Pipe The Art And Love Of A Great Tradition:

The Great Tradition Edwin Greenlaw, James Holly Hanford, 1919 **The Pipe** Robin Crole, 1999 Today the seductive allure of pipe smoking has never been stronger This elegant full color book is both a celebration of the pipe the history romance and lore and a practical guide that advises readers on how to care for pipes choose the right blend of tobacco and enrich the smoking experience *Forthcoming Books* Rose Army, 1999 Art, Education, and African-American Culture Mary Ann Meyers, 2017-09-08 A physician who applied his knowledge of chemistry to the manufacture of a widely used antiseptic Albert Barnes is best remembered as one of the great American art collectors The Barnes Foundation which houses his treasures is a fabled repository of Impressionist post Impressionist and early modern paintings Less well known is the fact that Barnes attributed his passion for collecting art to his youthful experience of African American culture especially music Art Education and African American Culture is both a biography of an iconoclastic and innovative figure and a study of the often conflicted efforts of an emergent liberalism to seek out and showcase African American contributions to the American aesthetic tradition Mary Ann Meyers examines Barnes s background and career and the development and evolution of his enthusiasm for collecting pictures and sculpture She shows how Barnes s commitment to breaking down invidious distinctions and his use of the uniquely arranged works in his collection as textbooks for his school created a milieu where masterpieces of European and American late nineteenth and early twentieth century painting along with rare and beautiful African art objects became a backdrop for endless feuding A gallery requiring renovation a trust prohibiting the loan or sale of a single picture and the efforts of Lincoln University known as the black Princeton to balance conflicting needs and obligations all conspired to create a legacy of legal entanglement and disputes that remain in contention This volume is neither an idealized account of a quixotic do gooder nor is it a critique of a crank While fully documenting Barnes s notorious eccentricities along with the clashing interests of the main personalities associated with his Foundation Meyers eschews moral posturing in favor of a rich mosaic of peoples and institutions that illustrate many of the larger themes of American culture in general and African American culture in particular *Traditions of De-Coo-Dah* William Pidgeon, 2007-10-01 First published in 1852 Traditions of DE COO DAH is the only remembered work of American writer WILLIAM PIDGEON 1818 c 1870 Today it is considered an amusing and telling example of the flaws and prejudices found in white researchers of the era and has been called a crazy masterpiece of pseudoscience Pidgeon suggests that the various burial mounds found throughout North and South America are the work of an unknown civilization that lived in those areas prior to the American Indians American Indian tribes could not have constructed something so grand on their own according to Pidgeon Even at the time of its printing Pidgeon s work was rejected by academics and academic societies including the Smithsonian Institute and the American Antiquarian Society While mounds have been found in the places he describes they do not match his descriptions in exact location size or arrangement Nor has any evidence ever been found to suggest that a more advanced civilization than

the American Indians would have been necessary to have built them Students of history and archeology will find this book a valuable lesson on pitfalls of prejudice and assumption **The Medical Fortnightly** ,1896 **Traditions of De-coo-dah** William Pidgeon,1858 **Zoo, or Letters Not about Love** Viktor Shklovsky,2024-07-16 While living in exile in Berlin the formidable literary critic Viktor Shklovsky fell in love with Elsa Triolet He fell into the habit of sending Elsa several letters a day a situation she accepted under one condition he was forbidden to write about love Zoo or Letters Not about Love is an epistolary novel born of this constraint and although the brilliant and playful letters contained here cover everything from observations about contemporary German and Russian life to theories of art and literature nonetheless every one of them is indirectly dedicated to the one topic they are all required to avoid their author s own unrequited love **Traditions of De-coo-dah and Antiquarian Researches** William Pidgeon,1858 **Orissa Society of Americas 39th Annual Convention Souvenir** , Orissa Society of Americas 39th Annual Convention Souvenir for Convention held in 2008 at Toronto Canada re published as Golden Jubilee Convention July 4 7 2019 Atlantic City New Jersey commemorative edition Odisha Society of the Americas Golden Jubilee Convention will be held in Atlantic City New Jersey during July 4 7 2019 Convention website is <http://www.osa2019.org> Odisha Society of the Americas website is <http://www.odishasociety.org> **Pipestone Sculpture by Jeff Savage** Jeff Savage,1986 **Black & White** ,1900 **The Invention of Angela Carter** Edmund Gordon,2017-02-01 The much anticipated biography of one of the most beguiling and influential writers of the twentieth century With unprecedented access to its subject s personal records and informed by fresh unvarnished anecdotes from family friends and colleagues Edmund Gordon s biography provides the first full account of Angela Carter s amazing life and enduring work **Books in Print Supplement** ,2002 **Mazisi Kunene** Dike Okoro,2022-12-14 This book examines the life and work of Mazisi Kunene the only recognized poet laureate of Africa a Nobel Prize nominee and a key symbol of African cultural independence Kunene is widely recognized for his epic poems that assert cultural identity and condemn the disruption of the growth and development of African culture through colonialism postcolonialism This book explores how oral literature and cultural traditions informed Kunene s poetry how Kunene s poetry highlights African women and mothers and how activism mythology and transnational identities are depicted in his verse to promote cultural and generational continuities from Africa to the Diasporic Africans Drawing on a range of interviews and comparative studies the book situates Kunene s work in a wider conversation about South African social struggles This book is an important contribution to our understanding of one of the giants of African literary history As such it will be of interest to researchers across African literary and postcolonial studies **Archibald Lampman** Eric Ball,2013-05-01 Treasuring the past savouring the present and wanting to do right by the future Archibald Lampman was a poet keenly focused on the workings of time He was also a thinker of mystical predisposition His goal was not to transcend time but to find redemptive meaning within it Archibald Lampman Memory Nature Progress explores the ways in which Lampman pursued this goal in relation to the three faces of

time Memory fascinated Lampman He relished the alchemy by which the dross of past experience could be left behind and the gold preserved Nature compelled his mind and emotions and his clear eyed observations of both countryside and wilderness settings gave rise to a self evolved poetics of inclusiveness In his celebrations of nature in all its manifestations mild or bleak he anticipated the work of iconic Canadian painter Tom Thomson and he forecasted the environmentalism of our own time Progress for Lampman spelled societal rectification By forwarding the cause of social betterment one was part of a movement larger than oneself and this expansion too was redemptive Archibald Lampman Memory Nature Progress is the first book on this foundational figure in Canadian literature to appear in over twenty five years and the first thematically focused study Combining close analysis with biographical context it shows how Lampman s oeuvre was shaped by his responses to his physical surroundings and to his social intellectual milieu as filtered through his stubbornly independent outlook
