is broader than that expressed by any simple English term and covers not only the conventionalized amenities of both thanking and greeting but also a more general feeling of happiness over the existence Of something or someone One result is that the English distinction between give thanks to and give thanks for has no relevance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Seneca Thanksgiving Rituals** Wallace Leseur Chafe,1961      *Seneca Thanksgiving Rituals* L. Chafe,2013-03-01 Bonded Leather binding      **Seneca Thanksgiving Rituals** Wallace L. Chafe,1961      *Seneca Thanksgiving Rituals [with Bibliography]* ,1961      *Seneca Thanksgiving Rituals, by Wallace L. Chafe. [Bureau of American Ethnology Bulletin 183.]* ,1961      **Responsibility and Evidence in Oral**

**Discourse** Jane H. Hill,1993-06-03 In Responsibility and evidence in oral discourse twelve prominent linguists and linguistic anthropologists examine responsibility authority and knowledge central but problematic concepts in contemporary anthropology Their detailed case studies analyze diverse forms of oral discourse everyday conversation conversational narrative song oratory divination and ritual poetry in societies in the Americas Africa Asia and the Pacific The studies show how speakers attribute responsibility for acts and states of affairs how particular forms of language and discourse relate to claims and disclaimers of responsibility and how verbal acts are themselves social acts subject to such attributions The volume challenges those cognitive theorists who locate responsibility for the meaning of verbal acts solely in the intentions of individual speakers Instead the contributors focus on the production of meaning between speakers and audiences in particular social and cultural contexts through dialogue and interaction which mediate between linguistic forms and their interpretations This landmark volume will serve for years to come as a point of reference in the study not only of responsibility and evidence but of reported speech authorship and other phenomena in the social life of language Besides linguistic and cultural anthropologists linguistics and folklorists it will interest also readers from pragmatics legal studies sociology religion and social psychology      *Ethnographies and Exchanges* Anthony Gregg Roeber,2010-11 This volume

explores the interactions of two seventeenth and eighteenth century European settlement peoples with Native Americans German speaking Moravian Protestants and French speaking Roman Catholics It is among these two European groups that we have some of the richest records of the exchange between early settlers and Native Americans **BOOK JACKET** Haa Tuwunáagu Yís, for Healing Our Spirit Nora Dauenhauer, Richard Dauenhauer, 1990 Haa Tuwunaagu Yis for Healing Our Spirit is the first publication of Tlingit oratory recorded in performance It features Tlingit texts with facing English translations and detailed annotations photographs of the orators and the settings in which the speeches were delivered and biographies of the elders There are thirty two speeches by twenty one Tlingit elders Most were taped between 1968 and 1988 but two speeches were recorded on wax cylinders by the Harriman Expedition in Sitka in 1899 and are the oldest known sound recordings of Tlingit The book is of importance both to native and non native readers alike For those of Native American heritage it articulates concepts understood and practiced by elders but difficult for them to explain and often bewildering to younger generations For people around the world interested in Northwest Coast culture it offers new insights into a traditional world view and the classics of Tlingit oral literature Careful attention is given to transcription translation and annotation by the collaboration of Nora Marks Dauenhauer a native speaker of Tlingit and a published poet with a degree in anthropology and her husband Richard Dauenhauer a translator of European poetry and a former poet laureate of Alaska with a Ph D in comparative literature Iroquois Corn in a Culture-Based Curriculum Carol Cornelius, 1999-01-01 Provides a framework and an example for studying diverse cultures in a respectful manner using the thematic focus of corn to examine the Haudenosaunee Iroquois culture Seneca Thanksgiving Rituals Wallace L. Chafe, 1988-05-01 **Native North American Spirituality of the Eastern Woodlands** Elisabeth Tooker, 1979 This work makes available for the first time in a single volume a representative collection of the major spiritual texts from the Native American Indian peoples of the East Coast Elisabeth Tooker professor of anthropology at Temple University and and editor of The Handbook of North American Indians presents the sacred traditions of the Iroquois Winnibego Fox Menominee Delaware Cherokee and others Included here are cosmological myths thanksgiving addresses dreams and visions speeches of the shamans teachings of parents puberty fasts blessings healing rites stories songs ceremonials for fires hunting wars feasts and the rituals of various spiritual societies **Explorations in the Ethnography of Speaking** Richard Bauman, Joel Sherzer, 1989-10-19 Classic case studies surveying the use role and function of language and speech in social life *An Analytical History of the Seneca Indians* Arthur Caswell Parker, 1926 **At the Font of the Marvelous** Anthony Wonderley, 2009-06-01 The folktales and myths of the Iroquois and their Algonquian neighbors rank among the most imaginatively rich and narratively coherent traditions in North America Inspired by these wondrous tales Anthony Wonderley explores their significance to Iroquois and Algonquian religions and worldviews Mostly recorded around 1900 these oral narratives preserve the voice and something of the outlook of autochthonous Americans from a bygone age when storytelling was an important facet of daily life Grouping

the stories around shared themes and motifs Wonderley analyzes topics ranging from cannibal giants to cultural heroes and from legends of local places to myths of human origin Approached comparatively and historically these stories can enrich our understanding of archaeological remains ethnic boundaries and past cultural interchanges among Iroquois and Algonquian peoples

**The Little Water Medicine Society of the Senecas** William Nelson Fenton, 2002 For the Seneca Iroquois Indians song is a crucial means of renewing both medicine and heritage Two or three times a year the Little Water Medicine Society of western New York meets to renew the potency of its medicine bundles through singing These bundles have been inherited from eighteenth century Iroquois war parties handed down from generation to generation In this long awaited book William N Fenton describes the remarkable ceremonies of one of the least recorded but most significant medicine societies of the Iroquois Indians Most of the Senecas who were members of the Little Water Society or Society of Shamans have passed away and their knowledge of ceremonial healing and spiritual renewal is fading Fenton has written this book to preserve knowledge of the ceremonies and songs for the Iroquois people and as a contribution to anthropology folklore ethnomusicology and American Indian studies In The Little Water Medicine Society of the Senecas he presents his original 1933 fieldwork along with details from the published and unpublished works of other researchers to describe rituals poetry and songs drawn from his more than six decades of research among the Six Nations

**Extending the Rafters** Michael K. Foster, Jack Campisi, Marianne Mithun, 1984-01-01 To the Iroquois extending the rafters meant adding onto the longhouse both in the literal sense of making room for new families and in the figurative sense of adding adopted individuals or tribes to the League of Five Nations Similarly this book extends Iroquois studies The distinguished contributors represent such diverse areas of anthropology as ethnology ethnohistory and archaeology They address issues that cut across disciplinary lines making this book a significant state of the art survey The topics explored revolve around the influence contributions field work and teachings of anthropologist William N Fenton a founder of the discipline of ethnohistory The essays run the gamut from prehistory to contemporary political issues from individuals to women and nations and from language to ritual

The Great Law and the Longhouse William Nelson Fenton, 1998 The Great Law a living tradition among the conservative Iroquois is sustained by celebrating the condolence ceremony when they mourn a dead chief and install his successor for life on good behavior This ritual act reaching back to the dawn of history maintains the League of the Iroquois the legendary form of government that gave way over time to the Iroquois Confederacy Fenton verifies historical accounts from his own long experience of Iroquois society so that his political ethnography extends into the twentieth century as he considers in detail the relationship between customs and events His main argument is the remarkable continuity of Iroquois political tradition in the face of military defeat depopulation territorial loss and acculturation to European technology

**Rhetoric and Poetics in Antiquity** Jeffrey Walker, 2000 In reply to traditional rhetorical histories which tend to view rhetoric as in essence an art of practical civic oratory Rhetoric and Poetics in Antiquity argues in four extended multi chapter essays that

epideictic and poetic eloquence was central even fundamental to the rhetorical tradition in antiquity This volume also offers a revised rhetorical conception of epideictic and poetic discourse BOOK JACKET
