

# THE DECLARATION OF SENTIMENTS

- They started their declaration by stating "We hold these truths to be self-evident that all men and women are created equal."
- The Declaration of Sentiments listed out the acts of tyranny by men over women—men didn't give women the right to vote, men didn't give women the right to own property, men didn't even give women the right to control their own money!
- The people at the convention agreed on resolutions (laws) that should be passed to protect women against these injustices.
