Mad Days of Me: Escaping Barcelona Henry Martin, 2012-11-28 Having left behind his childhood town full of dead end jobs and bleak prospects for a future Rudy a nineteen year old runaway arrives in Barcelona Two days later he finds himself outside a subway station half naked and robbed of all his possessions Trapped in a city whose language he doesn t speak without a passport or anyone to turn to Rudy is plunged into a world of hunger and homelessness Yet fighting off the ravages of slow starvation proves far easier than the struggle to maintain his own decency and humanity when he is forced to befriend a hostile thug who holds the only key to Rudy s escape Unconditionally realistic *Mad Days of Me Escaping Barcelona* explores the conflicted ideology of youth and society s indifference to suffering in a harrowing tale of survival This is a story of perseverance A story of anguish dignity madness and redemption **Alice in Sik Fathom** Erick Tieman, 2011-07 A tale of an oddly twisted yet funny an surreal story of wonderlands vision in the style of a devils kiss of entertainment version of candyland **The Velvet Lounge** Gerald Majer, 2005-08-24 Troubled urban neighborhoods and jazz club havens were the backdrop of Gerald Majer s life growing up in sixties and seventies Chicago The Velvet Lounge an original hybrid of memoir biography and musical description reflects this history and pursues a sustained meditation on jazz along with a probing

exploration of race and class and how they defined the material and psychic divides of a city With the instrument of a supple lyrical prose style Majer elaborates the book s themes through literary and intellectual forays as carefully constructed and as passionately articulated as a jazz master s solo Throughout the work issues of identity and culture art and politics achieve a rare immediacy as does the music itself In portraits of Jimmy Smith Gene Ammons Sonny Stitt Sun Ra and others Gerald Majer conveys the drama and artistry of their music as well as the personal hardships many of them endured Vivid descriptions and telling historical anecdotes explore the music s richness through a variety of political social and philosophical contexts The Velvet Lounge named after the famous Chicago club is also one of the few works to consider the music of such avant garde jazz musicians as Fred Anderson Andrew Hill and Roscoe Mitchell In doing so Majer builds a bridge from the traditionalist view of jazz to the world of contemporary innovators casts a new light on the music and its makers and traces connections between jazz art and postmodernist thought Present throughout Majer s spirited encounters with the worlds of jazz is Majer himself We hear and appreciate the music through his individual sensibilities and experiences Majer recounts growing up in racially divided Chicago his trips to the famed Maxwell Street market his wanderings among its legendary jazz clubs his riding the El and his working in a jukebox factory We witness his awakening to the music at a crossroads of the intimately personal and the intellectually provocative

The Step Ladder ,1925 When Comedy Goes Wrong Christopher J. Gilbert,2025-04-01 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the charades of cancel culture and ultimately to so called Alt Right comedy the transgressions improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert imagines a nuanced sense of humor for a tumultuous world Ultimately When Comedy Goes Wrong transcends partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival
