[The House That Madigan Built](#) Ray Long,2022-03-03 Michael Madigan rose from the Chicago machine to hold unprecedented power as Speaker of the Illinois House of Representatives In his thirty-six years wielding the gavel Madigan outlasted governors passed or blocked legislation at will and outmaneuvered virtually every attempt to limit his reach Veteran reporter Ray Long draws on four decades of observing state government to provide the definitive political analysis of Michael Madigan Secretive intimidating shrewd power hungry Madigan mesmerized his admirers and often left his opponents too beaten down to oppose him Long vividly recreates the battles that defined the Madigan era from stunning James Thompson with a lightning strike tax increase to pressing for a pension overhaul that ultimately failed in the courts to steering the House toward the Rod Blagojevich impeachment Long also shines a light on the machinery that kept the Speaker in power Head of a patronage army Madigan ruthlessly used his influence and fundraising prowess to reward loyalists and aid his daughter's electoral fortunes At the same time he reshaped bills to

guarantee he and his Democratic troops shared in the partisan spoils of his legislative victories Yet Madigan's position as the state's seemingly invulnerable power broker could not survive scandals among his close associates and the widespread belief that his time as Speaker had finally reached its end Unsparing and authoritative The House That Madigan Built is the page turning account of one the most powerful politicians in Illinois history **Olympians of the Sawdust Circle** William
