Hiking Sequoia and Kings Canyon National Parks Laurel Scheidt,2022-07-01 Sequoia and Kings Canyon National Parks situated in California s rugged Sierra Nevada boast some of the most spectacular landscapes on the continent towering groves of giant sequoia trees crystalline trout rivers jagged peaks and alpine meadows and Mount Whitney the highest mountain in the lower 48 Discover over 80 of the best hikes in the parks from easy day hikes to challenging backpacking trips accompanied by colorful photos and trail maps Fully updated and revised this book is a personal guide to the wonders of the California Sierra **An Educational Guide to the National Park System** Carol Smallwood,1989 A guide to the unique resources available from 327 national park system facilities *Sequoia & Kings Canyon* William C. Tweed,1997 The very best in brilliant full color photography in a large format book with accurate readable interpretive text on the natural scene and the human history of national parks and monuments throughout the country Each **Sequoia-Kings Canyon** William C. Tweed,1980 Historic Spots in California Douglas E. Kyle,Hero Eugene Rensch,Ethel Grace Rensch,Mildred Brooke Hoover,William Abeloe,2002-09-06 The only complete guide to the historical landmarks of California this standard work has now been thoroughly revised and updated The edition is enriched by some 200 photographs most of which were taken by the reviser and all of which are new to this edition Since the last revision in 1990 enormous changes have taken place within the state many landscapes and buildings have been greatly altered and some are no longer in existence Every effort has been made through personal observation to record the present condition of the landmarks and to provide clear and accurate descriptions of their locations The text is written with the idea that the reader might use the book while traveling around the

state and thus mileage and signposts have been given where it was thought helpful For this new edition the reviser has added additional information on the state s geography the presence of Native Americans and state and local museums To provide historical background the reviser has written a short historical overview The chapters of the book are organized by county in alphabetical order A rough chronology is followed for each county beginning with pertinent facts on geography continuing with Native American life the coming of the Spaniards and other Europeans the American conquest of the 1840s and in those areas where it had a major impact the gold rush The text then continues into the period of intensive agricultural development railroads industrialization the growth of cities the effects of World War II and on into more recent times The bibliography like the text has been updated to 2001 and includes some of the established classics in California history as well as more recent material Reviews of the Fourth Edition

Prodigious in detail and scope this is the definitive guide to historical landmarks in California and a valuable resource not only for travelers but also for anyone interested in California history

California Highways This is an outstanding and accessible piece of scholarship one that every student of California will value

San Francisco Chronicle Kyle and Stanford University Press are to be lauded for this monumental undertaking

Southern California Quarterly **King Sequoia** William C. Tweed,2015-10-01 A naturist and historian for the National Parks Service offers a lively history of the giant sequoias of California and the love of nature they inspired Former park ranger William C Tweed takes readers on a tour of some of the world s largest and oldest trees in a narrative that travels deep into the Sierra Nevada mountains across the American West and all the way to New Zealand Along the way he explores the American public s evolving relationship with sequoias also known simply and affectionately as Big Trees It s no surprise that the sequoia groves of Yosemite and Calaveras were early tourist destinations The species was the embodiment of California s superlative appeal These giant redwoods were so beloved that special protections efforts sprang up to protect them from logging interests and so began the notion of National Parks Later as science evolved to consider landscapes more holistically sequoias once again played a major role in shaping this new perspective Featuring a fascinating cast of adventurers researchers politicians and environmentalists King Sequoia reveals how one tree species transformed Americans connection to the natural world Angels in the Wilderness Amy Racina,2005 A first person account of a fateful solo hiking trip into California s Sierra Nevada mountains *Historic Redwood National and State Parks* Gail L. Jenner,2016-05-01 If redwood trees could share their stories what would they say Some of these giants are thousands of years old but all have witnessed some truly unique moments in history Historic Redwood National and State is a vibrant collection of essays sharing different parts of Redwood National Park s history from the Native Americans and the early explorers to park visitors today Celebrate the 100th anniversary of the National Park Service and learn more about the cultural political and natural history of Redwood National and State Parks **National Parks** ,1988 **Fodor's National Parks of the West** ,1992 **General Technical Report PSW.** ,1978 Fire Jack De Golia,1989 Mankind s companion and foe fire presents opportunities for new
