Sermon Conferences Of St Thomas Aquinas On The Apostles Creed:

Sermon Conferences of St. Thomas Aquinas on the Apostles' Creed Thomas Aquinas, Nicholas (Trans) Thomas Aquinas & Ayo, 2012-01-01 Latin with facing English translation The Latin text is a secretarial record by Reginald of Piperno of a series of sermons preached by Thomas in Naples in 1273 in the Neapolitan dialect *Engaging the Doctrine of the Holy Spirit* Matthew Levering, 2016-07-19 A Distinguished Theologian on the Doctrine of the Holy Spirit Distinguished theologian Matthew Levering offers a historical examination of the doctrine of the Holy Spirit defending an Augustinian model against various contemporary theological views A companion piece to Levering's *Engaging the Doctrine of Revelation* this work critically engages contemporary and classical doctrines of the Holy Spirit in dialogue with Orthodox and Reformed interlocutors Levering makes a strong dogmatic case for conceiving of the Holy Spirit as love between Father and Son given to the people of God as a gift **Reading the Sermons of Thomas Aquinas: A Beginner's Guide** Randall B. Smith, 2016-12-01 Preaching was immensely important in the medieval Church and Thomas Aquinas expended much time and effort preaching Today however Aquinas's sermons remain relatively unstudied and underappreciated This is largely because their sermo modernus style typical of the thirteenth century can appear odd and inaccessible to the modern reader In *Reading the Sermons of Thomas Aquinas* Randall Smith guides the reader through Aquinas's sermons explaining their form and content In the process one comes to appreciate the sermons in their rhetorical brilliance beauty and profound spiritual depth while simultaneously being initiated into a fascinating world of thought concerning Scripture language and the human mind The book also includes analytical outlines for all of Aquinas's extant sermons *Reading the Sermons of Thomas Aquinas A Beginner's Guide* is an indispensable volume for those interested in the thought of Aquinas in the intellectual and spiritual milieu in which he worked and in the manifold ways of preaching the Gospel message *Aquinas's Summa Theologiae* Jeffrey Hause, 2018-03-15 Alone among Thomas Aquinas works the *Summa Theologiae* contains well developed and integrated discussions of metaphysics ethics law human action and the divine nature The essays in this volume by scholars representing varied approaches to the study of Aquinas offer thorough cutting edge expositions and analyses of these topics and show how they relate to Aquinas larger system of thought The volume also examines the reception of the *Summa Theologiae* from the thirteenth century to the present day showing how scholars have understood and misunderstood this key text and how even after seven centuries of interpretation we still have much to learn from it Detailed and accessible this book will be highly important for scholars and students of medieval philosophy and theology **Metaphysical Themes in Thomas Aquinas III** John F. Wippel, 2020-09-30 *Metaphysical Themes in Thomas Aquinas III* is Msgr John Wippel's third volume dedicated to the metaphysical thought of Thomas Aquinas After an introduction this volume of collected essays begins with Wippel's interpretation of the discovery of the subject of metaphysics by a special kind of judgment separation In subsequent chapters Wippel turns to the relationship between faith and reason exploring what are known as the preambles

of faith This is followed by two chapters on the important contributions by Cornelio Fabro on Aquinas's distinction between essence and esse and on participation The volume continues with articles on Aquinas's view of creation as a preamble of faith Aquinas's much disputed defense of unicity of substantial form in creatures his account of the separated soul's natural knowledge and Aquinas's understanding of evil in his *De Malo* 1 The volume concludes with an article comparing Bonaventure Aquinas and Godfrey of Fontaines on the metaphysical composition of angelic beings Most of these issues were disputed during Aquinas's time by some of his contemporaries and the proper understanding of each continues to be debated by various students of his thought today Wippel's purpose therefore is to help clarify our understanding of Aquinas's thought on each of these topics a task that requires the careful analysis of primary sources and of secondary literature and attention to the relative chronology of his writing

The Reform of Christian Doctrine in the Catechisms of Peter Canisius Thomas Flowers, S.J., 2023-07-03 The catechisms of Peter Canisius reveal the contours of the struggle within the Catholic Church to reframe Christian identity in response to the Protestant Reformation Canisius published his first catechism in 1555 and immediately achieved phenomenal publishing success Yet his catechisms received neither endorsement nor approbation from Rome Canisius's catechesis proposed a confident vision of Christian identity grounded in the practice of Catholic piety The Roman Curia increasingly

conceived of catechesis as a defensive bulwark against Protestant assault Although Canisius's catechisms often appear in scholarship as representatives of a combative post Reformation style of defending Catholic orthodoxy the combat in which they actually engaged was internal to the Catholic Church over how to reframe post Reformation Catholic identity **Will Many Be Saved?** Ralph P. Martin, 2012-08-20 The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection It has also become a much debated topic in current theology In *Will Many Be Saved* Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church but much of Martin's discussion is also relevant to the wider debate happening in many churches around the world In particular Martin analyzes the Dogmatic Constitution on the Church the document from the Second Vatican Council that directly relates to this question Contrary to popular opinion Martin argues that according to this text the conditions under which people who have not heard the gospel can be saved are very often in fact not fulfilled with strong implications for evangelization **The Glory of the Atonement** Charles E. Hill, Frank A. James III, 2004-03-30 Editors Charles E Hill and Frank A James III bring together a group of evangelical biblical scholars and historical and systematic theologians to explore the doctrine of the atonement for a new millennium [The Making of Felony Procedure in Middle English Literature](#) Elise Wang, 2024-04-24 *The Making of Felony Procedure in Middle English Literature* explores the literary inheritance of criminal procedure in thirteenth to fifteenth century English law focusing on felony the gravest common law offense Most scholarship in medieval law and literature has focused on statute and theory drawing from the instantiating texts of English law acts of Parliament judicial treatises the Magna Carta But those whose job it was to write about the law rarely wrote about felony Its definition was left to its practice from investigation to conviction and that procedure fell to local communities who were generally untrained in the law Left with many practical and ethical questions and few legal answers they turned to cultural ones archived in sermons they had heard plays they had seen and poetry they knew This book reads the documents of criminal procedure coroners reports plea rolls and gaol delivery records alongside literary scenes of investigation interrogation and witnessing to tell a new intellectual history of criminal procedure's beginnings The chapters of *The Making of Felony Procedure* guide the reader through the steps of a felony prosecution from act to conviction examining the questions local communities faced at each step What evidence should be prioritized in a death investigation Should the accused consider narrative satisfaction when building his plea What are the dangers of a witnessing system that depends so heavily on a few oathworthy men What can a jury do if the accused's guilt seems partial or complex And what if the defendant for whatever reason refuses to participate in this new still delicate system of justice The book argues that answers they found and the sources that informed them created the system that became modern criminal procedure The epilogue offers some thoughts about the resilience and incoherence of the concept of felony from the start of the jury trial to the present day [Aquinas](#) Eleonore Stump, 2008-01-28 Few philosophers or theologians exerted as much

influence on the shape of medieval thought as Thomas Aquinas. He ranks amongst the most famous of the Western philosophers and was responsible for almost single handedly bringing the philosophy of Aristotle into harmony with Christianity. He was also one of the first philosophers to argue that philosophy and theology could support each other. The shape of metaphysics, theology and Aristotelian thought today still bears the imprint of Aquinas' work. In this extensive and deeply researched study, Eleonore Stump examines Aquinas' major works, *Summa Theologiae* and *Summa Contra Gentiles*, and clearly assesses the vast range of Aquinas' thought. Philosophers, theologians and students of the medieval period alike will find this unrivalled study an indispensable resource in researching and teaching Aquinas.

Theology of Ministry Thomas F. O'Meara, 1999. A completely revised edition of a widely used text that surveys the history, theology and present condition of ministry both clerical and lay in today's church.

Beards, Azymes, and Purgatory A. Edward Siecienski, 2023. In *Beards, Azymes, and Purgatory*, A. Edward Siecienski argues that seemingly minor issues, the beardlessness of the Latin clergy, the Western use of unleavened bread in the Eucharist and the doctrine of Purgatory, played a significant role in the schism between the Catholic and Orthodox churches.

Engaging Catholic Doctrine: Essays in Honor of Matthew Levering Robert Barron, Scott Hahn, James Merrick, 2023-06-27. With contributions from some of today's most significant theologians, *Engaging Catholic Doctrine* is an expression of gratitude to Matthew Levering for his generous collegiality and tireless work to chart a sure path for contemporary Catholic doctrine. Essayists significantly advance the work of Matthew Levering in the areas of Aquinas as a biblical theologian, the doctrine of the Trinity, the significance of sacrifice for authentically Christian worship, the recovery of virtue in moral theology, the theology of Joseph Ratzinger and much more. In addition to celebrating and honoring Levering's work, this volume offers new contributions in some of the key areas of theological research today. Matthew Levering is the James N. Jr. and Mary D. Perry Chair of Theology at Mundelein Seminary and serves as the co-editor of both *Nova et Vetera* and the *International Journal of Systematic Theology*. He completed an M.T.S. from Duke University and a Ph.D. from Boston College. A leading proponent of Thomistic ressourcement, he has authored over thirty books and edited or co-edited thirty more on topics in dogmatic, moral, spiritual and historical theology. These include a nine volume work of Catholic Dogmatics as well as *Christ's Fulfillment of Torah and Temple Scripture* and *Metaphysics: Participatory Biblical Exegesis*. The *Betrayal of Charity: Did Jesus Rise from the Dead?* An Introduction to Vatican II as an Ongoing Theological Event. *The Theology of St. Augustine: Dying and the Virtues*. *The Oxford Handbook of the Trinity* and *Newman on Doctrinal Corruption*.

Witness of the Saints Milton Walsh, 2012. In the four volumes of the *Liturgy of the Hours*, there are nearly 600 selections from the writings of the Fathers and saints. Seeing the potential of this vast collection as a theological resource, Milton Walsh has organized these selections by topics according to the four pillars of the Catechism of the Catholic Church. This topical concordance allows the reader to compare what the various authors have written on the same themes while a chronological timeline of the readings shows their relationship to each other in time. Walsh has also provided background on the liturgical

celebrations of the Church as well as historical information on each author Book jacket *Divinization* Andrew Hofer
OP,2015-05-04 *Divinization Becoming Icons of Christ through the Liturgy* explains the startling claim so often overlooked that God transforms the Christian people through the Church's liturgy to share in his divine nature This resource serves as an excellent introduction to the Catholic theology of divinization through the Liturgy This remarkable work forms a coherent introduction to how God makes the faithful in the pews partakers in his divine nature through the action of the liturgy

One of the Trinity Has Suffered: Balthasar's Theology of Divine Suffering in Dialogue Joshua R. Brotherton,2020-01-01
Hans Urs von Balthasar's discourse on the descent of Christ into hell and its implications for the Triune God have been disputed for half a century *One of the Trinity has Suffered* evaluates and revises von Balthasar's theology of divine suffering in a way that interacts with and significantly enriches contemporary Catholic theology In this book Joshua R Brotherton engages twentieth century Thomistic theology as well as the thought of Pope Emeritus Benedict XVI Joseph Ratzinger and Pope St John Paul II Drawing from the vast secondary literature on von Balthasar Brotherton offers a balanced assessment of his work on the topic of divine suffering both critical and appreciative Recognizing von Balthasar's laudable attempt to integrate mystical spirituality and systematic theology Brotherton seeks to distinguish valid insights from confused mixtures of metaphorical meta symbolic and philosophical metaphysical discourse on God particularly with respect to the classical problem of how the Creator who willed to become incarnate may be said to suffer Truly One of the Trinity has suffered and yet this mystery of faith must be carefully explained and understood in conformity with sustained Catholic reflection on divine immutability and simplicity the dual nature and unique personhood of Christ the Trinity of divine subsistent relations the freedom of God in creating and becoming man the analogy of being the problem of evil and the immensity and infinite value of Christ's redemptive suffering
