Sermons for the People Thomas Hewlings Stockton, 1854 Preaching with Cultural Intelligence Matthew D. Kim, 2017-10-17 To preach effectively in today's world, preachers need cultural intelligence. They must build bridges between listeners who come from various denominations, ethnicities, genders, locations, religious backgrounds, and more. Experienced preacher and teacher Matthew Kim provides a step-by-step template for cross-cultural hermeneutics and homiletics, equipping preachers to reach their varied listeners in the church and beyond. Each chapter includes questions for individual thought or group discussion. The book also includes helpful diagrams and images, a sample sermon, and appendixes for exegesis, listeners, and for exploring cultural differences.

Plain Truth for Plain People Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years, Brad Estep offers fifty biblically grounded, theologically informed, and congregationally contextualized sermons centered around the different seasons of the Christian year. In addition to the sermon itself, Estep provides additional analysis that revolves around the homiletical structure, reasons for effectiveness, and usage of illustrative material. This work is designed for preachers who are interested and committed to the craft of preaching. Intended for reflective practitioners, *Plain Truth for Plain People* helps to reveal how and why sermons are crafted in the way that they are. Because of that, this book is also of interest to parishioners in the pews. At the top of the list of desirable skills in a pastor is preaching. This work helps provide examples of what that looks like or more accurately, what that sounds like.

Lectures and Sermons Thomas Nicolas Burke, 1904 *Preparing Expository Sermons* Ramesh Richard, 2001-11-01 The Bible is what God has made. Sermons are what we make with what God has made. transformative adventure How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light *Sermons for the people* Sermons, 1848
