The Silver Age Omry Ronen, 2013-10-31 First Published in 2004 In this original study Omry Ronen critically examines the term Silver Age which over the years has gained such wide currency among historians and connoisseurs of twentieth century Russian culture His latest research deals with metahistorical and metaliterary value of influential poetic locutions such as the image of Russia as the sphinx or the concept of the Silver Age in Russian cultural history *Twentieth-Century Russian Poetry* Katharine Hodgson, Joanne Shelton, Alexandra Smith, 2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation's culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008 In the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandel'shtam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of

emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date **Nabokov in Motion** Yuri Leving,2022-02-10 Adopting the modernist master Vladimir Nabokov as its guide Nabokov in Motion Modernity and Movement is an exploration of the radically changing social historical technological and literary culture of the early 20th century a time when modes of communication and transportation especially were changing society in drastic and profound ways Across seventy microchapters that are by turn serious ironic informative and playful and which take on topics such as automobiles trains airplanes electricity elevators advertisements telegraphs and telephones Yuri Leving offers new ways to understand Nabokov Russian literature and technology modernism and world material culture Nabokov s writings are analyzed against a broad context of prose and poetry and from the point of view of what Leving calls the poetics of urbanism in literature Nabokov in Motion is a ground breaking exploration of urban and material themes in literature and creates a complex and vibrant cultural fabric of which Nabokov is the master weaver In Search of Russian Modernism Leonid Livak,2018-11-30 A critical reexamination of Russian modernist cultural historiography Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures by the Modern Language Association The writing and teaching of Russian literary and cultural history have changed little since the 1980s In Search of Russian Modernism challenges the basic premises of Russian modernist studies removing the aura of certainty surrounding the analytical tools at our disposal and suggesting audacious alternatives to the conventional ways of thinking and speaking about Russian and transnational modernism Drawing on methodological breakthroughs in Anglo American new modernist studies Leonid Livak explores Russian and transnational modernism as a story of a self identified and self conscious interpretive community that bestows a range of meanings on human experience Livak s approach opens modernist studies to integrative and interdisciplinary analysis including the extension of scholarly inquiry beyond traditional artistic media in order to account for modernism s socioeconomic and institutional history Writing with a student audience in mind Livak presents Russian modernism as a minority culture coexisting with other cultural formations while addressing thorny issues that regularly come up when discussing modernist artifacts Aiming to open an overdue debate about the academic fields of Russian and transnational modernist studies this book is also intended for an audience of scholars in comparative literary and cultural studies specialists in Russian and transnational modernism and researchers engaged with European cultural historiography Seasoned Socialism Anastasia Lakhtikova,Angela Brintlinger,Irina Glushchenko,2019-04-04 This essay anthology explores the intersection of gender food and culture in post 1960s Soviet life from personal cookbooks to gulag survival Seasoned

Socialism considers the relationship between gender and food in late Soviet daily life specifically between 1964 and 1985 Political and economic conditions heavily influenced Soviet life and foodways during this period and an exploration of Soviet women's central role in the daily sustenance for their families as well as the obstacles they faced on this quest offers new insights into intergenerational and inter gender power dynamics of that time Seasoned Socialism considers gender construction and performance across a wide array of primary sources including poetry fiction film women's journals oral histories and interviews This collection provides fresh insight into how the Soviet government sought to influence both what citizens ate and how they thought about food *Russian Writers of the Silver Age, 1890-1925* Judith E. Kalb, J. Alexander Ogden, I. G. Vishnevetskiĭ, 2004 The questing experimenting and overstepping of stylistic moral and narrowly rational boundaries that characterized Russian modernist writing were frowned upon during most of the seven decades of Soviet rule Only since the late 1980s have readers had easy access to the literature memoirs and critical writings of the immediately pre Soviet period **The Modernist Masquerade** Colleen McQuillen, 2013-12-10 Masked and costume balls thrived in Russia in the late nineteenth and early twentieth centuries during a period of rich literary and theatrical experimentation The first study of its kind The Modernist Masquerade examines the cultural history of masquerades in Russia and their representations in influential literary works The masquerade's widespread appearance as a literary motif in works by such writers as Anna Akhmatova Leonid Andreev Andrei Bely Aleksandr Blok and Fyodor Sologub mirrored its popularity as a leisure time activity and illuminated its integral role in the Russian modernist creative consciousness Colleen McQuillen charts how the political cultural and personal significance of lavish costumes and other forms of self stylizing evolved in Russia over time She shows how their representations in literature engaged in dialog with the diverse aesthetic trends of Decadence Symbolism and Futurism and with the era's artistic philosophies *To the Success of Our Hopeless Cause* (Pulitzer Prize Winner) Benjamin Nathans, 2025-09-02 WINNER OF THE 2025 PULITZER PRIZE A riveting history Wall Street Journal of the Soviet dissident movement which hastened the end of the USSR and still provides a model of opposition in Putin's Russia and beyond A book about a past time that is very much a book for our time A story from which we all stand to learn as we face a new wave of authoritarianism Los Angeles Review of Books Beginning in the 1960s the Soviet Union was unexpectedly confronted by a dissident movement that captured the world's imagination Demanding that the Kremlin obey its own laws an improbable band of Soviet citizens held unauthorized public gatherings petitioned in support of arrested intellectuals and circulated banned samizdat texts Soviet authorities arrested dissidents subjected them to bogus trials and vicious press campaigns sentenced them to psychiatric hospitals and labor camps sent them into exile and transformed them into martyred heroes Against all odds the dissident movement undermined the Soviet system and hastened its collapse Taking its title from a toast made at dissident gatherings *To the Success of Our Hopeless Cause* is a definitive history of a remarkable group of people who helped change the twentieth century Benjamin Nathans's vivid narrative tells the dramatic

story of the men and women who became dissidents from Nobel laureates Andrei Sakharov and Alexander Solzhenitsyn to many others who are virtually unknown today Drawing on diaries memoirs personal letters interviews and KGB interrogation records *To the Success of Our Hopeless Cause* reveals how dissidents decided to use Soviet law to contain the power of the Soviet state This strategy as one of them put it was simple to the point of genius in an unfree country they began to conduct themselves like free people An extraordinary account of the Soviet dissident movement *To the Success of Our Hopeless Cause* shows how dissidents spearheaded the struggle to break free of the USSR's totalitarian past a struggle that continues in Putin's Russia and that illuminates other struggles between hopelessness and perseverance today **The Same Solitude** Catherine Ciepiela, 2018-09-05 Still we have the same solitude the same journeys and searching and the same favorite turns in the labyrinth of literature and history Boris Pasternak to Marina Tsvetaeva One of the most compelling episodes of twentieth century Russian literature involves the epistolary romance that blossomed between the modernist poets Marina Tsvetaeva and Boris Pasternak in the 1920s Only weeks after Tsvetaeva emigrated from Russia in 1922 Pasternak discovered her poetry and sent her a letter of praise and admiration Tsvetaeva's enthusiastic response began a decade long affair conducted entirely through letters This correspondence written across the widening divide separating Soviet Russia from Russian migrants in continental Europe offers a view into the overlapping worlds of literary creativity sexual identity and political affiliation Following both sides of their conversation Catherine Ciepiela charts the poets changing relations to each other to the extraordinary political events of the period and to literature itself *The Same Solitude* presents the first full account of this affair of letters and poems from its beginning in the summer of 1922 to its denouement in the 1930s Drawing on many previously untranslated letters and poems Ciepiela describes the poets mutual influence both in the course of their lives and the development of their art Neither poet saw any separation between a poet's life and work and Ciepiela treats each poet's letters and poems as a single text She discusses the poets famous triangular correspondence with Rainer Maria Rilke in 1926 and she addresses the profound significance of Tsvetaeva for Pasternak who is often perceived mistakenly Ciepiela asserts as the more detached partner Further this book expands our understanding of poetic modernism by showing how the poets worked through ideas about gender and writing in the context of what they themselves called a literary marriage [Reference Guide to Russian Literature](#) Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public [Russian Minimalism](#) Adrian Wanner, 2003-12-26 The first study of the prose poem in the context of Russian literature [A Vision of Unity](#) Roger Hagglund, 1985 [Russia and the Classics](#) Zara M. Torlone, 2009-04-23 This important study the first in a new series on Classical Diaspora explores the reception of classical antiquity in Russian poetry with a particular focus on the writings of several significant twentieth century poets Innokentii Annenskii Viacheslav Ivanov Marina Tsvetaeva Osip Mandelshtam and

Joseph Brodsky These poets engagement with the classics is analysed within the wider context of Russia's relationship with Greco Roman heritage as a gateway to European culture The earlier phase of the development of classical reception in Russian poetry is traced from Antioch Kantemir and Mikhailo Lomonosov to Alexander Pushkin Thus the book offers a concise chronology of Russian poetry's self construction as a legitimate European heir to the legacy of Greece and Rome The Russian poetic reception of classical literature has its own distinctive features such as a preoccupation with mythological tragedy and with the reception of Ovid's poetry of exile setting it apart from the traditions and movements associated with Western European classicism This fascinating study combines historicist scholarship with a sophisticated alertness to recent developments in reception theory producing a compelling account of a hitherto neglected aspect of the classical tradition
