Malachi Ron M. Phillips, 2002-12-01 Highlights urgent truths every church needs to fulfill its mission as part of the Elijah generation In Malachi's writing striking similarities can be seen between his age and ours when a battered Israel was longing for the Messiah and our own age when we are looking for Christ's second coming **Worship and the End of the Age**

Darren T Carter, 2010-12-30 *Worship and the End of the Age* is a book to establish the believer in a foundational understanding of worship and the battle the body of Christ will face at the end of the age We must embrace a balanced view of the priesthood of all believers A balanced view includes both the inward power of Christ produced through worship and an outward expression of that life demonstrated through good works Darren presents a unique way of using the book of Revelation for understanding worship The approach helps to establish the kingdom of priests and prepare the church for the idols we must overcome in regards to the end of the age *Walking with Giants* Elmer L. Towns, 2012-09-03 Elmer Towns is

Revival of Hope in the Genuine Christ Gary R. Goetz,2013-12-10 What in the world has gone wrong and how will it be set right America is in a moral and economic crisis Political action by itself will not reverse this moral and economic decline In times past Christian revivals occurred before a crisis in American history such as the Revolutionary and the Civil War What were the characteristics of Christian revivals in past history Can a national revival happen again or are we too close to the end times Prophetic events relate in practicality to revival in the church today because the believers hope lies in the future revelation of the genuine Christ History is repeating itself Neo democracy leading to an imperial form of the continuing Roman Empire is the rising form of government today and it will rule at the end of the age Arguments will be given for the identity of the genuine Christ The order of prophetic events will be delineated leading to the genuine new age along with the events that follow such as the rebellion of Satan and the Great White Throne Judgment **Rebuilding with Hope** Carroll Stuhlmueeller,1988 The collected proclamations ascribed to two little known post exilic prophets Haggai and Zechariah

represent a bridge between the traditions of classical Israelite religion and the dramatic changes essential to the preservation of the fragile Restoration community Carroll Stuhlmueller's section by section verse by verse analysis and exposition focus on the prophetic word as addressed not only to Israel in this time of small beginnings but also to the Church today His primary concern is the theological message of the prophets yet ever with an eye toward their historical context literary form and cultural setting Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 The Gospels and Acts Michael Wilkins,Craig A. Evans,Darrell L. Bock,Andreas J. Köstenberger,2013-10-01 The most comprehensive volume ever produced in defense of the Gospels and Acts The four Gospels and the book of Acts tell stories of Jesus life and the birth of Christianity Are these stories true history or just religious fiction Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God Against this non Christians have argued that the Bible is a book of legends myths and historical inaccuracies just another example of human religious endeavor In this volume four world class New Testament scholars address challenges to the reliability of the Gospels and Acts In order to identify the most important challenges the authors drew from the literature of skeptics and New Testament critics plus they included questions that many Christians ask as well The result is the most comprehensive defense of the Gospels and Acts that has ever been published The primary purpose of the Holman Apologetics Commentary on the Bible is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings It is designed for use by general readers though scholars will find it a probing and welcome resource as well A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern This is not a verse by verse commentary The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability They restricted their comments to these verses plus any others that they recognized as germane to the aims of this project Typically each commentary note begins by stating the challenge or challenges regarding the text at hand We attempt to state the case in all its potency as a critic would state it This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture **Hope Unveiled in the Book of Revelation** Raymond J. Zeman,2008-07-03 Hope Unveiled in the Book of Revelation summarizes the catastrophic end time events reviews the certainty of Divine judgment and provides detailed descriptions of the glorious inheritance promised to all who believe in God The prophecies unveiled from Genesis through Revelation are climaxed in the new heaven and the new earth Hope Unveiled explains the message in the revelations to be one of hope courage and faith Salvation is available to all and is intended to bring hope and promise to Christian believers everywhere With the trials and challenges of the present life it is uplifting to look forward to a time when all who believe will spend eternity in the presence of our magnificent God Hope Unveiled is a detailed examination of the book of Revelation based on the King James Version of

the Bible KJV The revelations announce the fulfillment of history how things will ultimately end for all people judgment for the world and the final reward for all who believe in God eternal life Good triumphs over evil and hope for the future is unveiled [Malachi's Message for Today](#) G. Malachi's Use of Joel's Day of the Lord Petronio M. Genebago,2023-07-07 The Day of the Lord texts of Malachi Mal 3 2 7 4 5 demonstrate that he seems to allude to Joel s Day of the Lord 2 11 13 31 MT 3 4 Malachi s Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion study In addition the interpretive significance of Joel s Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel s Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel s Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book *Matthew Through Old Testament Eyes* David B. God's Plan for Spiritual Battle Russell M. Stendal, 2024-09-18 I love a good fight When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good There is a huge difference between a Peacemaker and a Pacifist This Battle Plan for spiritual warfare gleaned from the life and message of Jesus especially the Sermon on the Mount and the Beatitudes was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983 Since then thousands of missionaries pastors and other Christians have been kidnapped murdered or forced to flee from their places of ministry in rural Colombia Had these Christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat Many who did choose to remain in the path of ever present danger have rallied around this message A thriving underground church is multiplying in a huge area about the size of North Korea in the south and east of Columbia where Bibles church buildings formal ministry and even house meetings have been prohibited for more than 25 years Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships identify the true church and cleanse believers from corruption This has been possible because of the remnant that has been chosen to fight the good fight of faith
