Serbs And Croats The Struggle In Yugoslavia:

Serbs and Croats Alex N. Dragnich, 1992 Discusses the ideals and hopes that the South Slavs brought to Yugoslavia their attempt to create a workable political system and the reasons behind the chaos of recent months *A Legal Geography of Yugoslavia's Disintegration* Ana S. Trbovich, 2008-02-05 The author explains the violent break up of the former Yugoslavia in the early 1990s in the context of two legal principles sovereignty and the self determination of peoples She also offers an analysis of Kosovo's future status international recognition of secession implications for other conflicts and much more

New Perspectives on Yugoslavia Dejan Djokić, James Ker-Lindsay, 2010-10-04 Nearly twenty years after it ceased to exist as a multinational federation Yugoslavia still has the power to provoke controversy and debate Bringing together contributions from twelve of the leading scholars of modern and contemporary South East Europe this volume explores the history of Yugoslavia from creation to dissolution Drawing on the very latest historical research this book explains how the country came about how it evolved and why eventually it failed From the start of the twentieth century through the First World War the interwar years and the Second World War to the road to socialism under President Tito and the wars of Yugoslav succession in the 1990s this volume provides up to date analysis of the causes and consequences of a range of events that shaped the development of this remarkable state across its various iterations The book concludes by examining post conflict relations in the era of European integration Traversing ninety years of history this volume presents a fascinating story of how a country that once served as the model for multiethnic states around the world has now become a byword for ethno national fragmentation and conflict Contributors include Dejan Djoki James Ker Lindsay Connie Robinson Mark Cornwall John Paul Newman Tomislav Duli Stevan K Pavlowitch Dejan Jovi Neboj a Vladislavleji Florian Bieber Jasna Dragovi Soso and Eric Gordy **The National Question in Yugoslavia** Ivo Banac, 2015-06-09 Even before it collapsed into civil war ethnic cleansing and dissolution Yugoslavia was an archetypical example of a troubled multinational mosaic a state without a single national base or even a majority Its stability and very existence were challenged repeatedly by the tension between the pressures for overarching political cohesion and the defense of separate national identities and aspirations In a brilliant analysis of this complex and sensitive national question Ivo Banac provides a comprehensive introduction to Yugoslav political history His book is a genetic study of the ideas circumstances and events that shaped the pattern of relations among the nationalities of Yugoslavia It traces and analyzes the history and characteristics of South Slavic national ideologies connects these trends with Yugoslavia's flawed unification in 1918 and ends with the fatal adoption of the centralist system in 1921 Banac focuses on the first two and a half years in the history of the Kingdom of the Serbs Croats and Slovenes because in his view this was the period that set the pattern for subsequent development of the national question The issues that divided the South Slavs and that still divide them today took on definite form during that time he maintains Banac provides extensive treatment of all of Yugoslavia's nationalities his sections on the Montenegrins Albanians Macedonians and

Bosnian Muslims are unique in the literature In this unbiased account all of the principals and groups assume a tragic fascination When published in 1984 *The National Question in Yugoslavia* was the first complete introduction to the cultural history of the South Slavic peoples and to the politics of Yugoslavia and it remains a major contribution to the scholarship on modern European nationalism and the stability of multinational states

cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 **Explaining Yugoslavia** John B. Allcock,2000 Traversing the politics economics demography and culture of the former Yugoslavia John B Allcock examines and makes sense of the region s troubled past and troubling present Though many think of the Balkans as a uniquely troubled region the author asserts that the continuities in Balkan history constitute the same processes of development that have occurred in other societies and are part of the ongoing process of global modernization **Great Britain and the East** ,1929 **With Stalin against Tito** Ivo Banac,2018-10-18 In 1948 in a series of moves that culminated in the famous Cominform Resolution Stalin struck at the Communist Party in Yugoslavia provoking the first split in the Communist state system With this long awaited book Ivo Banac becomes the first scholar to assess the domestic consequences of Yugoslavia s expulsion from the Cominform and his findings will radically revise some of our most basic assumptions about Tito s revolution Banac s subject is the nature and fate of those elements in the Yugoslav Communist party who were said to have sided with Moscow against their own country s leadership He demonstrates that the so called Cominformists represented as much as twenty percent of the party membership and had widely divergent aims He then reconstructs the history of the labyrinthine factional struggles that preceded and accompanied the 1948 split and shows that as always the national question played the dominant role in Yugoslav politics After identifying the members of the opposition and mapping its course Banac recounts the harsh repression of the movement He provides massive documentation of startling irony the conflict with Stalin played the same part in the shaping of Yugoslavia s political system as the collectivization and purges of the 1930 s did in the history of Soviet communism **The Balkans in the Cold War: Balkan Federations, Cominform, Yugoslav-Soviet Conflict** Pavlović, Vojislav G.,2011-01-01 **The Former Yugoslavia's Diverse Peoples** Matjaz Klemencic Ph.D.,Mitja Zagar,2003-12-02 This authoritative exploration of the ethnic history of the former Yugoslavia traces the roots of the conflicts that convulsed the region in the 1990s At the end of the 20th century interregional conflicts in the former Yugoslavia culminated with Slobodon Milo evic s campaign of ethnic cleansing which led to NATO intervention and ultimately revolution What ignited these conflicts What can we learn from them about introducing democracy in multiethnic regions What does the future hold for the region To answer these questions this timely volume examines the ethnic history of the former Yugoslavia From the settlement of the South Slavs in the 6th century to the present paying special attention to the post World War II era the crisis and democratization in the 1980s and the disintegration of the country in the early 1990s This comprehensive single volume traces the bloody history of the region through to the fragile alliances of its present day countries ***Boundaries and Borders in the Post-Yugoslav Space*** Nenad Stefanov,Srdjan Radović,2021-10-25 The disintegration of Yugoslavia accompanied by the emergence of new borders is paradigmatically highlighting the relevance of borders in processes of societal change crisis and conflict This is even more

the case if we consider the violent practices that evolved out of populist discourse of ethnically homogenous bounded space in this process that happened in the wars in Yugoslavia in the 1990ies Exploring the boundaries of Yugoslavia is not just relevant in the context of Balkan area studies but the sketched phenomena acquire much wider importance and can be helpful in order to better understand the dynamics of bordering societal space that are so characteristic for our present situation

International Intervention and the Problem of Legitimacy Andrew C. Gilbert, 2020-08-15 In *International Intervention and the Problem of Legitimacy* Andrew C Gilbert argues for an ethnographic analysis of international intervention as a series of encounters focusing on the relations of difference and inequality and the question of legitimacy that permeate such encounters He discusses the transformations that happen in everyday engagements between intervention agents and their target populations and also identifies key instabilities that emerge out of such engagements Gilbert highlights the struggles entanglements and inter dependencies between and among foreign agents and the people of Bosnia Herzegovina that channel and shape intervention and how it unfolds Drawing upon nearly two years of fieldwork studying in postwar Bosnia and Herzegovina Gilbert's probing analysis identifies previously overlooked sites processes and effects of international intervention and suggests new comparative opportunities for the study of transnational action that seeks to save and secure human lives and improve the human condition Above all *International Intervention and the Problem of Legitimacy* foregrounds and analyzes the open ended innovative and unpredictable nature of international intervention that is usually omitted from the ordered representations of the technocratic vision and the confident assertions of many critiques

Central and South-Eastern Europe 2003 Europa Publications, 2002 An in depth survey of the region presenting the latest economic and political developments It includes expert comment on issues of regional importance up to date statistics a directory of institutes and companies and political profiles

Ethnic Violence and the Societal Security Dilemma Paul Roe, 2004-08-02 *Ethnic Violence and the Societal Security Dilemma* explores how the phenomenon of ethnic violence can be understood as a form of security dilemma by shifting the focus of the concept away from its traditional concern with state sovereignty to that of identity instead The book includes case studies on ethnic violence between Serbs and Croats in the Krajina region of Croatia August 1990 ethnic violence between Hungarian and Romanians in the Transylvania region of Romania March 1990

The Fragmentation of Yugoslavia A. Pavkovic, 1996-12-04 The fragmentation of Yugoslavia is a culmination of the process of creation of nation states in the region which started early in the 19th century Already at the time the national ideologies of Serbs and Croats as well as the national ideologies of other national groups which emerged later were in conflict over their respective territorial claims This book traces the re

emergence of these national ideologies their impact on the ensuing civil wars as well as the international efforts to end them

Tito and the Rise and Fall of Yugoslavia Richard West, 2012-11-15 Few figures have dominated a nation's destiny as much as Marshal Tito of former Yugoslavia. For nearly thirty years he held together mutually hostile religious groups in a deeply divided country but his death in 1980 rekindled centuries-old hatreds and by 1992 Yugoslavia ceased to exist. In this revealing biography Richard West questions the full impact of Tito's reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia. Excellent. I recommend his book for those who already know about Yugoslavia and want food for thought about the future. David Owen Sunday Times. Admirable. Carefully researched and extremely readable. Literary Review. A passionate book in which West's historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events. Fergus Pyle Irish Times. Masterly. Glasgow Herald.
