McGuire, 2022-10-18 A mother s beautiful elegy to her son lost to overdose Holden After and Before is a moving meditation on grief a stunning book that traces Tara McGuire s excavation and documentation of the life path of her son Holden a graffiti artist who died of an accidental opioid overdose at the age of twenty one Beginning with Holden s death and leaping through time and space McGuire employs fact investigation memory fantasy and even fabrication in her search for understanding not only of her son s tragic death but also his beautiful life She navigates and writes across the many blank spaces to form a story of discovery and humanity examining themes of grief pain mental illness trauma creative expression identity and deep unending love inside just one of the thousands of deaths that have occurred as a result of the opioid crisis With poignant honesty and a heart laid bare Holden After and Before is a beautiful and moving elegy to a son lost to overdose

The Nature of Being Human Harold Fromm, 2009-05-04 Although the physical relationship between the natural world and individuals is quantifiable the psychosocial effect of the former on the latter is often less tangible What for instance is the connection between the environment in which we live and our creativity How is our consciousness bounded and delimited by our materiality And from whence does our idea of self and our belief in free will derive and when do our surroundings challenge these basic assumptions Ecocritic Harold Fromm s challenging exploration of these and related questions twines his own physical experiences and observations with insights gathered from both the humanities and the sciences Writing broadly and personally Fromm explores our views of nature and how we write about it He ties together ecology evolutionary psychology and consciousness studies to show that our perceived separation from our surroundings is an illusory construct He argues for a naturalistic vision of creativity free will and the literary arts unimpeded by common academic and professional restraints At each point of this intellectual journey Fromm is honest engaging and unsparing Philosophical critical often personal Fromm s sweeping interdisciplinary and sometimes combative essays will change the way you think about your place in the environment *Orange Coast Magazine*, 2001-01 Orange Coast Magazine is the oldest continuously
