Sense Nonsense In The Office:

The True Priesthood of Christ Stated and Defended; Or, Christ a Priest, when He was on Earth, Etc. Being an Answer to a Discourse Concerning the Priesthood of Jesus Christ. In which the Socinian Abominations, on that Head, are Exploded, Etc Rev. David MILLAR (A.M.),1749 *Taming the System* Samuel Walker,1993-05-20 It is a truism that the administration of criminal justice consists of a series of discretionary decisions by police prosecutors judges and other officials *Taming the System* is a history of the forty year effort to control the discretion It examines the discretion problem from the initial discovery of the phenomenon by the American Bar Foundation in the 1950s through to the most recent evaluation research on reform measures Of enormous value to scholars reformers and criminal justice professionals this book approaches the discretion problem through a detailed examination of four decision points policing bail setting plea bargaining and sentencing In a field which largely produces short ranged evaluation research this study in taking a wider approach distinguishes between the role of administrative bodies the police and evaluates the longer term trends and the successful reforms in criminal justice history **Gender and Laughter** ,2016-08-09 This essay collection is dedicated to intersections between gender theories and theories of laughter humour and comedy It is based on the results of a three year research programme entitled Gender Laughter Media 2003 2006 and includes a series of investigations on traditional and modern media in western cultures from the 18th to the 20th century A theoretical opening part is followed by four thematic sections that explore the multiple forms of irritating stereotypical gender perceptions aspects of post colonialism and multiculturalism the comic impact of literary and media genres in different national cultures as well as the different comic strategies in fictional philosophical artistic or real life communication The volume presents a variety of new approaches to the overlaps between gender and laughter that have only barely been considered in groundbreaking research It forms a valuable read for scholars of literary theatre media and cultural studies at the same time reaching out to a general readership **Come to Your Senses** Joan Brock,2012-10-01 From the sense of sight to the sense of peace and from the sense of humor to the sense of loss the wealth of all you have within your own self is unimaginable Explore how you can complete each day by filling the hours with your own life experiences This book will inspire you to Travel through a world that will challenge you to examine and study insights from your own life experiences Utilize the food for thought provided from the perspective of a woman who has been to the deepest depths of loss and has climbed back up from those valleys of despair Evaluate your own insights to be able to put life in its proper perspective thus heading you in a positive productive direction Complete the whole picture to reach your full potential and thus achieve true happiness in life *ERDA Telephone Directory* ,1975 A Cultural History of the Senses in the Modern Age David Howes,2014-10-23 In the 20th century many aspects of life became a matter of perception in the wake of the multiplication of media stylistic experimentation and the rise of multiculturalism Life sped up as a result of new modes of transportation automobiles and airplanes and communication telephones and personal computers

which emphasized the rapid movement of people and ideas The proliferation of synthetic products and simulated experiences from artificial flavors to video games in turn created heady virtual worlds of sensation This progressive mediation and acceleration of sensation along with the sensory and environmental pollution it often spawned also sparked various countertrends such as the back to nature movement the craft movement slow food and alternative medicine This volume shows how attending to the sensory dynamics of the modern age yields many fresh insights into the intertwined processes which gave the 20th century its particular feel of technological prowess and gaudy artificiality A Cultural History of the Senses in the Modern Age presents essays on the following topics the social life of the senses urban sensations the senses in the marketplace the senses in religion the senses in philosophy and science medicine and the senses the senses in literature art and the senses and sensory media
