*A Faith of Her Own* Kathleen Fuller, 2015-03-17 Can Anna Mae heed God's call on her life even if it means leaving behind everything she knows and everyone she loves Ever since Anna Mae's childhood friend Jeremiah left their Amish community she's questioned her own place in the Amish world The Amish life feels as if it's closing in on her and with her mother trying to set her up with potential suitors Anna Mae feels trapped in a life she's not sure she wants anymore But she's never told anyone that she longs for a tiny taste of freedom freedom that could

be very costly When Jeremiah suddenly reappears in Middlefield to help his mentor Yankee veterinarian Dr Miller new questions surface for Anna Mae along with feelings she d never fully acknowledged before As Anna Mae and Jeremiah rekindle their friendship old feelings take on new meaning Yet the question still lingers What is God s plan for her life Should she stay remaining loyal to her Amish family or does God have a bigger plan one that provides more freedom than she could imagine The answers do not come easily and God s plan may lead in different directions for both of Anna Mae and Jeremiah Praise for Kathleen Fuller Fuller brings us compelling characters who stay in our hearts long after we ve read the book It s always a treat to dive into one of her novels Beth Wiseman A beautiful Amish romance with plenty of twists and turns and a completely satisfying happy ending Kathleen Fuller is a gifted storyteller Jennifer Beckstrand regarding The Innkeeper s Bride Kathleen Fuller s characters leap off the page with subtle power as she uses both wit and wisdom to entertain Refreshingly honest and charming Kathleen s writing reflects a master s touch when it comes to intricate plotting and a satisfying and inspirational ending full of good cheer Kelly Long regarding The Teacher s Bride A stand alone inspirational Amish romance Full length novel at approximately 75 000 words Includes discussion questions for book clubs **The Director Should've Shot You** Alan Dean Foster,2023-06-20 The 1 New York Times bestselling prolific author recounts his storied career as one of the top novelizers of films and television in Hollywood Author Alan Dean Foster is a Grand Master of Media Tie In Fiction He has written both original tie ins and script novelizations since the 1970s bringing his straightforwardness a favorite to readers but a nuisance to directors to his many projects For Foster Hollywood is a unique world that has allowed him to chat with Catwoman ask out Diana Rigg attend a movie screening with Alice Cooper and have burgers and milkshakes with John Carpenter To think he was almost a lawyer In The Director Should've Shot You Foster shares all the colorful stories behind his adaptations of films TV shows and video games He had the honor of working on big name properties like Star Trek Terminator and The Thing He served as ghost writer for the novelization of the original Star Wars and got to write the sequel sort of There are of course his lesser known works like an adaptation of the special two part abortion episode of Maude that never made it to print And in between his work for Hollywood he managed to become a hugely successful science fiction and fantasy author with series like the Adventures of Pip Flinx and the Icerigger Trilogy With humor and wit Foster retraces his path to Grand Master with all the successes disappointments and lumps he s taken along the way In the process he shines a spotlight on the unusual world of studio marketing in Hollywood The result is a memoir that will have you looking at some of your favorite films in a whole new light Praise for The Director Should've Shot You Foster puts all this down in easygoing prose that is quite readable I can t see how this book could not be a must read and indeed it is must reading pure and simple The Bedlam Files Handbook of Partial Least Squares Vincenzo Esposito Vinzi,Wynne W.
