

Mad King F180

Patrick Rose

Mad King F180:

Types of the Folktale in the Arab World Hasan M. El-Shamy, 2004 The only demographically oriented tale type index for folktales of the Arab world

The Indian Army, 1939-47 Patrick Rose, 2016-03-03 The sheer size and influence of the British Indian Army and its major role in the Allied War effort between 1939 and 1945 on behalf of a country from which it was seeking independence maintains its fascination as a subject for a wide variety of historians This volume presents a range of papers examining the Indian Army experience from the outbreak of world war in 1939 to the partition of India in 1947 With contributions from many of those at the forefront of the study of the Indian Army and Commonwealth history the book focuses upon a period of Indian Army history not well covered by modern scholarship As such it makes a substantial contribution across a range of subject areas presenting a compendium of chapters examining Indian Army participation in the Second World War from North Africa to Burma plus a variety of other topics including the evolution of wartime training frontier operations Churchill and the Indian Army the Army's role in the development of post war British counterinsurgency practice and of particular note several chapters examining aspects of the partition in 1947 As such the book offers a fascinating insight into one of the most important yet least understood military forces of the twentieth century It will be of interest not only to those seeking a fuller understanding of past campaigns but also to those wishing to better understand the development and ethos of the present day military forces of the Indian subcontinent

Folk Traditions of the Arab World Hasan M. El-Shamy, 1995

Lewis Carroll Among His Books Charlie Lovett, 2015-01-09 Charles Lutwidge Dodgson known better by his pseudonym Lewis Carroll was a 19th century English logician mathematician photographer and novelist He is especially remembered for his children's tale Alice's Adventures in Wonderland and its sequel Through the Looking Glass By the time of Dodgson's death in 1898 Alice the integration of the two volumes had become the most popular children's book in England By the time of his centenary in 1932 it was perhaps the most famous in the world This book presents a complete catalogue of Dodgson's personal library with attention to every book the author is known to have owned or read Alphabetized entries fully describe each book its edition its contents its importance and any particular relevance it might have had to Dodgson The library not only provides a plethora of fodder for further study on Dodgson but also reflects the Victorian world of the second half of the 19th century a time of unprecedented investigation experimentation invention and imagination Dodgson's volumes represent a vast array of academic interests from Victorian England and beyond including homeopathic medicine spiritualism astrology evolution women's rights children's literature linguistics theology eugenics and many others The catalogue is designed for scholars seeking insight into the mind of Charles Dodgson through his books
