

Madonna On Her Back

Wilkie Collins

Madonna On Her Back:

Madonna on Her Back Alyson Carol Hagy, 1986-01-01 **Madonna's Erotica** Michael Dango, 2023-09-07 Everyone wanted Madonna's 1992 album *Erotica* to be a scandal. In the midst of a culture war, conservatives wanted it to be proof of the decline of family values. The target of conservative loathing, gay men reeling from the AIDS epidemic wanted it to be a celebration of a sexual culture that had rapidly slipped away. And Madonna herself wanted to sell scandal, which is why she released *Erotica* in the same season as her erotic thriller *Body of Evidence* and her pornographic coffee table book simply titled *Sex*. But *Erotica* is more sentimental than pornographic. This ambivalence over sex is what makes the album crucial both for understanding its time and for navigating culture a generation later. As queer politics were transitioning from sexual liberation to civil rights like same sex marriage, Madonna tried to do both. Her songs proved formative for works of queer theory which emerged in the academy at the same time as the album. And *Erotica* was and is central to a developing consciousness about cultural appropriation. In this book, Michael Dango considers *Erotica* and its legacy by drawing both on the intellectual traditions at the center of today's hysteria over critical race theory and, don't say gay, and on his own experiences as a gay man too young to know the original carnage of AIDS and too old to grow up assuming he could get married. Madonna offered up *Erotica* as a key entry in the 1990s culture wars. Her album speaks all the more urgently to the culture wars of today.

Madonna Mark Bego, 2000-07-18 Perhaps the most important female entertainer of the last two decades, Madonna Louise Ciccone has led a fascinating life. This is her story.

Madonna's Drowned Worlds Santiago Fouz-Hernandez, 2017-07-05 Madonna is perhaps one of the most consistently transgressive and self-transforming artists of the late 20th and early 21st centuries. The recent release of two critically acclaimed and best-selling albums and a sold-out world tour have renewed media and academic interest in the artist. Madonna presents a set of strikingly new challenges to cultural analysis and new developments in Gender, Queer, and Ethnic studies have shed more light on her entire oeuvre. Whilst the contributors do refer to classic cultural theorists such as Baudrillard, Žižek, Foucault, and Barthes, new theoretical approaches to Madonna's work feature prominently. In view of this, the present volume offers new perspectives on Madonna's work to date, addressing her configurations of race, gender, and sexuality and with special emphasis on her resurrection after the *Sex* backlash in the early 1990s. The collection focuses on new Madonna-related topics such as Hinduism, Judaism, Japanese culture, All-American culture, Queer culture, Motherhood, and her influence on newer girl acts such as the Spice Girls and Britney Spears. The book explores the themes of gender, sexuality, ethnicity, and celebrity consumption through the lens of Madonna's songs, videos, and shows. An international array of scholars portrays Madonna's popularisation of the notion that identity is not fixed and can be continuously rearranged and revamped. The book should have wide appeal for all those concerned with gender studies, cultural studies, ethnic studies, lesbian and gay musicology, as well as popular music studies.

The Madonna Connection Ramona Liera Schwichtenberg, Deidre Pribram, Dave Tetzlaff, Ron Scott, 2019-07-09 Various

cultural theories foremost among them postmodernism have figured in the debate over the politics of representation These theories have tended to look at representation in the context of either audience enablement or commercial constraint that is do the images empower the public or inhibit it One key area consistently overlooked has been the study of subcultural or subordinate groups who appropriate what is traditionally considered mainstream The Madonna Connection is the first book to address the complexities of race gender and sexuality in popular culture by using the influence of a cultural heroine to advance cultural theory Madonna's use of various media music concert tour film and video serves as a paradigm by which the authors study how images and symbols associated with subcultural groups multiracial gay and lesbian feminist are smuggled into the mainstream Using a range of critical and interpretive approaches to this evolving and lively cultural phenomenon the authors demonstrate the importance of personalities like Madonna to issues of enablement and constraint Are others given voice by political interventions in mass popular culture Or is their voice co-opted to provide mere titillation and maximum profit What might the interplay of these views suggest These are some of the questions the authors attempt to answer Some celebrate Madonna's affirmation of cultural diversity Others criticize her flagrant self-marketing strategies And still others regard her as only a provisional challenge to the mainstream

Until the Deep Water Stills Michael Dyet, 2009 For

Katherine Orr the words I love you are not enough Only a demonstrative expression of her husband Jayce's love can rescue their relationship But Jayce's personal demons prevent him from giving her this even though he knows that she is all that stands between him and a descent into chaos Simultaneously Bryan struggles to repair the breach of love in his life caused by the death of his daughter But his wife Jayce's sister grows ever more distant Charismatic social activist Faith who longs for love but fears she will lose herself in it unwittingly becomes the catalyst for change in the lives of all four characters The paths of these four converge toward a tragic event as each struggles to decipher the intricacies of love lost and love found Each discovers in their own way that love is the living core of human existence and that how we love defines who we are Visit www.mdyetmetaphor.com blog after each chapter for another dimension of this internet-enhanced novel

MADONNA:

Unstoppable! (Revised & Enlarged Edition) Pradeep Thakur, 2010-09-13 *Life with My Sister Madonna* Christopher

Ciccone, Wendy Leigh, 2009-03-03 Ciccone's extraordinary memoir is based on his 47 years of growing up with working with and understanding one of the most famous and controversial woman of our time

Madonnaland Alina Simone, 2016-03-01

When Alina Simone agreed to write a book about Madonna she thought it might provide an interesting excuse to indulge her own eighties nostalgia Wrong What Simone discovered instead was a tidal wave of already published information about Madonna and her own ambivalence about maybe even jealousy of the Material Girl's overwhelming commercial success With the straight-ahead course stymied Simone set off on a quirky detour through the backroads of celebrity and fandom and the people who love or loathe Madonna In this witty sometimes acerbic always perceptive chronicle Simone begins by trying to understand why Madonna's birthplace Bay City Michigan won't even put up a sign to celebrate its most famous citizen and

ends by asking why local bands who make music that's authentic and true can disappear with barely a trace. In between she ranges from Madonna fans who cover themselves with tattoos of the singer's face and try to make fortunes off selling her used bustiers and dresses to Question Mark and the Mysterians, one-hit wonders best known for "96 Tears" and "Flying Wedge," a Detroit band that dropped off an amazing two-track record in the office of CREEM magazine in 1972 and vanished until Simone tracked it down. Filled with fresh insights about the music business, fandom, and what it takes to become a superstar, *Madonnaland* is as much a book for people who like Simone, prefer dark rooms, coffee, and state-subsidized European films filled with existential despair as it is for people who can't get enough of Madonna. **Hide and Seek** Wilkie Collins, 1876

Madonna Mary Gabriel, 2023-10-10 New York Times Editors' Choice One of NPR's Best Books of the Year In this infinitely readable biography, award-winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era. Madonna. *People Magazine*. With her arrival on the music scene in the early 1980s, Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles, taking the nation by storm with her liberated politics and breathtaking talent. Within two years of her 1983 debut album, a flagship Macy's store in Manhattan held a Madonna look-alike contest featuring Andy Warhol as a judge and opened a department called Madonna Land. But Madonna was more than just a pop star. Everywhere fans gravitated to her as an emblem of a new age, one in which feminism could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS, she brought queer identities into the mainstream, fiercely defending a person's right to love whomever and be whoever they wanted. Despite fierce criticism, she never separated her music from her political activism. And as an artist, she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's story from her Michigan roots to her rise to superstardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time. [Delphi Complete Works of Wilkie Collins \(Illustrated\)](#) Wilkie Collins, 2013-11-17 A pioneer of detective fiction, Wilkie Collins produced masterpieces like *The Woman in White* and *The Moonstone*, establishing himself as the master of sensation fiction. Collins perfected the mystery story, producing countless classics that would have a lasting impact on the history of the novel. For the first time in publishing history, this comprehensive eBook presents Collins' complete works with numerous illustrations, many rare texts, informative introductions, and the usual Delphi bonus material. Version 5. Beautifully illustrated with images relating to Collins' life and works. Concise introductions to the novels and other texts. ALL 24 novels with individual contents tables.
