

Sergei Rachmaninov

Sergei Rachmaninoff

Sergei Rachmaninov:

Sergei Rachmaninoff Robert E. Cunningham Jr.,2000-10-30 Sergei Rachmaninoff was a renowned composer pianist and conductor Because he was a member of the Russian aristocracy he fled the country after the tsar s abdication and eventually relocated in the United States Many of his compositions are for piano yet he also composed orchestral and symphony works three operas choral and liturgical works some chamber works and numerous songs This guide catalogues his numerous works and performances provides a detailed bibliography and includes a discography of recordings released within the last half century Cross referenced throughout this volume should appeal to music and Rachmaninoff scholars who are looking for a comprehensive guide to further research *Sergei Rachmaninoff* Sergei Bertensson,2017-04-07 Throughout his career as composer conductor and pianist Sergei Rachmaninoff 1873 1943 was an intensely private individual When Bertensson and Leyda s 1956 biography appeared it lifted the veil of secrecy from several areas of Rachmaninoff s life especially concerning the genesis of his compositions and how their critical reception affected him The authors consulted a number of people who knew Rachmaninoff who worked with him and who corresponded with him Even with the availability of such sources and full access to the Rachmaninoff Archive at the Library of Congress Bertensson and Leyda were tireless in their pursuit of privately held documents particularly correspondence The wonderfully engaging product of their labors masterfully incorporates primary materials into the narrative Almost half a century after it first appeared this volume remains essential reading Sergei Bertensson who knew Rachmaninoff published other works on music and film often with a documentary emphasis [Sergei Rachmaninov \(1873-1943\)](#) , As part of Heart s Ease K Gregor offers biographical information about the life and works of the Russian composer Sergey Vasilyevich Rachmaninoff 1873 1943 Rachmaninoff composed operas piano pieces symphonies choral works and other orchestral pieces Rachmaninoff was also a pianist and conductor Gregor includes a bibliography of books about Rachmaninoff as well as a list of his key works and other information A photograph of Rachmaninoff is available *Sergei Rachmaninoff* Rebecca Mitchell,2022-05-03 Drawing extensively on Russian language sources a concise yet comprehensive survey of the life and work of one of classical music s great composers Unquestionably one of the most popular composers of classical music Sergei Rachmaninoff has not always been so admired by critics Detractors have long perceived Rachmaninoff as part of an outdated Romantic tradition from a bygone Russian world aloof from the modernist experimentation of more innovative contemporaries such as Igor Stravinsky In this new assessment Rebecca Mitchell resituates Rachmaninoff in the context of his time bringing together the composer and his music within the remarkably dynamic era in which he lived and worked Both in Russia and later in America Rachmaninoff and his music were profoundly modern expressions of life in tune with an uncertain world This concise yet comprehensive biography will interest general readers as well as those more familiar with this giant of Russian classical music **Sergei Vasil'evich Rachmaninoff** Robert Palmieri,1985 *Sergei Rachmaninoff* Valeria Z. Nollan,2022-10-03 Valeria Z Nollan s biography of

perhaps the finest pianist of the twentieth century plunges readers into Rachmaninoff's complex inner world. Sergei Rachmaninoff's *Cross Rhythms of the Soul* is the first biography of Rachmaninoff in English that presents him in the fullness of his Russian identity. As someone whose own life in Russian emigration ran in parallel ways to Rachmaninoff's own and whose meetings with the composer's grandson in Switzerland informed her work, Nollan brings important cultural insights into her observations of the activities of this generation of creative artists. She also traces the intricacies of Rachmaninoff's relations with the women closest to him whose imprints are palpable in his compositions and introduces a mystery woman whose existence challenges our established narrative of his life. Sergei Rachmaninoff Rebecca Mitchell, 2022-06-20. Drawing extensively on Russian language sources, a concise yet comprehensive survey of the life and work of one of classical music's great composers. Unquestionably one of the most popular composers of classical music, Sergei Rachmaninoff has not always been so admired by critics. Detractors have long perceived Rachmaninoff as part of an outdated Romantic tradition from a bygone Russian world aloof from the modernist experimentation of more innovative contemporaries such as Igor Stravinsky. In this new assessment, Rebecca Mitchell resituates Rachmaninoff in the context of his time, bringing together the composer and his music within the remarkably dynamic era in which he lived and worked. Both in Russia and later in America, Rachmaninoff and his music were profoundly modern expressions of life in tune with an uncertain world. This concise yet comprehensive biography will interest general readers as well as those more familiar with this giant of Russian classical music.

Rachmaninoff's Recollections Oskar von Riesemann, 2015-07-24. This book, first published in 1934, contains the recollections of the varied and coloured life of a great pianist and composer who is one of the most striking figures of the musical world. Rachmaninoff dictated his memoirs to the author of this book, and much of the story is therefore told in the first person. The final chapter is Riesemann's own contribution. It is an estimate of Rachmaninoff's qualities as composer; it shows knowledge of all his more important works and it shows discrimination. The whole book is an authoritative and interesting study of a popular artist. *Rachmaninoff's Recollections* Sergei Rachmaninoff, 1934.

Rachmaninoff and His World Philip Ross Bullock, 2022-07-01. A biography of composer Sergei Rachmaninoff published in collaboration with the Bard Music Festival. One of the most popular classical composers of all time, Sergei Rachmaninoff (1873-1943) has often been dismissed by critics as a conservative nostalgic holdover of the nineteenth century and a composer fundamentally hostile to musical modernism. The original essays collected here show how he was more responsive to aspects of contemporary musical life than is often thought and how his deeply felt sense of Russianness coexisted with an appreciation of American and European culture. In particular, the essays document his involvement with intellectual and artistic circles in prerevolutionary Moscow and how the form of modernity they promoted shaped his early output. This volume represents one of the first serious explorations of Rachmaninoff's successful career as a composer, pianist, and conductor, first in late Imperial Russia and then after emigration in both the United States and interwar Europe. Shedding light on some unfamiliar works, especially

his three operas and his many songs the book also includes a substantial number of new documents illustrating Rachmaninoff's celebrity status in America Sergei Rachmaninov Julian Haylock,1996 **Sergei Rachmaninoff** Sergei Bertensson,Jay Leyda,Sophia Satina,1965 **Sergei Rachmaninoff** S. Bertensson,1972 **Rachmaninoff** Michael Scott,2011-10-21 The musical child of Russia's golden age Sergei Rachmaninoff was the last of the great Romantics Scorned by the musical establishment until very recently his music received hostile reviews from critics and other composers Conversely it never failed to find widespread popular acclaim and today he is one of the most popular composers of all time Biographer Michael Scott investigates Rachmaninoff's intense and often melodramatic life following him from imperial Russia to his years of exile as a wandering virtuoso and his death in Beverly Hills during the Second World War worn out by his punishing schedule In this remarkable biography which relates the man to his music Michael Scott tells the colourful story of a life that spanned two centuries and two continents His original research from the Russian archives so long closed to writers from the West brings us closer to the spirit of a man who genuinely believed that music could be both good and popular a belief that is now triumphantly vindicated **The great piano works of Sergei Rachmaninoff** Sergei Rachmaninoff,1997 Titles include the famous 18th Variation on a Theme of Paganini along with selected transcriptions The Bumble Bee Minuet from L Arlesienne Suite and Liebeslied Etude Tableau Moment Musicals Preludes other individual pieces and the complete Variations on a Theme of Chopin round out this unique collection that is not available from any other publisher 29 pieces on 192 pages

The Piano Works of Rachmaninoff, Volume XI - Piano Concerto No. 1 Sergei Rachmaninoff,2006-11-09 This historic reference edition of Sergei Rachmaninoff's Piano Concerto No 1 in F sharp minor Op 1 is composed of three movements Vivace Andante cantabile and Allegro scherzando This concerto written in 1891 when Rachmaninoff was only 18 is the original version that was later reworked by the composer into a more virtuosic version in 1917 This original version while less difficult than the revised version remains an important pedagogical work "Rachmaninoff: Composer, Pianist, Conductor" Barrie Martyn,2017-07-05 This study is the first to consider all three of Rachmaninoff's careers in detail After surveying his place in Russian musical history and his creative activity the author examines with musical examples each working chronological order against the background of the composer's life Among the many subjects upon which new light is shed are the operas the songs and the religious music Rachmaninoff's remarkable career as a pianist his style of playing and repertoire are analysed along with his historically important contribution to the gramophone and his work for the reproducing piano The book includes a survey of his activity as a conductor There are extensive references to Russian sources and the first appearance of a complete Rachmaninoff discography is included This book is the only comprehensive study in any language of the three aspects of Rachmaninoff's musical career and is a stimulating read for music lovers everywhere New Research Paradigms in Translation Studies Artur Dariusz Kubacki,Piotr Sulikowski,2025-08-11 The current volume is the outcome of the 8th International Conference on Translation Studies which was organized in October

2024 in Szaflary near Zakopane by the University of the National Education Commission in Krak w and the University of Szczecin During the conference issues related to general literary and specialist translation were once again a focus of interest for translation scholars and practitioners from Poland and Germany The title of the volume reflects a universal approach to translation and its research trends aiming to create a platform for mutual understanding and the exchange of experience between translation theorists and practitioners *Concerto No. 4, Op. 40* Sergei Rachmaninoff, An advanced 2 piano 4 hand duet by Sergei Rachmaninoff **Rachmaninoff** Watson Lyle, 1976
