The Serpents of Paradise Edward Abbey, 1995 From boyhood in Home Pennsylvania to his death in Tucson Arizona in 1989 this book offers in Abbey's own words the world of an American original Whether writing fact or fiction Abbey was always an autobiographer Each of the thirty five selections presented here arranged chronologically by date of incident not of publication demonstrates that Abbey was passionately insistently his own man As poet farmer Wendell Berry puts it He remains Edward Abbey speaking as and for himself fighting literally for dear life for the survival not only of nature but of human nature of culture as only our heritage of works and hopes can define it To speak for the voiceless

was his mission He was a virtuoso of the well phrased thought in which style and content symbol and meaning each imbued with humor come together to defy the powerful reminding us always that preservation of wild nature is a key to a free spirit And along with Emerson and Thoreau Abbey the uncompromising stylist knew that the corruption of language follows the corruption of man Language Abbey wrote seeks to transcend itself to grasp the thing that has no name **Serpent in Paradise** Stephanie James,1988-02-01 **SERPENT OF PARADISE** ERWIN W.
