Sermon On The Mount Inspiring The Moral Imagination:

The Sermon on the Mount Dale C. Allison, 1999 Too often the Sermon on the Mount has been interpreted as though it were a book itself rather than a portion of a book Dale Allison insists on the contrary that the full meaning of these chapters in Matthew's Gospel can be seen only in relation to the broader literary context of the Gospel as a whole with its Jewish Christian orientation Indeed the Sermon and the moral imperatives it contains must be understood 1 in relation to the example provided by Jesus words and deeds elsewhere in the Gospel 2 with reference to the community of believers that constitutes the intended audience of Matthew's Gospel and 3 in terms of what the Gospel says elsewhere about the end of the age The Sermon does not present a simple set of rules perhaps only intended for a small and select group within the Christian community but seeks to instill a moral vision and to inspire the moral imagination of all who would follow Jesus

The Meaning and Uses of βασιλεία in the Gospel of Matthew Tobias Ålöw, 2024-04-02 Contrary to the prevailing view that is a verbal noun signifying God's rule this study demonstrates how the term's pragmatic range in Matthew's Gospel covers both five distinct types of use and their integration into a coherent concept The study which is the first to examine all occurrences of in the First Gospel from the perspective of semantic monosemy extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys *A Catholic Spirituality for Business* Martin Schlag, Domenc Mele, 2019 Spirituality and gift are notions that are en vogue Topics such as spirituality at the workplace spirituality management spirituality in leadership organizational spirituality and other related topics are trending in management literature The logic of gift is also appearing more frequently especially in attempts to rethink the way our economy works in order to include the marginalized
The expression logic of gift was introduced into official Catholic social teaching by Pope Benedict XVI who presented it in association with the principle of gratuitousness which in turn is an expression of fraternity However before Caritas in Veritate and ever since Marcel Mauss's groundbreaking work *The Gift* the importance of gift for human relationships and for the cohesion of society had been increasingly recognized Alain Caillé and Jacques T Godbout further fleshed out the implication of gift for contemporary society in the context of secular social sciences striving to overcome utilitarianism It was the civil economy movement however that exercised greatest influence on Benedict XVI's encyclical *Caritas in Veritate*

This present volume reflects on the general scope of these notions for business and society This is done by structuring the book in two parts each dedicated to one of the two concepts Each part has two general chapters and two that apply the notions to business and to business education The authors are a mix of well known emeritus professors and younger talented emerging scholars We have also been careful to combine European with American authors

A Catholic Spirituality for Business The Logic of Gift Matthew (Baker Exegetical Commentary on the New Testament) David L. Turner, 2008-04-15 New Testament scholar and professor David L Turner offers a substantive yet highly accessible commentary on Matthew in

this latest addition to the BECNT series With extensive research and thoughtful chapter by chapter exegesis Turner leads readers through all aspects of the Gospel of Matthew sociological historical and theological to help them better understand and explain this key New Testament book He also includes important insights into the Jewish background of this Gospel As with all BECNT volumes Matthew features the author s detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication with pastoral sensitivity and accessibility making it a useful tool for students professors and pastors The user friendly design includes shaded text chapter introductions summarizing the key themes of each thought unit

The Nature and Demands of the Sovereign Rule of God in the Gospel of Matthew Margaret Hannan,2006-06-15 This work argues that the author of the Gospel of Matthew structures his work as a Bios or biography of Jesus so as to encapsulate in narrative form the essence of his theological understanding of God s Basileia sovereign rule as proclaimed and taught in the teaching and healing mission of Jesus Evidence for this is found in Matthew s careful use of structural markers to divide his story of Jesus into significant thematic sub sections in which he uses a series of Basileia logia at incisive points to highlight aspects of Jesus teaching and healing mission In this way Matthew is able to portray Jesus as God s promised Messiah who instructs his disciples through discourse and narrative hence in word and example in the nature and demands of God s sovereign rule By structuring his Gospel as a story Matthew depicts Jesus giving instructions to his disciples and also instructs the readers of the text Hence Matthew s Gospel becomes a manual of instruction on the nature and demands of God s sovereignty Its purpose is to ensure that not only the members of the Matthean community but all future disciples of Jesus are competently trained to carry out Jesus commission Go therefore and disciple all the nations 28 19 20 In this way the goods news of God s saving presence is proclaimed to all the nations until God s eschatological reign is finally established LNTS 308

The Synoptic Gospels and the Psalms as Prophecy J. Samuel Subramanian,2007-01-01 The Book of Psalms is one of the most frequently cited books in the New Testament The Synoptic Evangelists seem to read the Psalms not primarily as prayers but as prophecies of the future They discovered in its language prophecies concerning the life and ministry of Jesus and attempted to show how Jesus life was prefigured in the Psalms Samuel Subramanian examines the topic within the broader use of the Old Testament in the New Testament that of the prophetic reading of the Psalms in the Synoptic Gospels and in the context of Second Temple Judaism Although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the Synoptic Gospels in this light and the first to demonstrate that these excerpts were used prophetically In some cases these psalm quotations were used by the Synoptic Evangelists in a manner that is thought to fulfill a prophecy from or about Jesus within the gospel narratives even though this particular use of the psalms by the Synoptic Evangelists has not been widely recognized previously This study shows how similar exegetical techniques of looking for prophecies in the Psalms was practiced by non Christian Jews of the period

Metaphor and the Portrayal of the Cause(s) of Sin and Evil in the Gospel of Matthew Judith V. Stack, 2020-02-25 Metaphor and the Portrayal of the Cause(s) of Sin and Evil in the Gospel of Matthew traces the range and significance of metaphors used in Matthew for the origin and sin and evil and their congruence with key texts of the Second Temple milieu While traditional theology has often sought to pinpoint a single cause of sin and evil Matthew's use of a spectrum of metaphors undermines theologically reductionist approaches and opens up a rich range of ways for conceiving of and talking about the cause of sin and evil Ultimately the use of metaphor necessary to discussions of sin destabilizes foundationalist theologies of sin and any theology of sin must grapple with the inherently tensive nature of metaphorical language

How Jesus Fulfilled the Law David Wilber, 2024-06-14 What did Jesus teach about the Law of Moses Did he say that he came to bring it to an end or did he want his followers to obey it Matthew 5:17-20 is a key text that addresses this issue In this passage Jesus

tells us exactly what he came to do with the Torah he came to fulfill it But what does that mean In this short book David Wilber explores this question Through a detailed study of Matthew 5 17 20 you will learn how Jesus fulfilled the Law and what this means for Christians today *The Beatitudes through the Ages* Rebekah Eklund,2021-04-27 The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today **Eschatological Discipleship** Trevin Wax,2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus *Game Over?* Christophe Chalamet,Andreas Dettwiler,Mariel Mazzocco,Ghislain Waterlot,2017-09-11 Modern science informs us about the end of the universe game over is the message which lies ahead of our world Christian theology on the other hand sees in the end not the cessation of all life but rather an invitation to play again in God's presence Is there a way to articulate together such vastly different claims Eschatology is a theological topic which merits being considered from several different angles This book seeks to do this by gathering contributions from esteemed and fresh voices from the fields of biblical exegesis history systematic theology philosophy and ethics How can we make sense today of Jesus and the New Testament's eschatological message How did he his early disciples and the Christian tradition envision the end of the world Is there a way for us to articulate together what modern science tells us about the end of the universe with the biblical and Christian claims about God who judges and who will wipe every tear Eschatology has been at the heart of Christian theology for 100 years in the West What should we do with this legacy Are there ways to move our reflection forward in our century Scholars and other interested readers will find here a wealth of insights **Biblical Prophecy** Ellen F. Davis,2014-10-17 In this fresh and expansive work Ellen Davis offers a comprehensive interpretation of the prophetic role and word in the Christian scriptures Davis carefully outlines five essential features of the prophetic role and then systematically examines seven representations

of prophets and prophecies Thoroughly theological Davis s volume provides both instruction and insight for understanding prophecy in Christian tradition and discipleship This volume concludes with a rich discussion of practical matters including the relationship between Christian discipleship and prophetic interpretation and the role of biblical prophecy in interfaith contexts

A

Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

The Gospel

According to Luke James R Edwards,2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke s overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues in excurses scattered throughout the commentary including discussion of Luke s infancy narrative the mission of Jesus as the way of salvation and Luke s depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical literary and theological elements of Luke that are essential to its meaning and considers Luke s significance for the church and the life of faith today

Historical Dictionary of Jesus Daniel J.

Harrington, SJ,2010-08-06 Jesus of Nazareth is arguably the most famous and influential human being who has ever lived on earth In the Historical Dictionary of Jesus author Daniel J Harrington delves into the ancient literary sources about Jesus modern methods of approaching these sources the major events in Jesus life persons and places associated with him the form and content of his teachings what can be said about his death and the claim that he was raised from the dead and the contributions of major modern scholars to the quest of the historical Jesus The book consists of three parts an introduction to

the major topics pertaining to Jesus as a historical figure a cross referenced dictionary containing 400 entries on a range of topics including things Jesus did and said ancient sources of historical data and modern scholarship and interpretation and a bibliography listing some of the most important books related to Jesus and the world in which he lived This concise and objective reference work provides a clear and accurate introduction to the study of Jesus as a historical figure The Great Sermon Tradition as a Fiscal Framework in 1 Corinthians Christopher L. Carter,2010-02-03 What is Paul s theology of material possessions and where did it come from Through demonstrating continuity in the broad fiscal thought of Jesus and Paul Carter suggests that Paul owes his financial thought to the great sermon tradition Carter establishes this by assessing Paul s historical environment and extant writings to display the plausibility that Paul knew the dominical tradition Carter goes on to assess the likelihood that Paul knew the pre synoptic sermon tradition because of its ubiquity in early church discipleship The study finishes with the conclusion that Jesus and Paul s financial thought displays remarkable symmetry which cannot be explained merely by a common cultural environment Consequently it is deemed highly likely that Paul depends on the dominical tradition for the contours of his financial thought *Theosis and Forgiveness in the Gospel of Matthew* Kangil Kim,2023-10-03 In this book Kangil Kim reads the Matthean teaching of forgiveness through the framework of theosis Kim argues that theosis provides a theological lens that brings into sharper focus the meaning of forgiveness especially with respect to the dynamics of heaven and earth and of God and the human in Matthew s Gospel Forgiveness as an embodied way of life is more than following Jesus and imitating what Jesus does but one of theosis the extension of God s own power working itself out through Jesus in our lives
