Sermon Outlines for Christian Living Gene Williams, 2003-01-01 Sermon Outlines for the busy pastor needing a place to start in sermon preparation or additional thoughts to add substance to Sunday's message Each book in this series provides 25 to 30 outlines While these fully developed outlines are designed to be used in series preaching most can be adapted for stand alone sermons Every sermon outline is directed to the needs of today's congregants to challenge inspire and motivate to service for Christ and His kingdom As the pastor develops these outlines through further research and personal illustrations the resulting sermons will become effective channels for spiritual life and growth This book contains sermon outlines on growing in the everyday Christian walk Topics include knowing God doing God's will enhancing Christian character and becoming a mature Christian **The Sounds of Slavery** Shane White, Graham White, 2006-04-01 This exploration of African American slavery through sound is a groundbreaking way of understanding both slave culture and American history A work of great originality and insight Ira Berlin Shane White and Graham White's book is a joy Branford Marsalis A fascinating book that brings to life the historical soundscape of 18th and 19th century African Americans at work play rest and prayer This remarkable achievement demands a place in every collection on African American and U S history and folklife Highly recommended Library Journal The authors have undertaken the difficult task of bringing to contemporary

readers the sounds of American slave culture giving vibrancy and texture to a complex history that has been long neglected

Booklist The book's strongest point is its attention to detail it will not only be valuable to young scholars but to young performers and composers especially with the explosion of interest in roots music looking for new sources of original and searing music

Ran Blake *Christian Science Monitor* A lyrical and original treatment of the musical and spoken culture of American slaves This book is moving testimony to how scholarship can penetrate the transcendent spirit once considered exotic or unknowable how historians can trace social survival to the human voice in slavery's heart of darkness

David W. Blight professor of history Yale University and author of *Race and Reunion: The Civil War in American Memory* A seminal study of a neglected aspect of Southern and African American culture and the approach to the topic is both creative and resourceful The book is highly recommended

Michael Russert *The Multicultural Review* **Shane White and Graham White** who are not related are professor and honorary associate respectively in the history department at the University of Sydney Australia They are the coauthors of *Stylin: African American Expressive Culture from Its Beginning to the Zoot Suit*
