A UNIQUE BOOK that knits the Old and New Testaments firmly together helps you to read the Bible as one book and enables you to walk more closely with the One True God In one handy volume A PATHWAY INTO THE BIBLE meets the urgent need for Christians to understand the whole Bible for themselves get to know God for themselves and be able to explain and defend the Gospel of God for themselves in the face of modern day distortions of it A PATHWAY INTO THE BIBLE contains 2 Thumbnail Sketches of the Old and New Testaments 30 pages in all 58 Short Walks through every book of the Bible 30 Walking Meditations to share with God 170 Bold Italic Paragraphs that tackle the tricky bits and 12 Evidences of God s Presence Hidden in Plain Sight in the Bible and in the World All in the space of 537 pages The Short Walks through every Bible book last from 5 minutes Titus to 30 minutes Genesis to 40 minutes John s Gospel to 60 minutes Isaiah to 90 minutes The Psalms And 49 of the Bible s 66 books can be walked through in 35 minutes or less The book takes its personal inspiration from the author s preaching motto Take it from me you can t just take it from me And it takes its historical inspiration from William Tyndale who published the first translation of the Bible into English in the sixteenth century Tyndale wrote a Preface for his readers many of whom were seeing the Bible for the first time called A Pathway into the Holy Scripture Let A PATHWAY INTO THE BIBLE WALKING WITH GOD THEN AND NOW be your introduction to God and His Word WHAT OTHERS SAY This book is the fruit not only of many hours of writing but of many years soaking in drawing from living and teaching the Bible as the written interface between us and the God who loves us Stuart is not afraid to acknowledge and comment on difficult passages that challenge some current social or moral assumptions His style is not to dismiss or minimise these passages but rather take them seriously as part of God s revelation MARK CHURCHWARD Leader Southend Christian Fellowship and Co ordinator of Love Southend Essex This new Pathway can do for today s Christians and church leaders what Tyndale s Pathway did in his era In my 37 years of fellowship with Sri Lankan friends in east London both Hindus and Christians this was just the sort of clear relevant guidance that we needed Now that I am working with new churches in Kenya I see that Pathway is very suitable for translating into languages that are very short of this type of resource JONATHAN EDEN Planter of Tamil churches in East London I have found this book very informative and it has encouraged me to read and re read the Bible and to understand it more fully I have especially appreciated referring to it when delving into individual Bible books GERALDINE LEDIEURT Active member of her local church Any book that enables us to go deeper into a relationship with God through a greater understanding and a greater voice above all other voices speaking into our lives THAT is a book worth reading again and

again So it is with Stuart s book I wholeheartedly recommend A Pathway Into The Bible GAVIN DIXON Leader King s Church Southend New Frontiers During the time that Stuart and I were colleagues in ministry we used to meet on a weekly basis for worship prayer and fellowship I was often blessed by Stuart s insightful comments on Scripture His comments invariably opened up fresh avenues of thought for me In this book he has been able to expand more fully on many of the topics we discussed opening up each book in a way that sets its context in history and makes its purpose and teaching clear and easily understood It is my privilege to commend this book to you as an aid to understanding what you read as you delve into the Bible MIKE WRIGHT Senior Minister Westcliff Elim Christian Centre **Pathway to Understanding the Bible** Maxwell Adorkor,2013-06 Did God intend His Word to be difficult for us to understand Is it God or man s fault that the Bible remains a mysterious book to most people Is there a clear path provided by the Author of the Bible to make it easily understandable Can the Bible be trusted at all Do we add or subtract from its content Who should even study the Bible Are you aware of the battles being waged behind the scenes since ancient times against the Bible and those behind this Just how many gospel messages do we have in the Bible anyways Does this message ever change to suit the demands of a particular generation Can this message be easily identified Can we trace the source of false doctrines Do you really know who Jesus was What was His message Why did He have to die on man s behalf Who were His true killers Did Paul and the other apostles amend His message or did they preach the same message Do you really understand the main purposes behind God s commandments in the Old Testament How about really understanding the writings of Paul in particular and the rest of the apostles in the New Testament Does the teaching of Paul contradict that of his master Jesus Christ What was God s purpose for creating man Does God love some groups of people more than others What brings blessings and or curses What does it mean to be righteous according to the Bible What are the characteristics of a righteous person Just what is the New covenant and what was it intended to achieve Who is a neighbor according to Jesus Christ Unlike the rest this book discards the denominational approach of studying the Bible and takes the reader on chronological steps to have the Bible decoded and plainly sets the reader on a personal journey of studying it without the aid of a Concordance or a Commentary Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures William Tyndale,1848 **Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures** William Tyndale,2005-04-25 The Parker Society was the London based Anglican society that printed in fifty four volumes the works of the leading English Reformers of the sixteenth century It was formed in 1840 and disbanded in 1855 when its work was completed Named after Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector of books the stimulus for the foundation of the society was provided by the Tractarian movement led by John Henry Newman and Edward B Pusey Some members of this movement spoke disparagingly of the English Reformation and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation **Reading Romans through the Centuries**

Jeffrey P. Greenman, Timothy Larsen, 2005-12-01 What does it mean to be saved Did God choose who would be his followers or was it a personal choice These are just some of the questions Paul addresses in the sixteen challenging chapters of his letter to the Romans Reading Romans shows how some of the greatest minds in the history of the church have wrestled with and even been changed by Paul's words For example God used a passage from Romans to speak to the untamed heart of Augustine and John Wesley said that after hearing Martin Luther's comments on Romans he felt his heart strangely warmed This book will show why in many ways Christian theology begins and ends with Romans **Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures ... Edited for The Parker Society by the ... Henry Walter** William Tyndale, 1848 **Pathway to Paradise** Elaine Threats, 2008-05-08 Looking for God in all the wrong places Then read this book Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth In the world of today there are some many avenues and paths to choose in life God has given man the freedom to choose his own destiny but in that freedom he has asked that we choose wisely making right choices What is the right choice in life This book is here to help answer that question The bible says the fear of the Lord is the beginning of wisdom therefore having godly fear is the first wise path that anyone can choose Why is it wise to fear God It is wise because once we begin to give God his due respect as the creator of life is where we begin our journey toward discovering every other right and wise pathway life has to offer which leads to true salvation and in the end eternal life This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live and who knows best If you have a true desire to understand the scriptures and want to know what God can do in your life if you are confused about the bible and religion but hope to find the pathway leading to true salvation then read this book Is is here to give good education on biblical truths And as you read keep the bible handy because this book is designed so that as you read it you will need the bible for reference in hopes that you might find the true pathway to paradise **General Introduction to the Study of Holy Scripture** Charles Augustus Briggs, 1899 The Holy Bible Plus J. A. H., 2013-09 The Bible teaches man the word of God But Christianity's greatest error has been to interpret the word of God as being the Logos of God Providing a fresh perspective The Holy Bible Plus offers a thorough look at the Bible its origins its contents its teachings its substance its testaments and more The Holy Bible Plus examines a host of topics surrounding the Bible Christianity spirituality and what it means to be a follower of Christ It seeks to provide an understanding of the WORD faith God the plan the kingdom the soul your duties as a Christian and sexualities The essays included in The Holy Bible Plus communicate that Christ revealed how to be creators of new life not how to be holy It teaches that obedience to the word is the holiness of Judaism but discovery of the word is the power of creation The Whole
