5AM 7AM It is quite common to see a crowded Gran Via on weekend nights It is important to note that due to this lifestyle lodging located near the fun areas may end up a nightmare for light sleepers if your window faces the street Although Madrid does not appear as a bike friendly city at a first sight things are changing slowly to make bike experience more comfortable Several streets in historical downtown have been transformed into mixed traffic spaces where pedestrians and bikes have priority over cars There are new easy bike paths all along the river and connecting important parks It is also possible to use a lot of narrow easy streets where traffic is slow and calm to travel along the city without depending on exclusive bike paths There are some official and unofficial publications with these streets along the web If you want to go to Madrid to learn Spanish there are several private language schools that offer Spanish courses for foreigners Another option is to take a Spanish course at university the Complutense University of Madrid offers Spanish courses for foreigners that take place in the faculty of Philology and Letters It is ironic that Madrid located right in the centre of Spain has higher quality seafood than most coastal regions This quality comes at a price and most Spaniards only occasionally shell out for a mariscada Spanish for seafood feast Experiencing Madrid s seafood may be for the visitor an experience which will be worth the cost madrid travel guide spain travel guide madrid travel book madrid guide **Madrid Travel Guide 2023-2024**
