

A black and white portrait of Alistair Horne, a man with a mustache, wearing a dark suit and a white shirt. He is looking slightly to the right. The background is dark and textured.

*Revised Edition,  
'A tour de force'*

MACMILLAN

1894 - 1956

Volume I of the Official Biography

Alistair Horne

Macmillan 1894 1956

**Alistair Horne**

## **Macmillan 1894 1956:**

Macmillan: 1894-1956 Alistair Horne,1988      Macmillan, 1894-1956 Alistair Horne,1990      Macmillan Alistair Horne,1988      Harold Macmillan Alistair Horne,1989      **Harold Macmillan** Alistair Horne,1989      The Economic Diplomacy of the Suez Crisis Diane B. Kunz, Esq.,2000-11-09 Diane Kunz describes here how the United States employed economic diplomacy to affect relations among states during the Suez Crisis of 1956 57 Using political and financial archival material from the United States and Great Britain and drawing from personal interviews with many of the key players Kunz focuses on how economic diplomacy determined the course of events during the crisis from start to finish In doing so she provides both an excellent case study of the role of economic sanctions in international relations and a solid treatment of the American use of such sanctions against a Middle Eastern country The crisis was prompted by the Eisenhower administration s decision not to fund the Aswan High Dam triggering the takeover of the Suez Canal Company by Egyptian President Gamal Abdel Nasser Responding to events the American government imposed economic sanctions against Great Britain France Egypt and Israel with varying degrees of success Because of its weakened financial position and misguided decisions Kunz says the government of British Prime Minister Anthony Eden proved most vulnerable to these tactics Indeed American economic pressure caused the British government to withdraw its troops ignominiously from Egypt France on the other hand had borrowed sufficiently prior to the crisis to be able to withstand American pressure For Israel Kunz says the threat of sanctions symbolized the Eisenhower administration s wrath Israel could forego American funds but dependent on the goodwill of a great power for survival it could not take a stand that would completely alienate the United States Only Egypt proved immune to financial warfare Kunz also illuminates the general diplomacy of the Suez crisis The American government was determined neither to alienate moderate Arab opinion nor to become too closely intertwined with Israel As such this account has significant lessons for American policy Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value      **Macmillan** Alistair Horne,1988      *Prime Ministers and Whitehall 1960-74* Jon Davis,2007-10-05 The study of prime ministers and the reforms of British central government in any era are fascinating The interaction between the temporary often inexperienced but largely elected ministers and the experienced but theoretically subservient senior civil servants provides enormous interest It is a matter that relates directly to many of the battles going on in British politics today This book concentrates on the Harold Macmillan Harold Wilson Alec Douglas Home and Edward Heath years when the battle between the Civil Service and the Government was at its most intense What makes this book even more compelling is that many of the key players have given their own published accounts since leaving office including Richard Crossman Barbara Castle and Tony Benn Dr Jon Davis book is based on years of

meticulous research and it will be essential reading for any historian or student of British politics during the post war years

*Continental Drift* Benjamin Grob-Fitzgibbon, 2016-05-26 In the aftermath of the Second World War Churchill sought to lead Europe into an integrated union but just over seventy years later Britain is poised to vote on leaving the EU Benjamin Grob Fitzgibbon here recounts the fascinating history of Britain's uneasy relationship with the European continent since the end of the war He shows how British views of the United Kingdom's place within Europe cannot be understood outside of the context of decolonization the Cold War and the Anglo American relationship At the end of the Second World War Britons viewed themselves both as the leaders of a great empire and as the natural centre of Europe With the decline of the British Empire and the formation of the European Economic Community however Britons developed a Euroscepticism that was inseparable from a post imperial nostalgia Britain had evolved from an island of imperial Europeans to one of post imperial Eurosceptics

**Mountbatten, Cold War and Empire, 1945-79** Adrian Smith, 2022-11-17 Mountbatten Cold War and Empire 1945-79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill's wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten's record in Southern Asia in 1943-6 and 1947-8 Additional chapters focus on Mountbatten's position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten's relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten's achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten's centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith's scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten's personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten's career from 1943 to the mid sixties

**Seeking a Role** Brian Harrison, 2009-03-26 An impressively detailed but also unusually wide ranging analysis of post war Britain in the 1950s and 60s covering everything from international relations to family life the countryside to manufacturing religion to race cultural life to political structures

**British Policy in Aden and the Protectorates 1955-67** Spencer Mawby, 2006-05-18 This book provides the first detailed account of the confrontation which took place between Britain and Nasser in the Colony of Aden and the surrounding states prior to British withdrawal in 1967

**British Political History, 1867-2001** Malcolm Pearce, Geoffrey Stewart, 2013-09-13 This third edition of British Political History 1867-2001 is an accessible summary of major political developments in British history over the last 140

years Analyzing the changing nature of British society and Britain's role on the world stage Malcolm Pearce and Geoffrey Stewart also outline the growth of democracy and the growth in the power of the state against a background of party politics New coverage includes domestic affairs from 1992 to 2001 John Major's Government the creation of New Labour and the Third Way Blair's first ministry developments in Northern Ireland from 1995 through the Easter Peace Deal into 2001 the 2001 General Election results and implications Students of British politics and history will find this the perfect resource for their studies

*British Cabinet Government* Simon James, 2002-01-04 Fully revised and up dated this new edition of Simon James comprehensive and accessible text continues to provide an excellent insight into this central topic of British politics It draws on the wealth of new material that has become available in recent years to shed light on the mechanisms structure and realities of the Cabinet system in Britain from 1945 to the present 1945 Its coverage includes ministers and their departments collective decision making the role of the Prime Minister the strengths and weaknesses of the Cabinet system the future of the Cabinet system *British Cabinet Government* will give both A level students and undergraduates a clear understanding of the realities of this central aspect of British politics

**God In Number 10** Mark Vickers, 2022-10-20 Mark Vickers has given us a wonderful new reference book of the beliefs and non beliefs of 20th century PMs a meaty volume that can also be consumed as a social history of British religion THE TELEGRAPH This carefully researched and well written study reveals the religious faith of our Prime Ministers or lack of it in vivid colours Prepare to be shocked and surprised as the author lays bare their souls SIR ANTHONY SELDON Mark Vickers acclaimed volume on the faith of the twentieth century Prime Ministers casts a new perspective on these holders of the highest political office in the realm While there are biographies aplenty on the 18 men and 1 woman who took up residence behind the famous black door it is notable that that many of these works fail to reflect an important sometimes the most important aspect of the life of their subject God in Number 10 rectifies this omission offering intriguing insights into Margaret Thatcher's legendary Sermon on the Mound Tony Blair's perception of Jesus as a modernizer Arthur Balfour's recourse to spiritualism Stanley Baldwin's mystical experiences and Winston Churchill's involvement with astrology The book considers the role of religion generally in the political classes of the period the reasons for the declining influence of faith in the public forum and the relationship between Church and State The families of H H Asquith Bonar Law Ramsay MacDonald Neville Chamberlain Harold Macmillan Alec Douglas Home and Harold Wilson have all expressed their support for God in Number 10 and where able helped in the research while John Major has assisted fully

**Having it So Good** Peter Hennessy, 2007-05-03 Winner of the Orwell Prize for Political Writing Peter Hennessy's *Having it So Good* Britain in the Fifties captures Britain in an extraordinary decade emerging from the shadow of war into growing affluence The 1950s was the decade in which Roger Bannister ran the four minute mile Bill Haley released *Rock Around the Clock* rationing ended and Britain embarked on the traumatic disastrous Suez War In this highly enjoyable original book Peter Hennessy takes his readers into front rooms classrooms cabinet rooms

and the new high street coffee bars of Britain to recapture as no previous history has the feel the flavour and the politics of this extraordinary time of change Utterly engaging a treat It breathes exhilaration Libby Purves The Times If the Gods gossip this is how it would sound Philip Ziegler Spectator Books of the Year A particular treat fine wise and meticulously researched Andrew Marr Stands clear of the field as our best narrative history of this decisive decade Peter Clarke Sunday Times A compelling narrative Hennessy s love of the flesh and blood of politics breathes on every page Tim Gardam Observer The late Ben Pimlott once described Hennessy as something of a national institution You can forget the first two of those five words Guardian

**The Cuban Missile Crisis** Len Scott,2023-11-23 It is sixty years since the events of October 1962 brought the world close to nuclear catastrophe The Cuban missile crisis has long been recognized as the moment of greatest danger in the life and near death of humanity In those sixty years our knowledge and understanding of events have undergone significant change There are some reasons to be encouraged inasmuch as we have learned how both President John F Kennedy and Premier Nikita Khrushchev sought to avoid nuclear war More ominously we have learned of incidents and events that suggest nuclear weapons might have been used by subordinate military commanders in circumstances frequently unknown to their political leaders Decisions whether to use nuclear weapons lay in the hands of often junior military commanders some of whom were perilously close to crossing the nuclear threshold This does not mean as often assumed that if some nuclear weapons were used escalation to all out war was inevitable Yet the undoubted risk of thermonuclear war in these circumstances threatened the very survival of civilization Hundreds if not thousands of millions of people would have died from immediate and short term effects while the longer term prospect of a Nuclear Winter portended the virtual extinction of humanity Drawing lessons from sixty years ago faces significant challenges If we draw lessons only to discover our understanding was mistaken we might well have drawn the wrong lessons Many received wisdoms about the crisis have been shown to be misleading What is striking is how after forty or fifty or even sixty years new evidence has emerged to challenge previously accepted explanations It is for the reader to reach their own verdicts on the history of the crisis and how much we owe to political leaders who averted catastrophe as well as how their words and deeds helped create the crisis in the first place It is for the reader to conclude how close we came to nuclear war Whatever conclusions are reached one overriding lesson looms large However we judge the actions of political and military leaders one factor was crucial in why we avoided nuclear war in 1962 It was luck In October 1962 humanity was very lucky Will we be so lucky next time Britain, Germany and the Cold War R. Gerald Hughes,2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue d tente with the Soviet Union whilst upholding its commitments to its NATO allies From the early 1950s Britain pursued a dual policy of strengthening the West whilst seeking d tente with the Soviet Union British statesmen realized that only through compromise with Moscow over the German question could the elusive East West be achieved Against this the West German hard line towards the East endorsed by the United States was

seen by the British as perpetuating tension between the two blocs This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc Charting Britain's attempts to reconcile this contradiction this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961 Drawing on unpublished US and UK archives Britain Germany and the Cold War casts new light on the Cold War the history of détente and the evolution of European integration This book will appeal to students of Cold War history British foreign policy German politics and international history **Tony Benn** Jad

Adams,2011-10-31 Tony Benn has been portrayed as both hero and villain as a creative and as a destructive force This comprehensively revised edition of Jad Adams's classic biography is written with unparalleled access to Benn's private records and describes the long and turbulent career of one of the most charismatic politicians of the last hundred years The first biography to have been written with full access to the Benn archives chronicles the behind the scenes story of Benn's bitter battles with every leader of the Labour Party since Gaitskell It details his service in the governments of Wilson and Callaghan his role as a champion of the left during the Labour Party's long period in opposition his retirement from Parliament to spend more time involved in politics in 2001 and his subsequent emergence as a leading figure of the British opposition to the war in Iraq Modern British Prime Ministers from Balfour to Johnson Dick Leonard,2021-11-22 Dick Leonard's Modern British Prime Ministers from Balfour to Johnson surveys the lives and careers of all the 24 Prime Ministers from Arthur Balfour to Boris Johnson in succinct informative and entertaining chapters Bringing to life the political achievements and personal idiosyncrasies of Britain's rulers over the 20th and 21st centuries the author recounts the circumstances which took them to the pinnacle of British political life probes their political and personal strengths and weaknesses assesses their performance in office and asks what lasting influence they have had Along the way Leonard entertains and informs revealing little known facts about the private lives of each of the Prime Ministers for example which two Premiers one Tory one Labour were taught by the same governess as a child Who was thrashed at his public school for writing pornography and later donated one fifth of his wealth to the nation Who was awarded a fourth class degree at Oxford and went on to father eight children Who was described by his son as probably the greatest natural Don Juan in the history of British politics This book can also form part of a two volume set published by Routledge including the companion volume British Prime Ministers from Walpole to Salisbury The 18th and 19th Centuries This book will be of key interest to scholars students and readers of British political history the Executive government and British politics

## The Enigmatic Realm of **Macmillan 1894 1956**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. ### **Macmillan 1894 1956 Introduction**

In today's digital age, the availability of Macmillan 1894 1956 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Macmillan 1894 1956 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Macmillan 1894 1956 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Macmillan 1894 1956 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Macmillan 1894 1956 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Macmillan 1894 1956 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Macmillan 1894 1956 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Macmillan 1894 1956 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Macmillan 1894 1956 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Macmillan 1894 1956 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Macmillan 1894 1956 is one of the best book in our library for free trial. We provide copy of Macmillan 1894 1956 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Macmillan 1894 1956. Where to download Macmillan 1894 1956 online for free? Are you looking for Macmillan 1894 1956 PDF? This is definitely going to save you time and cash in something you should think about.
