DeVico,2000-07-11 Frankie the kid DeAngelo was only twelve when he first established his unshakable bond with the neighborhood wise guys Ahead lay a turbulent career as family enforcer within the clandestine subculture of the De Luca mob One wrong move one show of disrespect or weakness buys you a one way ticket to the graveyard **Lanza's Mob** Christina Ann-Marie DiEdoardo,2016-06-27 Presenting sociological as well as historical perspectives this book supplies readers with a fascinating unprecedented look at the most successful organized crime family they ve probably never heard of From the 1920s until the early 21st century one Sicilian mob family defied everyone from the California attorney general to J Edgar Hoover to chart their own American Dream Unlike their flashier rivals in New York and Chicago who met their end by the knife the bullet or a judge s gavel this crime family prospered and grew alongside their adopted home of San Francisco This book tells how they did it Readers will learn how the Lanzas managed to retain control of their patch from the end of Prohibition through the Summer of Love and into the beginnings of the dot com era gaining insight into not only what the west coast branch of the Mob did but also why they did it The documentation of how this mostly unknown crime syndicate formed evolved and eventually folded is set against the backdrop of the city of San Francisco transforming itself from a gritty port and manufacturing hub dominated by Italian and Irish Americans into the multicultural intellectual and services capital it is today *Busting the Mob* James B. Jacobs,1996-10 An examination of the forces and events that led to the most successful organized crime control initiatives in American history Since Prohibition the Mafia has captivated the media and indeed the American imagination From Al Capone to John Gotti organized crime bosses have achieved notoriety as anti heroes in popular culture In practice organized crime grew strong and wealthy by supplying illicit goods and services and by

obtaining control over labor unions and key industries Despite or perhaps because of its power and high profile Cosa Nostra faced little opposition from law enforcement Yet in the last 15 years the very foundations of the mob have been shaken its bosses imprisoned its profits diminished and its influence badly weakened In this vivid and dramatic book James B Jacobs Christopher Panarella and Jay Worthington document the government's relentless attack on organized crime The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history Enlisting trial testimony secretly taped conversations court documents and depositions they document five landmark cases representing the most important organized crime prosecutions of the modern era Teamsters Local 560 The Pizza Connection The Commission the International Teamsters and the prosecution of John Gotti *The Complete Idiot's Guide to the Mafia, 2nd Edition* Jerry Capeci, 2005-01-04 You never go against the family Here is the most comprehensive introduction to and explanation of the most infamous crime organization in history Completely updated with more than 70 pages of new material and photographs it includes information about the shifts in power and tightening of ranks of different families after convictions of their key members new inside information on the role of the families in Chicago Boston Las Vegas Rochester and even Montreal and updates on the DeCavalcante family who bragged they were the real Sopranos on FBI wiretaps More than 70 pages of new material Full of dramatic anecdotes and photos about everything from Capone to Gotti and beyond Written by acclaimed expert author and reporter of all things Mafia in his weekly online column Gang Land ganglandnews.com

Ad Hoc Civil RICO Task Force, 1985 [Out of the Jungle](#) Thaddeus Russell, 2003 The Teamsters the largest A F L affiliate has been understudied Russell's motives in seeking to redress this imbalance are certainly commendable Maurice Isserman The New York Times Book Review A well researched study of the longtime Teamsters leader that could put Hoffa back on the historical map for a new generation of students of labor history Publishers Weekly An unexpectedly enthralling account of Jimmy Hoffa's tactics and aspirations Russell's history of the Teamsters under Hoffa illustrates the vibrancy of the labor movement for better or worse during the middle 50 years of the 20th century Kirkus Reviews In this gripping biography of Jimmy Hoffa Thaddeus Russell launches a vigorous attack on the reigning orthodoxy in labor history David L Chappell Newsday Russell bravely challenges the received wisdom of the left the right and the morally earnest center If you want to get serious about the real meaning of class in the last century read this gracefully yet powerfully argued book Nelson Lichtenstein Out of the Jungle delivers a much needed and more nuanced understanding of a tumultuous period in the history of the nation John Gallagher Detroit News Free Press strongly recommended reading The Midwest Book Review's Bookwatch *The American Criminal Justice System* Gerhard Falk, 2010-03-11 This critical yet honest appraisal of our criminal justice system addresses its strengths and its flaws and makes recommendations for improvement The American Criminal Justice System How It Works How It Doesn't and How to

Fix It calls attention to a criminal justice system that needs improvement Author Gerhard Falk shows that the police themselves often violate the law that prosecutors send innocent citizens to prison and even to death row that defense attorneys take on cases they are not prepared to handle that juries vote guilt or innocence on the basis of emotion not facts that judges are often failed attorneys or unscrupulous politicians and that jails and prisons are too frequently warehouses of the poor As background for his analysis Falk discusses the history of the police prosecutors defense attorneys and judges as well as the history of prisons and the prison industrial complex He also offers a devastating analysis of the death penalty and its practitioners The book ends with recommendations for the improvement of our criminal justice system so that America can truly be as our Supreme Court proclaims a land of Equal Justice under Law Mafia Economics Study Gideon Fairchild,AI,2025-02-21 Mafia Economics Study uncovers the intricate ways organized crime infiltrates and distorts legitimate economies By blending true crime narratives with fiscal analyses the book examines the economic strategies of Mafia groups across the globe from construction to drug trafficking One intriguing aspect explored is how these illicit economies distort markets and evade taxes leading to decreased investment corruption and diminished public services The study reveals that while Mafia activities may seem like isolated incidents they pose a systemic threat to economic stability social welfare and democratic governance The book progresses through key concepts like illicit economies and regulatory capture using case studies from Italy the United States Russia and Japan Each case study quantifies the costs associated with Mafia operations drawing from court documents and law enforcement reports A unique aspect of this work is its cross national comparisons identifying patterns in Mafia economics across different contexts Ultimately Mafia Economics Study offers policy recommendations for combating organized crime and mitigating its far reaching economic impact making it valuable for policymakers researchers and anyone interested in the intersection of true crime and economics
