**How should I know?** Kathleen T. Nolan, 2019-02-18 Elementary preservice teachers school experiences of mathematics and science have shaped their images of knowing including what counts as knowledge and what it means to know in mathematics and science In this book preservice teachers voices challenge the hegemony of official everyday narratives relating to these images The book is written as a parody of a physical science textbook on the topic of light presenting a kaleidoscope of elementary preservice teachers narratives of knowing in mathematics and science These narratives are tied together by the metaphorical thread of the properties of light but also held apart by the tensions and contradictions with in such a critical epistemological exploration Through a postmodern lens the only grand narrative that could be imagined for this text is one in which the personal lived experience narratives of the participants mingle and interweave to create a sort of kaleidoscope of narratives With each turn of a kaleidoscope light s reflection engenders new patterns and emergent designs The narratives of this research text highlight patterns of exclusion gendered messages binary oppositions and the particle nature and shadowy texture of knowing in mathematics and science The presentation format of the book emphasizes the reflexive and polyphonic nature of the research design illustrated through layers of spoken text with in performative text with in metaphorical text The metaphor of a kaleidoscope is an empowering possibility for a critical narrative written to both engage and provoke the reader into imagining a critical journey toward possibilities for a different knowing by heart in mathematics and science and for appreciating lived experience narratives with in teacher education

their lives The Battlin Bastards of B Company 1st Battalion 506th Infantry Regiment 101st Airborne Division fought daily against a well trained and determined enemy during their tours in Vietnam 1968-71 Before the war these men were brothers sons sweethearts husbands and fathers Some were athletes some musicians Some were just out of high school some in established careers There is no monolithic Battlin Bastard but when they joined the 101st Airborne Division one of the most highly decorated divisions in the United States Army in Vietnam they united fighting for each other and fighting to return safely home It was difficult to put their experiences behind them As Bravo veteran Terry Taylor recalled I learned at the age of 18 that you don't have to die to go to hell Vietnam was hell on earth And yet despite the obstacles many of these men built successful lives post war Decades after returning from the war when the men were ready to cautiously revisit their experiences the Bastards started stateside reunions From these reunions came the wish to share their stories with the world to honor to educate and to inspire The result is this book written from interviews and diligent archival research in which the surviving Battlin Bastards tell their stories of combat in their own words and honor those who sacrificed for their country and their unit

*Night in the Dog's Head* Morris J. Brady, 2011-12-06 *Night in the Dog's Head* is a historically based novel of courage and sacrifice American soldiers are committed to a war half way around the world to preserve a nation from a takeover by a socialist tyrant The policy that sent Americans to Asian battlefields was subsequently repudiated For the next three years US Forces fought and died in a war their country no longer wanted to win While American forces consistently won their battles and inflicted appalling casualties on their foe a poorly informed and sensation seeking media mislead the American public conflicted politicians turned against the war and the US submitted to a third rate Asian nation The novel is set in the political and military affairs of the time It realistically presents the courage and dedication the successes and the failures of the men who fought not for principal but to survive a war their nation didn't want to win Friend and foe alike are followed to reveal who they were how and why they fought It is a story of the Vietnam War the way it was At the center is a single undermanned American battalion destined to face a numerically superior enemy whose orders are to kill the Americans After more than 58 000 Americans were killed in action US forces were withdrawn without a single concession from the enemy The units cited are real the incidents and characters have been contrived to suit the story

**Fighting Shadows in Vietnam** Michael P. Moynihan, Jr., 2014-02-10 In this memoir set as deeply in his mind as in the Southeast Asian jungle a young American soldier embarks on a journey to a war that for him will never be over The world was a playground for Mickey a naive Irish American kid bored with his life His father served in World War II his brother was a Marine in Vietnam now it was his turn His 365 days in the hell that was Vietnam builds in torment until an attack on a bunker complex in Cambodia Wounded his friend captured he becomes a tormented survivor knowing he is always just a heartbeat from death His adventure turned nightmare brings a visceral understanding of the words penned by Thoreau the very same words Mickey's father spoke throughout Mickey's youth The mass of men lead lives of quiet desperation especially those at war This

memoir chronicles the key perspective shaping experiences of a U S Army grunt fighting in Vietnam     The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English* this two volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Blackhorse Tales Don Snedeker, 2021-08-16 The war stories and combat narratives of the 11th Armored Cavalry Regiment during five and a half years of combat in Vietnam When the U S Army went to war in South Vietnam in 1965 the general consensus was that counterinsurgency was an infantryman's war if there were any role at all for armored forces it would be strictly to support the infantry However from the time the 11th Armored Cavalry Regiment arrived in the country in

September 1966 troopers of the Blackhorse Regiment demonstrated the fallacy of this assumption By the time of Tet 68 the Army's leadership began to understand that the Regiment's mobility firepower flexibility and leadership made a difference on the battlefield well beyond its numbers Over the course of the 11th Cavalry's five and a half years in combat in South Vietnam and Cambodia over 25 000 young men served in the Regiment Their stories and those of their families represent the Vietnam generation in graphic sometimes humorous often heart wrenching detail Collected by the author through hundreds of in person telephone and electronic interviews over a period of twenty five plus years these war stories provide context for the companion volume *The Blackhorse in Vietnam* Amongst the stories of the Blackhorse troopers and their families are the tales of the wide variety of animals they encountered during their time in combat as well as the variable landscape from jungle to rice paddies and weather *Blackhorse Tales* concludes with a look at how the troopers dealt with their combat experiences since returning from Vietnam Without question Donald Snedeker has paid a fitting tribute to this superb unit its soldiers and their families *Military Review* **Kill Anything That Moves** Nick Turse, 2013-01-15 Based on classified documents and interviews argues that American acts of violence against millions of Vietnamese civilians during the Vietnam War were a pervasive and systematic part of the war *Peiper's Last Gamble* Danny S Parker, 2025-02-28 By the autumn of 1944 Hitler's plans for the conquest of Europe were in disarray The Führer's much vaunted Third Reich facing an Allied onslaught from the east and west was slowly collapsing Desperate to seize the initiative on the Western Front Hitler seeing himself as a beleaguered modern day Frederick the Great looked for some bold counterattack that could change his fortunes Hitler's wish had at least one clear result for as even as early as 19 August 1944 he had instructed Alfred Jodl to consider a bold counter stroke in the west in November Hitler's generals therefore set about drawing up plans for an offensive in the area of the Ardennes Forest It was to be an attack that would enable German forces to cross the Meuse and decisively breaking through the Allied front line advance on Antwerp Given the limitations he and his forces faced Hitler knew he would need panzer leaders capable of delivering a Blitzkrieg advance perhaps one that took advantage of night time hours One of the German officers who was tasked with delivering this audacious victory was the battle hardened veteran SS Obersturmbannführer Jochen Peiper A Waffen SS officer and one of the most celebrated heroes of Hitler's armies Peiper and the SS Panzer Division Leibstandarte as a whole were already on his mind A long time adjutant of Heinrich Himmler and completely dedicated to the Nazi cause Peiper had fought in every major campaign of the Second World War However having been wounded in Normandy following the D Day landings Peiper also ailing from a combination of battle fatigue and hepatitis had been evacuated to a field hospital and then back Germany in August 1944 It was while he was recuperating at the SS Reserve Hospital 501 overlooking Lake Tegernsee in Bavaria that Peiper learnt of his part in the forthcoming offensive Though his skin had a sickly ochre cast from jaundice and three years of front line combat too many days of coffee and cigarettes followed by nights of fighting and frustration and the fact that his nerves were shot he had been selected as one of

the men who would lead the Führer's final great gamble. Comprising some 4,800 men and 600 vehicles including a number of the powerful Tiger II heavy tanks, Kampfgruppe Peiper played a central part in the Ardennes Offensive or the Battle of the Bulge as it is commonly known which was unleashed on 16 December 1944. It is a role that is explored here by Danny S. Parker who reveals the successes, defeats and war crimes that Kampfgruppe Peiper was involved in before the Ardennes Offensive ended in failure in January 1945.

**Fire Base Illingworth** Philip Keith, 2013-10-29 Philip Keith's Fire Base Illingworth is an epic never before told true story of a North Vietnamese Army attack and how the men of this nearly overrun Fire Base survived. In the early morning hours of April 1, 1970, more than four hundred North Vietnamese soldiers charged out into the open and tried to overrun FSB Illingworth. The battle went on mostly in the dark for hours. Exposed ammunition canisters were hit and blew up causing a thunderous explosion inside the FSB that left dust so thick it jammed the hand-held weapons of the GIs. Much of the combat was hand to hand. In all, twenty-four Americans lost their lives and another fifty-four were wounded. Nearly one hundred enemy bodies were recovered. It was one of the most vicious small unit firefights in the history of U.S. forces in Vietnam. As in his acclaimed book *Blackhorse Riders*, a finalist for the prestigious Colby Award, Phil Keith uncovers a harrowing true story of bravery and sacrifice by the men who fought valiantly to hold FSB Illingworth, a tale never before told and one that will not be soon forgotten.
