This book is intended for four intersecting groups of readers If you are a philosopher closet or sanctioned then you cannot ponder the nature of being without due consideration for vision and cannot contemplate the role of seeing in our lives without listening to the stories of those who are blind The tales within this text are particularly contemporaneous because they are contextualized by the cyber phenomena of online learning This segues to the second group of readers as the described empirical research was originally intended to bring greater depth and breadth of understanding to the field of educational technology particularly as it intersects with disability studies There is a paucity of published literature that has inquired into disabled online learners and this research study responds to that call Third this book may be used as a textbook on approaches to interpretive empirical research It is as close as one may come to a recipe walking students through a specific example Because it is situated in actual empirical research the intention was that it avoid the trap of being prescriptive or formulaic Finally the text is intended for readers interested in the field of blindness The text reviews some of the seminal and contemporary research on blindness and then presents an elaborated example of what we can and should expect to emerge in the knowledge production industry changing what it means to be blind Here Comes the Bride Whitney Lyles, 2006-06-27 Cate Padgett was the bridesmaid four times over in Always the Bridesmaid Now she s finally the blushing bride for better for worse Cate couldn t wait for her own wedding so she could do it right after all she d learned from the mistakes her friends made before her And Ethan was the perfect husband to be If only something anything else was perfect First her engagement ring disappears Then Ethan s ex girlfriend shows up and keeps showing up Cate s mother has a stranglehold on the planning Cate s on the verge of turning into bridezilla and Ethan s meddling cousin is making Cate regret inviting her to join the wedding party She wants to marry her one true love But her special day is making her want to run the other way Executive Privilege Tata Bosboom, 2017-02-09 Madeline Chambers sat in the back seat of her sleek sedan preferring it to the highly visible limousine Discretion was the order of the day Slim and curvy Madeline could easily pass for a much younger woman and very often did Her graying hair was dyed a gentle blonde and her elegant hairstyle framed a perfectly shaped face which was a canvas displaying those delicate features that had enchanted men for over fifty years clear blue eyes high cheekbones and full lips **A Multimedia Approach to Children's Literature** Madalynne Schoenfeld, 1977
