Mad Franks Britain:

Mad Frank's Britain Frank Fraser, James Morton, 2012-12-31 Mad Frankie Fraser has become a household name known to millions as one of London's most notorious gangsters. In *Mad Frank's London*, his fourth book, Frank continues the shocking stories of his life of crime. Frankie Fraser recalls the good and the bad times, brings the criminals of his acquaintance to life and guides us through the darker streets of London as only a born Londoner and true gangster could. **Mad Frank's Underworld History of Britain** Frank Fraser, James Morton, 2012-12-31 Sites of gruesome murders, stories of killings, frauds, jewel thefts and treachery are all part of Mad Frankie Fraser's grand tour of Britain's criminal underworld. As one of the most notorious gangsters of the 20th Century, he is perfectly placed to give us the lowdown on crimes from up and down the country, plus his take on crimes he was personally involved in and cases as yet unsolved. Written with crime author James Morton, this is the definitive guide to Britain's many lives of crime. *Mad Frank's Diary* Frankie Fraser, James Morton, 2019-06-06 They say I've killed 40 people and who am I to disagree? I've always liked even numbers. Branded the dentist for using pliers to extract the teeth of those who owed money to his boss, Charlie Richardson, Frankie Fraser was labelled the most dangerous man in Britain by two Home Secretaries. He is famous for his crimes, many of which have entered gangster folklore. In these diaries, however, originally published when he was 78, Mad Frank delved into areas he had never chosen or dared to talk about before. His day-by-day entries record unsolved murders, shoot-outs, crooked coppers, bribery, extortion, wrongful convictions and even sex in prison. And by contrast, he also opens up with personal memories of growing up in poverty in London's East End and the reality of having to steal food to feed the family. Frankie Fraser died in 2014 and this rare True Crime classic is first-hand history at its most compelling. **Mad Frank's Britain** Frankie Fraser, James Morton, 2002 This title takes the reader on a tour of the country that no other tour guide could do. This is Britain as seen from the underworld: the sites of murders, the stories of killings and grand thefts that place and record the memories of gangsters long and not so long dead. **Britain's Most Notorious Prisoners** Stephen Wade, 2011-12-01 From Oscar Wilde to the Kray brothers, a unique history of the lives and crimes of the United Kingdom's most famous and infamous inmates. Their names can chill the blood of true crime aficionados: Peter Sutcliffe aka The Yorkshire Ripper, child torturer Ian Brady, cannibal Dennis Nilsen, serial killer Beverley Allitt. Some are tinged in glamour, beautiful nightclub hostess Ruth Ellis hanged for a crime of passion. While others hold a bizarre fascination, like bare-knuckle boxer Michael Gordon Peterson. Called the most violent prisoner in Britain, he changed his name to Charles Bronson in honor of the *Death Wish* star. Only to change it yet again to Charles Salvador in honor of his favorite artist, Dali. By any name, the one man riot was a prison superstar. *Britain's Most Notorious Prisoners* tells the stories of these lives and many more inside the Big House, where prison culture breeds a strange, unreal community. It's also where the system learns to cope with those who refuse to live by the law of the land: killers and rapists, spies, gangster hit men, political prisoners and serial offenders, as well as some who were egregiously

wronged From headline makers to long forgotten villains these stories make for a thrilling and harrowing look at life death and survival behind bars
