Macmillan Modern Shakespeare Hamlet:

The Arden Research Handbook of Contemporary Shakespeare Criticism Evelyn Gajowski, 2020-10-15 The Arden Research Handbook of Contemporary Shakespeare Criticism is a wide ranging authoritative guide to research on critical approaches to Shakespeare by an international team of leading scholars It contains chapters on 20 specific critical practices each grounded in analysis of a Shakespeare play These practices range from foundational approaches including character studies close reading and genre studies through those that emerged in the 1970s and 1980s that challenged the preconceptions on which traditional liberal humanism is based including feminism cultural materialism and new historicism Perspectives drawn from postcolonial queer studies and critical race studies besides more recent critical practices including presentism ecofeminism and cognitive ethology all receive detailed treatment In addition to its coverage of distinct critical approaches the handbook contains various sections that provide non specialists with practical help an A Z glossary of key terms and concepts a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography *The Arden Research Handbook of Shakespeare and Contemporary Performance* Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography *The Arden Research Handbook of Shakespeare and Contemporary Performance* is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance *The New Oxford Shakespeare: Modern Critical Edition* William Shakespeare, 2016-10-27 The Complete Works Modern Critical Edition is part of the landmark New Oxford Shakespeare an entirely new consideration of all of

Shakespeare's works edited afresh from all the surviving original versions of his work and drawing on the latest literary textual and theatrical scholarship In one attractive volume the Modern Critical Edition gives today's students and playgoers the very best resources they need to understand and enjoy all Shakespeare's works The authoritative text is accompanied by extensive explanatory and performance notes and innovative introductory materials which lead the reader into exploring questions about interpretation textual variants literary criticism and performance for themselves The Modern Critical Edition presents the plays and poetry in the order in which Shakespeare wrote them so that readers can follow the development of his imagination his engagement with a rapidly evolving culture and theatre and his relationship to his literary contemporaries The New Oxford Shakespeare consists of four interconnected publications the Modern Critical Edition with modern spelling the Critical Reference Edition with original spelling a companion volume on Authorship and an online version integrating all of this material on OUP's high powered scholarly editions platform Together they provide the perfect resource for the future of Shakespeare studies

The United States Catalog, 1924 **Macmillan's Magazine** David Masson, George Grove, John Morley, Mowbray Morris, 1892 *Contemporary Shakespeare Production* Herbert R. Coursen, 2010

Contemporary Shakespeare Production suggests that analysis and description of selected productions is the only valid approach to understanding Shakespeare's art It looks specifically at Richard II Henry V Ophelia The Tempest allusions to Shakespeare in film and recent film and television productions of As You Like It The Merchant of Venice and King Lear Book Jacket

The American Catalog, 1884 *Tropes and the Literary-Scientific Revolution* Michael Slater, 2024-04-02 Tropes and the Literary Scientific Revolution Forms of Proof argues that the rise of mechanical science in the seventeenth century had a profound impact on both language and literature To the extent that new ideas about things were accompanied by new attitudes toward words what we commonly regard as the scientific revolution inevitably bore literary dimensions as well Literary tropes and forms underwent tremendous reassessment in the seventeenth century and early modern science was shaped just as powerfully by contest over the place of literary figures from personification and metaphor to anamorphosis and allegory In their rejection of teleological explanations of natural motion for instance early modern philosophers often disputed the value of personification a figural projection of interiority onto what was becoming increasingly a mechanical world And allegory a dominant mode of literature from the late Middle Ages until well into the Renaissance became the vice of those times as Thomas Rymer described it in 1674 This book shows that its acute devaluation was possible only in conjunction with a distinctively modern physics Analyzing writings by Sidney Shakespeare Bacon Jonson Brahe Kepler Galileo Hobbes Descartes and more it asserts that the scientific revolution was a literary phenomenon just as the literary revolution was also a scientific one

The Fictional 100 Lucy Pollard-Gott, 2010 Some of the most influential and interesting people in the world are fictional Sherlock Holmes Huck Finn Pinocchio Anna Karenina Genji and Superman to name a few may not have walked the Earth or flown in Superman's case but they certainly stride through our lives They influence us

personally as childhood friends catalysts to our dreams or even fantasy lovers Peruvian author and presidential candidate Mario Vargas Llosa for one confessed to a lifelong passion for Flaubert's *Madame Bovary* Characters can change the world Witness the impact of Solzhenitsyn's *Ivan Denisovich* in exposing the conditions of the Soviet Gulag or Harriet Beecher Stowe's *Uncle Tom* in arousing anti slavery feeling in America Words such as quixotic oedipal and herculean show how fictional characters permeate our language This list of the Fictional 100 ranks the most influential fictional persons in world literature and legend from all time periods and from all over the world ranging from Shakespeare's *Hamlet* 1 to Toni Morrison's *Beloved* 100 By tracing characters varied incarnations in literature art music and film we gain a sense of their shape shifting potential in the culture at large Although not of flesh and blood fictional characters have a life and history of their own Meet these diverse and fascinating people From the brash Hercules to the troubled Holden Caulfield from the menacing plots of *Medea* to the misguided schemes of *Don Quixote* The Fictional 100 runs the gamut of heroes and villains young and old saints and sinners Ponder them fall in love with them learn from their stories the varieties of human experience let them live in you

Merely Players?, 1966 *The American Catalogue*, 1908 American national trade bibliography **Shakespeare on Salvation** David Anonby, 2024-03-13 This cutting edge book explores Shakespeare's negotiation of Reformation controversy about theories of salvation While twentieth century literary criticism tended to regard Shakespeare as a harbinger of secularism the so called turn to religion in early modern studies has given renewed attention to the religious elements in Shakespeare and his contemporaries Nevertheless there remains an aura of uncertainty regarding some of the doctrinal and liturgical specificities of the period This historical gap is especially felt with respect to theories of salvation or soteriology Such ambiguity however calls for further inquiry into historical theology The author explores how the language and concepts of faith grace charity the sacraments election free will justification sanctification and atonement find expression in Shakespeare's plays In doing so this book contributes to the recovery of a greater understanding of the relationship between early modern religion and Shakespearean drama While the author shares David Scott Kastan's reluctance to attribute particular religious convictions to Shakespeare in some cases such critical guardedness has diverted attention from the religious topography of Shakespeare's plays Throughout this study the author's hermeneutic is to read Shakespeare through the lens of early modern theological controversy and to read early modern theology through the lens of Shakespeare

Shakespearean Issues Richard Strier, 2022-09-06 A collection of thought provoking essays that treat the political social and philosophical themes of Shakespeare's plays In *Shakespearean Issues* Richard Strier has written a set of linked essays bound by a learned view of how to think about Shakespeare's plays and also how to write literary criticism on them The essays vary in their foci from dealing with passages and key lines to dealing with whole plays and to dealing with multiple plays in thematic conversation with each other Strier treats the political social and philosophical themes of Shakespeare's plays through recursive and revisionary close reading revisiting plays from different angles and often contravening prevailing

views Part I focuses on characters Moments of bad faith of unconscious self revelation and of semi conscious self revelation are analyzed along with the problem of describing characters psychologically and ethically In an essay on Happy Hamlet the famous melancholy of the prince is questioned as is the villainy of Rosencrantz and Guildenstern while another essay asks the reader to reconsider moral judgments and negative assessments of characters who may be flawed but do not seem obviously wicked such as Edgar and Gloucester in King Lear Part II moves to systems arguing that Henry IV Measure for Measure and The Merchant of Venice raise doubts about fundamental features of legal systems such as impartiality punishments and respect for contracts Strier reveals King Lear s radicalism analyzing its concentration on poverty and its insistence on the existence and legitimacy of a material substratum to human life Essays on The Tempest offer original takes on the play s presentation of coercive power of civilization and its discontents and of humanist ideals Part III turns to religious and epistemological beliefs with Strier challenging prevailing views of Shakespeare s relation to both A culminating reading sees The Winter s Tale as ultimately affirming the mind s capacities and as finding a place for something like religion within the world Anyone interested in Shakespeare s plays will find Shakespearean Issues bracing and thought provoking Time and Gender on the Shakespearean Stage Sarah Lewis,2020-09-24 An original study of the ways in which temporal concepts and gendered identities intersect in early modern theatre and culture **Hamlet's Hereditary Queen** Kerrie

Roberts,2022-12-30 This book explores a fresh and insightful interpretation of Hamlet s Gertrude as a prominent and powerful figure in the play It shows how traditional readings of this character both performance based and scholarly have been guided and constrained by misogynistic perspectives on female power Bringing together the author s wealth of insight from a theatre practitioner s perspective and combining it with a scholarly perspective the book argues that Gertrude need not be limited to sex and motherhood She could instead be played as Denmark s blood royal Queen her role in the play then being about female political power Gertrude s royal status could play out on stage through a variety of possible performance choices for stage design stage business acting processes and the actor s presence both speaking and silent Hamlet s Hereditary Queen takes into consideration Shakespeare s source myths historical studies of the position of queens and the issues concerning them in early modern England Hamlet s performance history and the text itself It questions traditional readings of Hamlet and offers detailed analyses of relevant scenes to demonstrate how Gertrude s Hamlet might play out on stage in the twenty first century This is an engaging and insightful interpretation for students and scholars of theatre and performance studies and Shakespeare studies as well as theatre practitioners **MacMillan's Magazine** Sir George

Grove,David Masson,John Morley,Mowbray Morris,1886 **Shakespeare and Memory** Hester Lees-Jeffries,2013-08-22 Hamlet s father s Ghost asks his son to Remember me but how did people remember around 1600 And how do we remember now Shakespeare and Memory brings together classical and early modern sources theatre history performance material culture and cognitive psychology and neuroscience in order to explore ideas about memory in Shakespeare s plays and

poems It argues that when Shakespeare was writing ideas about memory were undergoing a kind of crisis as both the technologies of memory print the theatre itself and the belief structures underpinning ideas about memory underwent rapid change And it suggests that this crisis might be mirrored in our own time when despite all the increasing gadgetry at our disposal memory can still be recovered falsified corrupted or wiped only we ourselves can remember but the workings of memory remain mysterious Shakespeare and Memory draws on works from all stages of Shakespeare's career with a particular focus on Hamlet the Sonnets Twelfth Night and The Winter's Tale It considers some little things what's Hamlet writing on And why does Orsino think he smells violets And it asks some big questions how should the dead be remembered What's the relationship between memory and identity And is it art above all that enables love and beauty memory and identity to endure in the face of loss time and death Cumulated Index to the Books, 1923 **Shakespeare Without**

Boundaries Dieter Mehl, 2011 Shakespeare without Boundaries Essays in Honor of Dieter Mehl offers a wide ranging collection of essays written by an international team of distinguished scholars who attempt to define to challenge and to erode boundaries that currently inhibit understanding of Shakespeare and to exemplify how approaches that defy traditional bounds of study and criticism may enhance understanding and enjoyment of a dramatist who acknowledged no boundaries in art The Volume is published in tribute to Professor Dieter Mehl whose critical and scholarly work on authors from Chaucer through Shakespeare to D H Lawrence has transcended temporal and national boundaries in its range and scope and who as Ann Jennalie Cook writes has contributed significantly to the erasure of political boundaries that have endangered the unity of German literary scholarship and more broadly through his work for the International Shakespeare Association to the globalization of Shakespeare studies Calendar ...
