The Golden Bowl (Complete) Henry James,2020-09-28 *The Golden Bowl* Henry James,1985-05-07

A new edition of Henry James's searing study of marriage and infidelity set in England *The Golden Bowl* is Henry James's highly charged exploration of adultery, jealousy, and possession that continues and challenges James's characteristic exploration of the battle between American innocence and European experience. Maggie Verver, a young American heiress, and her widowed father, Adam, lead a life of wealth and refinement in London. They are both getting married: Maggie to Prince Amerigo, an impoverished Italian aristocrat, and Adam to the beautiful but penniless Charlotte Stant. But both father and daughter are unaware that their new conquests share a secret one for which all concerned must pay the price. This story completes what critics have called the major phase of James's career.

The Golden Bowl (Annotated - Includes Essay and Biography) Henry James, 2013-11-15 *The Golden Bowl* was published in novel form in 1904. It was structured in five parts. The novel was included in the New York Edition collection of Henry James's works. James considered the novel to be one of his best works. However, the novel would prove to be the least popular of his three major late novels, although some literary critics do not believe the novel received its due. In *The Golden Bowl*, Maggie Verver and her widowed father are Americans living in England. At the beginning of the story, Maggie marries Italian nobleman Prince Amerigo. Maggie and Amerigo continue to live with Mr. Verver, but as time passes, her father considers that he himself should marry again.
