Servant Of The Lotus Feet A Hare Krishna Odyssey:

Servant of the Lotus Feet Gabriel Brandis, 2004-02 *Servant of the Lotus Feet A Hare Krishna Odyssey* is the true story of an adolescent's quest for spiritual meaning Enchanted by the wisdom of the Orient Sidd drops out of his freshman year of college in the early 1980's to join the Hare Krishnas while visiting Boston During the course of four years in New England and New York City Sidd struggles as a fund raiser for the cult As an initiated Brahman priest he gains privilege and responsibility Sidd's innocent question posed to the spiritual master in a room of hundreds of curious guests and devoted followers shakes the foundations of the temple walls engaging the holy man's wrath Disillusioned by the contradictions and deceptions perpetrated by the elders of the Indian religious cult including his and other allegedly pure spiritual masters Sidd gradually backs out of the movement While visiting his family for a holiday reunion Sidd is abducted and compelled to review the facts about the religious cult he had embraced

The Founder of the Hare Krishnas as Seen by Devotees Kimmo Ketola, 2008-03-31 The Hare Krishna movement is one of the most well known new religious movements in the Western societies It was founded in New York in 1966 by the Indian monk A C Bhaktivedanta Swami Prabhupada 1896-1977 The fact that it emerged during the heyday of the countercultural protests is often invoked in the explanations of its success This book offers a completely new account for the rise and growth of the Hare Krishna movement by analysing it from the viewpoint of cognitive science of religion It focuses on the charisma of the founder guru through the writings of his earliest disciples and also takes a close look at the theology and ritual practices of the movement

The Darkest Sides of Politics, II Jeffrey M. Bale, 2017-10-04 This book examines a wide array of phenomena that arguably constitute the most noxious extreme terrifying murderous secretive authoritarian and or anti democratic aspects of national and international politics Scholars should not ignore these dark sides of politics however unpleasant they may be since they influence the world in a multitude of harmful ways The second volume in this two volume collection focuses primarily on assorted religious extremists including apocalyptic millenarian cults Islamists and jihadist terrorist networks as well as CBRN chemical biological radiological and nuclear terrorism and the supposedly new nexus between organized criminal and extremist groups employing terrorist operational techniques A range of global case studies are included most of which focus on the lesser known activities of certain religious extremist milieus This collection should prove to be essential reading for students and researchers interested in understanding seemingly arcane but nonetheless important dimensions of recent historical and contemporary politics

Servant of the Servant Tamal Krishna Goswami, 2019-01-01 *Servant of the Servant* by author Tamal Krishna Goswami is a compelling memoir that provides an intimate perspective on the life and teachings of Srila Prabhupada the spiritual luminary who founded the Hare Krishna movement Goswami's personal journey and close association with Prabhupada offer readers a unique insight into the guru disciple relationship and the profound spiritual transformations that can occur through unwavering service and devotion This book is a testament to the power of surrender and selfless

Catch the Rising Moon.** John Milner,2018-10-25 The River Ganges flows from a small cave where the ice melts high in the Himalayan Mountains Along the way it takes on life and when it reaches the Indian Ocean it is pure Just like our Mother the Hare Krishna Movement is coming from the lotus feet of Lord Krishna This is not something ordinary please take it and let the journey begin Catch the rising moon
