Sermon Outlines From The Psalms:

Preaching and Teaching Outlines from the Psalms Dr. Tom Wallace, 2001 These outlines give preachers and teachers an insider's look into the beloved Book of Psalms Each chapter is complete in itself and ready for your own presentation but when read consecutively you will have dozens of Sunday sermons and studies to present to your people from publisher description

Sermon Outlines on the Psalms John Phillips, 2012-03-05 Effective sermon exposition is based not only on the preacher's understanding of the text of Scripture but also upon a clear and concise communication of that meaning to God's people A clear and concise outline is indispensable for communicating with confidence and conviction

Preaching Through the Psalms C. H. Spurgeon, Barry L. Davis, 2013-04-16 In the estimation of many preachers down through the years Charles H Spurgeon is the greatest preacher to ever stand behind a pulpit in the post New Testament era The massive volume of his sermon material is itself astounding and without compare but when you consider the content of his messages he stands head and shoulders above the rest

Spurgeon was a preacher's preacher and those of us who stand behind the sacred desk would do well to learn from him Spurgeon would join the Apostle Paul in exhorting us to Preach the word be instant in season out of season reprove rebuke exhort with all longsuffering and doctrine For the time will come when they will not endure sound doctrine but after their own lusts shall they heap to themselves teachers having itching ears And they shall turn away their ears from the truth and shall be turned unto fables 2 Timothy 4:2-4 KJV

We have compiled this wonderful collection of sermon outlines and preaching tips on the Psalms to help you do exactly that Contained in the following pages you will find the sermon material that Spurgeon himself found most useful to those in ministry It was originally a part of Spurgeon's vast commentary on the Psalms The Treasury of David We have taken all of the sections specifically designed to help preachers and put it in this one extremely practical volume If you are preaching on one Psalm doing a series through the Psalms or merely wanting to learn more about the Psalms this will become your most valuable resource There is more material here for preaching on the Psalms than any other book that I am aware of Please free to use any of the following material in your preaching or teaching ministry Use it as is or feel free to adapt it to your own style
