Magic And Medicine Of Plants:

Magic and Medicine of Plants Reader's Digest Association, 1990 **Magic and Medicine of Plants**, 1986 **Magic and Medicine of Plants** Reader's Digest, 1994 **Magic and Medicine of Plants** Storey Publishing, Storey Publishing Staff, Hecht, Max, 1997-11-01 Herbal and Magical Medicine James K. Kirkland, Holly F. Matthews, Charles W. Sullivan III, Karen Baldwin, 1992-01-30 Herbal and Magical Medicine draws on perspectives from folklore anthropology psychology medicine and botany to describe the traditional medical beliefs and practices among Native Anglo and African Americans in eastern North Carolina and Virginia In documenting the vitality of such seemingly unusual healing traditions as talking the fire out of burns wart curing blood stopping herbal healing and rootwork the contributors to this volume demonstrate how the region's folk medical systems operate in tandem with scientific biomedicine The authors provide illuminating commentary on the major forms of naturopathic and magico religious medicine practiced in the United States Other essays explain the persistence of these traditions in our modern technological society and address the bases of folk medical concepts of illness and treatment and the efficacy of particular practices The collection suggests a model for collaborative research on traditional medicine that can be replicated in other parts of the country An extensive bibliography reveals the scope and variety of research in the field Contributors Karen Baldwin Richard Blaustein Linda Camino Edward M Croom Jr David Hufford James W Kirkland Peter Lichstein Holly F Mathews Robert Sammons C W Sullivan III Maya Medicine Marianna Appel Kunow, 2003 This account of the practice of traditional Maya medicine examines the work of curers in Pist Mexico a small town in the Yucatán Peninsula near the ruins of Chichén Itz The traditions of plant use and ethnomedicine applied by these healers have been transmitted from one generation to the next since the colonial period throughout the state of Yucatán and the adjoining states of Campeche and Quintana Roo In addition to plants traditional healers use Western medicine and traditional rituals that include magical elements for curing in Yucatán is at once deeply spiritual and empirically oriented addressing problems of the body spirit and mind Curers either learn from elders or are recruited through revelatory dreams The men who learn their skills through dreams communicate with supernatural beings by means of divining stones and crystals Some of the locals acknowledge their medical skills some disparage them as rustics or vilify them as witches The curer may act as a doctor priest and psychiatrist This book traces the entire process of curing The author collected plants with traditional healers and observed their techniques including prayer and massage as well as plant medicine western medicine and ritual practices Plant medicine she found was the common denominator and her book includes information on the plants she worked with and studied **The Anthropology of Magic** Susan Greenwood, 2020-05-28 Magic is arguably the least understood subject in anthropology today Exotic and fascinating it offers us a glimpse into another world but it also threatens to undermine the foundations of anthropology due to its supposed irrational and non scientific nature Magic has thus often been explained away by social or psychological reduction The Anthropology of Magic redresses the balance and

brings magic as an aspect of consciousness into focus through the use of classic texts and cutting edge research Suitable for student and scholar alike The Anthropology of Magic updates a classical anthropological debate concerning the nature of human experience A key theme is that human beings everywhere have the potential for magical consciousness Taking a new approach to some perennial topics in anthropology such as shamanism mythology witchcraft and healing the book raises crucial theoretical and methodological issues to provide the reader with an engaging and critical understanding of the dynamics of magic Join the live discussion on Facebook

Magical Medicine Wayland D. Hand, 2021-01-08 Distilling baby's first tear into the eye of a blind man to make him see Plucking herbs upward for emetics and downward for purgatives Stroking one's goiter with a dead man's hand to make the growth shrivel away these are not beliefs and customs found among primitive peoples in remote parts of the world but are examples of hundreds of items of magical medicine found in Professor Hand's remarkable collection of essays dealing with this neglected field in twentieth century Europe and America Fantasy and imagination still have free reign in people's lives more than any of us will admit In a time when science is preeminent irrational thinking can lay hold on the mind of man as much as in olden times Folk medicine has expanded in recent years to include holistic medicine and other forms of alternative medicine but little attention has been paid to magical medicine Despite the benefits of medical science in an advanced culture the magical medicine of Europe and America has clung to an unusually rich and original body of magical lore that lies at the base of its folk medical thought Ethnomedicine in the inner cities of America can be better understood by practitioners who know something about folk medicine and especially if they know some of the basics of magical medicine This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980

Magic Medicine Cody Johnson, 2018-06-05 Cody Johnson beautifully balances historical knowledge with cutting edge science to produce a thoroughly enjoyable and enlightening read which paints a holistic picture of the risks and benefits of psychedelic use in modern day medicine and culture Rick Doblin PhD Founder and Executive Director of the Multidisciplinary Association for Psychedelic Studies MAPS Magic Medicine explores the fascinating history of psychedelic substances and provides a contemporary update about their growing inclusion in modern medicine science and culture Each chapter dives into the rich history of a single plant or compound and explores its therapeutic and spiritual uses in cultures near and far Firsthand quotes allow glimmers of psychedelic light throughout Learn all about Classical psychedelics including 2C-B ayahuasca LSD and peyote The empathogenic psychedelics MDA and MDMA Dissociative psychedelics including DXM ketamine and salvia Unique psychedelics including cannabis DiPT and even fish and sea sponges The history of psychedelic plants and substances is full of colorful facts and stories and intriguing questions Did US Army Intelligence really use LSD as an enhanced military

interrogation technique How is DiPT able to make a familiar tune sound utterly foreign Can MDMA Ecstasy help people overcome traumatic experiences Many psychedelic plants and substances have a long history of being incorporated into various healing traditions such as cannabis and opium in Traditional Chinese Medicine Science is beginning to research what traditional cultures have told us for years psychedelics have transformative healing properties Anyone who has ever wondered about psychedelics from complete neophytes to veteran trippers seekers and sages to skeptics and scientists therapists and patients to green thumbs and armchair anthropologists will find something in this engrossing and beautifully designed book

Mind-altering and Poisonous Plants of the World Michael Wink, Ben-Erik Van Wyk, 2008 Designed primarily for professional people treating cases of misuse More than 200 of the major plants are treated in depth Accompanied by 550 excellent photos for ID

Cannabis in the Ancient Greek and Roman World Alan Sumler, 2018-10-31 Did the ancient Greeks and Romans use psychoactive cannabis Scholars say that hemp was commonplace in the ancient world but there is no consensus on cannabis usage According to botany hemp and cannabis are the same plant and thus the ancient Greeks and Romans must have used it in their daily lives Cultures parallel to the ancient Greeks and Romans like the Egyptians Scythians and Hittites were known to use cannabis in their medicine religion and recreational practices Cannabis in the Ancient Greek and Roman World surveys the primary references to cannabis in ancient Greek and Roman texts and covers emerging scholarship about the plant in the ancient world Ancient Greek and Latin medical texts from the Roman Empire contain the most mentions of the plant where it served as an effective ingredient in ancient pharmacy Cannabis in the Ancient Greek and Roman World focuses on the ancient rationale behind cannabis and how they understood the plant s properties and effects as well as its different applications For the first time ever this book provides a sourcebook with the original ancient Greek and Latin along with translations of all references to psychoactive cannabis in the Greek and Roman world It covers the archaeology of cannabis in the ancient world including amazing discoveries from Scythian burial sites ancient proto Zoroastrian fire temples Bronze Age Chinese burial sites as well as evidence in Greece and Rome Beyond cannabis Cannabis in the Ancient Greek and Roman World also explores ancient views on medicine pharmacy and intoxication

Magico-Medical Means of Treating Ghost-Induced Illnesses in Ancient Mesopotamia JoAnn Scurlock, 2005-12-01 This work explores the interaction between magic and medicine in ancient Mesopotamia as applied specifically to ghosts Included is a discussion of sin and natural causes in Mesopotamian medicine Additionally it transliterates and translates 352 prescriptions designed to cure psychological and physical ailments thought to be caused by ghosts

In the Service of Humanity P. Adelumo Dopamu, 2009

Everyday Plant Magic Rachael Cohen, 2022-10-13 Everyday Plant Magic is a modern guide to enhancing your life through the magical energy of nature from choosing the right plant for your spiritual needs to understanding where best to place it and how to harness its power Featuring 45 plant profiles which will showcase each plant s magical properties from healing to stimulating and purifying to energising learn

how they can be used to cleanse a space of bad energy and help calm the mind and revitalise the body Also discover how their placement in the home can enhance magical energies like prosperity good health success and relationships Energy practices for invigorating the chakras with Nature s support along with a highlight on crystal companions for harnessing additional magical energies are also included Whether you position a Snake Plant by the door to ward off bad energy use Aloe Vera leaves to calm a burn or add a rose quartz to your Rose Plant to call in more love this practical guide will equip you with all you need to harness the transformative power of Nature and your plants **Ozark Folk Magic** Brandon Weston,2021 Experience traditional hillfolk magic through the eyes of an authentic practitioner This book provides lore herbs magical alignments verbal charms and more *Living Folk Magic* Mary-Grace Fahrur,2025-11-03 Folk magic is more than casting a spell or creating a ritual It is a way of life a way of living a way of perceiving the world and all within it Living Folk Magic explores how to build an entire folk magic practice to understand the practices of folk magic so that they can be applied wherever they are needed Every culture has its folk magic the magical practices that are shared by cultures communities locations and different groups of people Until recently its sheer ubiquity caused it to be among the least respected schools of magic often relegated to the ranks of superstition or low magic Folk magic was something Grandma did something for the old folks something for modern young people to laugh about However in the twenty first century there has been a resurgence in the popularity of folk magic a practice now treated with respect and approached with fascination No longer something done in secret there are now bestselling books and social media groups dedicated to the love of folk magic Among the architects of this celebration and appreciation of folk magic is author Mary Grace Fahrur whose book *Italian Folk Magic* Weiser Books 2018 has been a major contributing factor to this phenomenon More and more people want to practice folk magic but unlike in the old days they may not have elders to access for information They are learning from books social media TikTok and YouTube videos But folk magic is more than casting a spell or creating a ritual It is a way of life a way of living a way of perceiving the world and all within it Although the details of folk magic practices vary by culture and community there are shared commonalities In her new book *Living Folk Magic* Fahrur explores how to build an entire folk magic practice to understand the practices of folk magic so that they can be applied wherever they are needed Mary Grace offers an exploration of the primary functions of folk magic cleansing protecting blessing cursing as well as instructions on how to build altars whether openly or secretly practicing divination communicating with spirits and more Her book is titled *Living Folk Magic* to emphasize that folk magic is not a dead thing of the past but something alive vital and modern Her goal is to help readers actually live folk magic so that it is a fulfilling and successful practice **Women Healers and Physicians** Lilian R. Furst,2021-12-15 Women have traditionally been expected to tend the sick as part of their domestic duties yet throughout history they have faced an uphill struggle to be accepted as healers outside the household In this provocative anthology twelve essays by historians and literary scholars explore the work of women as healers and physicians

The essays range across centuries nations and cultures to focus on the ideological and practical obstacles women have faced in the world of medicine Each examines the situation of women healers in a particular time and place through cases that are emblematic of larger issues and controversies in that period The stories presented here are typical of different but parallel facets of women s history in medicine The first six concern the controversial relationship between magic and medicine and the perception that women healers can harm or enchant as well as cure Women frequently were banished to the edges of medical practice because their spiritualism or unorthodoxy was considered a threat to conventional medicine These chapters focus mainly on the Middle Ages and the Renaissance but also provide continuity to women healers in African American culture of our own time The second six essays trace women healers efforts to seek professional standing first in fifth century Greece and Rome and later on a global scale in the mid nineteenth century In addition to actual case studies from Germany Russia England and Australia these essays consider treatments of women doctors in American fiction and in the writings of Virginia Woolf Women Healers and Physicians complements existing histories of women in medicine by drawing on varied historical and literary sources filling gaps in our understanding of women healers and nulling social attitudes about them Although the contributions differ dramatically all retain a common focus and create a unique comparative picture of women s struggles to climb the long hill to acceptance in the medical profession

Reports of the Cambridge Anthropological Expedition to Torres Straits: Sociology, magic and religion of the Western Islanders Alfred Cort Haddon,1904

CRC World Dictionary of Medicinal and Poisonous Plants Umberto Quattrocchi,2016-04-19 Written as a reference to be used within University Departmental Public Institutional Herbaria and Arboreta libraries this book provides the first starting point for better access to data on medicinal and poisonous plants Following on the success of the author s CRC World Dictionary of Plant Names and the CRC World Dictionary of Grasses the author provides the names of thousands of genera and species of economically important plants It serves as an indispensable time saving guide for all those involved with plants in medicine food and cultural practices as it draws on a tremendous range of primary and secondary sources This authoritative lexicon is much more than a dictionary It includes historical and linguistic information on botany and medicine throughout each volume

Marijuana Medicine Christian Rätsch,2001-03-01 A comprehensive survey of the therapeutic historical and cultural uses of cannabis in traditions around the world The most complete visual record of cannabis culture ever published Christian Ratsch is one of the world s foremost ethnopharmacologists and is the current president of the German Society for Ethnomedicine Marijuana Medicine explores the role of hemp in medicinal systems spanning the globe Cannabis has accompanied the development of human culture from its very beginnings and can be found in the healing traditions of cultures throughout Africa Asia Europe and the Americas Even today it is an important part of many Asian healing traditions in Ayurveda cannabis is praised for its tonic and aphrodisiac qualities and in traditional Chinese medicine it is cited as a superb antidepressant It also remains a significant part of the healing and visionary traditions of Latin

American curanderos and Brazilian Nepalese and Indian folk medicine Modern research has confirmed the effectiveness of marijuana s application in treating such diseases as asthma and glaucoma Christian Ratsch profiles the medicinal historical and cultural uses of cannabis in each of these societies and medical systems providing remedies and recipes for those interested in how cannabis can be used to treat specific conditions

Magic And Medicine Of Plants Introduction

In today's digital age, the availability of Magic And Medicine Of Plants books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Magic And Medicine Of Plants books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Magic And Medicine Of Plants books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Magic And Medicine Of Plants versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Magic And Medicine Of Plants books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Magic And Medicine Of Plants books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Magic And Medicine Of Plants books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Magic And Medicine Of Plants books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Magic And Medicine Of Plants books and manuals for download and embark on your journey of knowledge?

FAQs About Magic And Medicine Of Plants Books

1. Where can I buy Magic And Medicine Of Plants books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Magic And Medicine Of Plants book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Magic And Medicine Of Plants books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
